## SACRAMENTO CHEST DRIVE IS SUCCESS

American Community Chest Has Bright Prospects; Japanese Quota Will Be Easily Subscribed

With the energy of Trojans the people of Sacramento are conducting their Community Chest campaign, whose goal is set at \$185,000. Latest returns indicate that the American drive is reaching a successful finish, while the campaign conducted by the Japanese are equally promising. The Japanese quota is \$1000. Report on Thursday showed that \$920 was already raised, not including the sum not yet handed in. It is declared that the Japanese quota will be easily raised, through the untiring efforts of the committee in charge.

here in America, I cannot give any official statements, as I must first consult Superintendent Kusuhara and hear opinions from the various priests in America. However, I believe that here in America, as in Taiwan, the work of propagating Buddhism should be entrusted to the second-generation members in order to attain success. Abbot Otani Sonyu, who visited this country last year, was conscious of this point, and plans have already been made to engage three American-born youths annually to journey to Japan for study at their own financial support. A dormitory has already been provided for them at Kyoto in the building formerly occupied by the Chugai Nippon Daily News."

Former Superintendent Kusuhara will remain in America for some time longer in the capacity of adviser to the new superintendent, Rev. Mr. Sasaki.
