EDITORIAL

Congratulations, Mr. Kido!

Mr. Saburo Kido, the erstwhile embryo attorney of San Francisco, has just become a full-fledged pleader of justice by virtue of being admitted to practice before Federal Courts. He is chiefly familiar to our readers for his admirable stand in behalf of Americanization in the controversy that raged in these columns some time ago on the now proverbial "Hippopotamus" case.

Flora Tsuda Is Second Student To Receive Scholarship

High School Japanese Students Club of Sacramento, held a very successful semi-annual graduation party on Saturday evening, January 29, at their club house.

This semi-annual party given by the Students' Club is an affair which is eagerly awaited by grammar, high and junior college students of Sacramento, as a most hilarious time is enjoyed by all.

The formal party opened with the introduction of five grammar school graduates. Then the high school graduates were next introduced. They were Susumu Jimbo, Toru Miura, Wey Oyama, and Flora Tsuda. Each in turn gave a short speech.

Next, the formal presentation and acceptance of gifts were made. Miss Flora Tsuda was presented with a gold pin in recognition of her high scholastic standing throughout her four years in high school. Each year, two kinds of medals are presented for high scholarship and athletics.

Those who have been thus honored previously are Miss Bessie Takao for her scholarship, Mr. Frank Ito now attending U. C., and Mr. Kay Miyakawa now at Harvard for receiving the block "S" in athletics.

Mr. Wey Oyama, representing the graduates, presented a gift to the Club. The chair was then turned over to Miss Mary Mayeda, vice-president. Miss Mayeda's humorous ability to preside over such occasions made the evening an uproarious success. The games that were played,

THREE BIG CAGE BATTLES TO BE STAGED ON THREE COURTS OF S. F. TONIGHT

M. E. vs. Y. M. B. A.; Showa vs. Tung Chi; Nissei vs. Y. M. C. A.

Three fast basketball games are scheduled to be reeled off at three different courts in San Francisco tonight.

The first tilt will be between the San Francisco M. E. Church and San Francisco Y. M. B. A. for the Winter League Church championship, at the San Francisco Community House at 1760 Post Street.

The second clash will be between the San Francisco Showa Club and the Chinese Tung Chi team at the French Court at Stockton Street and Grant Ave. This game is the final and deciding one, the Showa boys having won the first tilt, 25-10.

BOTH TEAMS ARE UNDEFEATED AT PRESENT

The last battle will be between the two 115-pound teams of the San Francisco Japanese Y. M. C. A. and the Berkeley Nissei Club. This contest promise to be the fiercest one of all, as both five have been undefeated to date, the Nissei 115-pounders especially having established a notable record of five consecutive victories this year. However, the San Francisco Y. M. C. A. boys are confident of stopping this phenomenal winning streak, and the game tonight should prove the crucial test for both quintets.

A preliminary game will be played between the San Francisco Japanese Y. M. C. A. 80-pounders and the Visitation Valley boys. This game will start at 7:30 p. m.

Penryn To Invade Port Stockton for Vengeance

Stockton Seconds To Meet Penryn Seconds in Preliminary

After earning a hard fought victory from the Sacramento Wakaba Basketball Team by the score of 12-8 at Sacramento last Sunday afternoon, January 30, the Stockton Y. M. B. A. five is now in now preparing for the coming game against the hard and fast fighting basketball team from Penryn. The mountaineers whom the Stockton has met and defeated two weeks ago at their home court are out for revenge, and as the last score was very close, there is every indication of an interesting game when these two teams meet at Stockton this coming Sunday afternoon February 6.

The preliminary game will start promptly at one o'clock. The fast Juniors will tackle the Super Varsity five. Following this game the Y. M. B. A. second team will take on the Penryn seconds, in what promise to be another thrilling game. This is to be the opening game at the new Stockton Hongwanji Gymnasium.

THE LINE-UP OF THE FEATURE GAME

The line-up for the main game will be as follows: R. F.—Suzuki, L. G.—J. Akaba; R. G.—Shindo; L. F.—Yoshimoto; C.—Mirikitani, (Capt.); Reserves—Ueda, Kitahara, and Miyata.

NISSEI SAMURAI CRUSH TWO SCHOOL TEAMS BY BIG SCORES, 21-10; 16-5

Nissei 115-Pounders Smash Through Edison and Garfield Quintets

The 115-pound team of the Berkeley Nissei Club continued its phenomenal winning streak by two spectacular victories over the Edison and Garfield cagers, respectively.

S. YAMAMOTO IS SHOOTING STAR

The game with the Edison five took place on Monday, January 31, at the Edison School Court. For the first three quarters the contest was closely fought, the Edison guards holding the Nissei boys down to a 10-10 tie but in the last quarter the Nissei shooters went wild and scored eleven points to sew up the game, 21-10. Shingo Yamamoto with thirteen points and Yo Tabata with six were the shooting stars for Nissei.

NISSEI QUINTET OVERWHELMS GARFIELD

The second game with Garfield was played on Wednesday afternoon at the Garfield gymnasium. For the first half the Nissei offense was stopped, but in the last half, the "five good men and true" found their "eyes" and as a result, completely wrecked the Garfield defense to the tune of 16-5. Shingo Yamamoto and Frank Kawakami shared the shooting honors with seven points apiece, while Bob Fujisaki, left guard, sank the other two points. The other players who starred were Yo Tabata, Ernie Takaki and Shuji Shimamoto.
