The members of Hoshi-no-Hana (Star-flower) Club, which is an organization of Japanese girls of Berkeley...

About forty girls assembled and enjoyed a delightful evening in games and refreshments, and they expressed themselves as being in favor of holding an affair of this nature often in order to cultivate a friendly feeling among the various girls' organizations of the East Bay regions.

precious. If they buy now when the land can be acquired at a normal price, they will have paid for the property within ten years' time and enjoy the increased land value in addition.

SILVER ECHO HAS RED LETTER DAY

Have you noticed how high the noses of the Silver Echo girls have been since Friday, May 17? Well, there's a reason.

Silver Echoes aren't feeling like mere mortals, because one of them received a G. R. ring, which is the highest award that any Reserve girl can receive. Toshi Takao, former president of the club, was presented with the ring by the club adviser, Miss Lucy Pray.

The presentation of the ring came as a complete surprise to all the members of the club as well as to the recipient. It was sent by air mail from Y. W. C. A. headquarters in New York City where her credentials were accepted.

Fred Koba, former basketball coach of the club, led in an illustrated discussion on the "Game of Life." The discussion made the meeting one of the most successful ever held.

Midred Cather, president of Interclub Council surprised the club with an unexpected visit. She came for the purpose of being present at the presentation ceremony.

The meeting was one of many surprises, for in return, Miss Pray, our adviser, was presented with a remembrance gift, as she is leaving for England. May 21 will be remembered as the Red Letter Day for a long time. —A Silver Echo Member

SAN JOSE JAPANESE PARTICIPATE IN ROSE FESTIVAL PARADE

J. A. Float Wins First Prize

The Japanese of the Santa Clara Valley, represented by the Santa Clara County Japanese Association, participated in the Rose Festival celebration held in San Jose Saturday, May 22.

The parade, which included scores of elaborate floats, was three miles in length, and the vast multitude of spectators, including thousands of Japanese, gathered from all over the neighboring districts to witness this colorful spectacle. The Japanese float, which was in the form of a huge truck decorated with green leaves and garlands of rose bouquets, was the subject of admiration by both Americans and Japanese.

SAN JOSE, TAIKU-KAI CLASH CALLED OFF IN THE 4TH

Thirteen members of the San Francisco Taiiku-Kai ball club invaded the San Jose second team on Sunday, May 23, but any one who witnessed the game might allow himself to be superstitious over the number traveling with the team, for the Taiiku-Kai nine surrendered the game in the fourth inning with the decisive defeat of 10 to 2 score.

Evidently it was hopeless for the Taiiku to rise to a victory. The time was also limited owing to the scheduled game between the San Jose first team and the Oakland nine; so the clash terminated in the fourth-inning.

"VACATIONLAND" PLANNED BY "Y" BOYS

A program of games, athletics and nature-study is being completed for an outing at Camp McCay, the annual boys' summer camp of the San Francisco Y. M. C. A., which opens June 21, at the permanent campsite on Lake Strawberry, Tuolumne County.

This year's camp will be conducted in two periods, the first from June 21 to July 5 for boys between 11 to 14 years of age, the second from July 4 to 19, for boys between 14 and 19 years. Members and friends of the Friendly Indian, Bear Cubs, and Pioneer Clubs are eligible for application.

The cost for transportation and entire two weeks at Camp is twenty-four dollars, which is a very reasonable sum. Those who are planning to take advantage of this healthful recreation are requested to send in their application to Fred Koba, Boys' Work Secretary, at Sutter "Y."

STOCKTON BEATS SACRAMENTO, 11-1 IN FINAL BATTLE

Sacramento Won 4, Lost 5; Yamato Won 4, Lost 5

The repressed strength of the Yamato warriors gushed forth upon the Sacramento nine in the final game on May 23, which enabled the Stocktonian to share second place with the Sacramento team. The score of the battle was 11 to 1 in Stockton's favor.

Nushida and Ito composed the battery for the victors, while Matsuda and Ishii defended for the Senators.

BAY REGION BUDDHIST YOUNG PEOPLE TO STAGE PRZE ORATORICAL CONTEST

Under the combined auspices of the young people's club of the Bay region Buddhist churches, a prize, oratorical contest will be staged Sunday, June 6.

The various organizations will send two or more speakers to contest for the prizes, and any one who is not a member of any organization and who is desirous of participating in the contest is asked to communicate with Chiyoharu Sugiyama of the Oakland Buddhist young people's club. The speeches are to be delivered in the Japanese language, and the time allowed for each speaker is ten minutes. The board of judges will consist of four prominent persons. A definite announcement as to the time and place will be made public later.

ALVARADO LANGUAGE SCHOOL ORGANIZES BASEBALL NINE

May 24—In order to develop cooperative efforts and foster physical development, the students of the Alvarado Japanese Language school recently organized boys' and girls' baseball teams, and from all indications they will develop into strong aggregations capable of meeting other teams of the neighborhood. The organization of the baseball teams was a hope of the students ever since the school was established, but at last the dream was realized.

The main hope of the Language School teams rests with Toshio Sato, who will coach the would-be stars. Sato is a member of the local high school team. A negotiation is now being conducted by the Alvarado Gakuen team for a game with the Centerville Language school nine, and the local fans are looking forward to an interesting game.
