Y. W. C. A. Tenders Farewell Party

SHIMANOUCHI AWARDED LINCOLN STATUE

The Boy Orator to Compete in the Alumni Contest

Mrs. R. C. Conklin, who has been for three years executive secretary of the International Institute and an ardent worker for the Japanese Y. W. C. A. of San Francisco, was honored with a farewell party on Wednesday, April 14, at the Golden Gate Japanese Tea Garden. The party was sponsored by the Japanese Y. W. C. A. Board as a tribute to Mrs. Conklin's persistent effort.

Having studied in the Orient and being accustomed to the habits of Orientals, Mrs. Conklin has made a deep impression on the Japanese here.

Mrs. McKeen has been appointed as a substitute for Mrs. Conklin, and she will take up her duties from the 1st of June.

Popular San Francisco Girl Engaged

The engagement of Miss Mary Aso of San Francisco to Dr. Genta Nakamura of Denver was announced recently.

The engagement ceremony was performed by the Rev. Mr. Tsuda of the San Francisco Japanese M. E. Church last Thursday evening.

The baishakunin were Mr. and Mrs. Nino-miya, editor-in-chief of the New World News, and Mr. and Mrs. R. Koba, all of the city. Miss Aso is an active worker in the Epworth League of this city as well as a popular member of the younger set here.

Kaiser before the war."

"The question I leave with you is: Are we doing our full share? Is it enough to have held the Washington conference, the results of which have now been partially dissipated; to have given unofficial approval to the Dawes plan, and to have half-heartedly entered the world court? Should we not now take a more active part in the task of helping the world save itself from war?"

In appreciation of Henry's ability and his unselfish spirit, the Pasadena Evening Post has presented him with silver loving-cup, through the principal of his school. An impressive presentation ceremony was held a few days ago. His name is now on the lips of everyone in Pasadena. Henry seems indifferent, however, to the many favorable comments, and as usual is devoting his time to his studies and his favorite sports.

Young people, not only of the South but also of Northern California, are eagerly anticipating the Alumni oratorical contest, in which Henry Shimanouchi will participate as a representative from Pasadena. The contest, to comprise representative Japanese high school students from all parts of the state, will be staged in San Francisco on Saturday evening, May 1, under the auspices of the University of California Japanese Alumni Association. Southern California will be represented by one other speaker besides Henry Shimanouchi.

Now that the club is growing we have thought out other things to do which, we hope, will make our club meetings more interesting than ever before.

At this special affair held last Sunday afternoon one of the members expressed the idea that she thought it would be a good plan to devote part of our time to the reading of good literature and drama and then have discussions thereon at our meetings. In this way, she thought, we could enrich our field of knowledge and also get familiar with good plays. Knowing good plays will be a great help to us when we wish to entertain outsiders.

THE CHRYSANTHEMUM CLUB OF FRESNO

Markai A. Mimura

A special meeting followed by a tea party, was held by the Chrysanthemum Club at the Hospitality Center last Sunday afternoon. This was one of the largest meetings of the year. Several new girls were present, and we are glad to say that all of them, except one, enrolled as new members. Along with the enlargement of the club, we will be able to broaden our field of activity, which in turn will make this club a more interesting and worth-while organization. At present the club is comparatively small, and we really have not been able to perform anything on a very large scale. But a bright future seems to be ahead of us. Why? Because of the aim of this club. What is the purpose of this club, you may ask. When we first organized, three years ago, we did so for the benefit of the older Japanese girls of Fresno. We wanted to form a society of our own and get better acquainted with each other, thus promoting general friendship among the older Japanese girls. Besides this, we want to be able to perform social service.

TO STUDY BOOKS AND PLAYS

Now that the club is growing we have thought out other things to do which, we hope, will make our club meetings more interesting than ever before.

At this special affair held last Sunday afternoon one of the members expressed the idea that she thought it would be a good plan to devote part of our time to the reading of good literature and drama and then have discussions thereon at our meetings. In this way, she thought, we could enrich our field of knowledge and also get familiar with good plays. Knowing good plays will be a great help to us when we wish to entertain outsiders.

Mr. S. Nikaido, a student at the Galileo High School, was selected at the Gakusei-Kai monthly public-speaking meeting held Saturday, April 10, to represent the club in the approaching Alumni Oratorical Contest.

At this preliminary meeting the speakers dwelt upon the subject, "Will Power is the Key to Success." Dr. Yamamoto, a local dentist, was the main speaker of the evening.

Deaths From Autos

According to statistics announced by L. C. Ross, director of the state bureau of vital statistics, there were 468 deaths from automobile accidents in Los Angeles county last year, 65 more than were recorded in the 10 bay counties during the same period. In the entire state there were 1484 fatalities from the same cause.

For our guidance as to what constitutes good reading matter, she distributed pamphlets containing a list of 100 worth-while books.

As the membership grows still larger, I know we will be able to get from the members more varied ideas as to how we can make this club a really beneficial organization.

TO PRESENT ENTERTAINMENT

We have planned a little entertainment for the night of May 14. Those appointed on the various committees are as follows:

Program Committee:
Miss Jeanette Kawai (Chairman)
Miss Lillian S. Tomita
Miss Helen Kawai

Refreshment & Decorating Committee:
Mrs. G. K. Hashida (Chairman)
Miss Takeno Tada
Miss Lena Kimura

A good time plus a big surprise is being planned.

Spring-Time In Japan

By Nellie Nakamura
It is spring-time in the country
Known as "Cherry Blossom
Land."

Where the sweetest and the fairest
flowers grow;
The purple iris vying
With the flaming peony,
And the lotus on the lake as white as
snow.

O'er the quaintest of all bridges
And the brooklet which it spans,
Sweet wistaria shakes her petals down
in showers;
And the dimpling stream beneath
her
Ripples joyfully on its way,
Speckled gayly with a myriad fragrant flowers!

And the song of ugu-isu,
Starting, joyous, poignant, sweet,
Rises from a rosy cloud of cherry bloom—

Happy bird, to choose so wisely,
For his home a paradise,
Bathed in sunlight, sweetly scented
perfume!

In the verdure of the rice-fields,
Like an emerald carpet spread,
Happy farmers toil in native element;
While majestic in his splendor,
Fuji-san, above the clouds,
Benign smiles on all, and is contest.

It is Spring-time in that country
Called the "Land of Cherry Bloom,"
Where the heart are ever young, the
flowers gay;

And the youth of that fair country,
Are as youth in other lands,
For spring is life, and love will find
a way!

SO THEY SAY—

A Corn on the ear is worth three on the toe.—Anon.
