THE SECOND-GENERATION AS UGLY DUCKLINGS

As we closely analyze the practical workings of the second-generation problem, we cannot but be impressed by its seriousness.

"We hear every now and then people saying (referring to us) 'Oh, how those Chinese speak Japanese!' Sometimes we are called 'Chosen-jin'!

This is the essence of impressions gained by other members of the Nichi-Bei party, including Yaeko Tsuda, who writes that the members were even pointed out by curious Japanese as 'Seiyo-jin' (white foreigners)!

Because of this harassing circumstance arising out of indifference and racial prejudice, young people of the second-generation are apt to grow cynical, declaring that the humanitarian principles contained in our constitu-

Japanese Notables Arrive Here En Route to London

A delegation of members of the Japanese House of Peers, headed by Count A. Kabayama, arrived in San Francisco April 30, on the N. Y. K. liner Korea Maru.

Count Kabayama, one of the best known law-makers of Japan, is a graduate of Amherst College in Massachusetts, from which President Coolidge graduated.

The delegation were guests at the luncheon given under the auspices of the San Francisco Chamber of Commerce on Friday, April 30.

Some of the interesting and quaint happenings in Japan are the clatter of noisy "getas," the "motor-bus" girl shouting at the top of her soprano voice the names of the streets, and the advertising system in Japan, and the last but not the least the antics of the traffic policeman.

As we are now in Kyoto, the city of shrines and temples, we have come away from the busy city life. An atmosphere of reverence and sacrifice seem to fill the air.

Again, I wish to say I like Japan.

IMPRESSIONS OF JAPAN

By Ruth Nomura

Was Greeted by Charming Courtesy:

The Japanese people seem to possess a rare charm of their own, that is, the genuine politeness and courtesy, which they extended to us (this has been shown by many of our hosts as well as "the man on the street").

Yes, I have made many "akagetto," and through them I have learned the Japanese customs. For instance, I walked on the right side of the street, and everyone from the children to their parents shouted to me to get on the other side.

Japanese Traffic Officer Amuses Ruth:

"Sakura-no-hana" Are Not Out Yet:

As the weather has been unusually cold here, the cherry trees have not bloomed; so we are missing the wonder of Japan. At present we draw our imaginations together, but within a few days we shall be able to see the real "sakura-no-hana."

STANFORD NINE TO TOUR JAPAN

A three months' tour of the Orient will be made by thirteen members of the Cardinal varsity baseball team, leaving here on June 8.

Noted Japanese Scientist Arrives Here

Dr. S. Tanaka, professor of Natural Science at the Imperial University of Tokyo arrived here on the N. Y. K. liner Korea Maru to make an extended tour of the United States.

Dr. Tanaka visited the Japanese Students' Club of Stanford University on Saturday, May 1, and brought with him a large case of rare fish which he collected in Japan.

I would give up the conveniences of America just to stay a little longer than our plans provide for. But we must hurry and take the best of Japan to our waiting friends in America.

FRESNO BOY SCOUTS ENJOY "WEENIE ROAST"

Contributed

"Skin a-marink-a-dink-a-dink Skin a-marink-a-dink-a-do We love you—"

On April 27 the Fresno Boy Scouts of Troop 16 gave a "weenie roast" for the benefit of their parents and the members of the Girls' Reserve.

Other numbers on the program included: 1. Games: Boy Scouts. 2. Knot-tying Contest. 3. Signaling: Boy Scouts.

JAPANESE TENNIS STAR ARRIVES HERE

R. Toba, a member of Japan's Davis cup team, arrived in San Francisco yesterday on the N. Y. K. liner Korea Maru.

JAPANESE TRACKSTERS PARTICIPATE IN MEET

Seven clubs were represented at the Boys' Week Track Meet, held at Kezar Stadium, under the auspices of the San Francisco Exchange Club on Thursday afternoon, April 29.

Heretofore the San Francisco Boys' Club carried off the banners, but this year the winning team proved to be the Y. M. C. A. with 29 points, while the San Francisco Boys' Club trailed the victors with 22 points.

Sutter "Y" Boys Win First Place:

Following "Y" boys took first places: Miller (100lb.), George Koba (90 lb.), and "Tad" Fujita (120 lb.).

The following clubs participated: San Francisco Boys' Club, California Boys' Club, Hebrew Young Men's Club, Columbia Park Boys' Club, Italian Boys' Club, Boys' Aid Society and the Young Men's Christian Association.

FIRST JAPANESE TO RECEIVE PH. D. AT UNIVERSITY OF CALIFORNIA

Mr. Takashi Terami will be the first Japanese student to receive the degree of Doctor of Philosophy from the University of California when the university commencement takes place on May 12.

A Dutch man was awarded \$35,000 for fasting for 45 days. Henceforth we need not worry about getting rich quickly!
