HAWAII'S TWIRLER WILL JOIN FRESNO NINE FOR JAPANESE TOUR IN MARCH

Three Remaining First-Team Players To Pilot Second Team In Japanese League

The Fresno Taiiku-Kai baseball team has set aside a period of intensive daily training, between February 18 and March 1, prior to the Japan tour. From all indications the Fresno champions will barnstorm the samurais of the Cherry Blossom Land for a cablegram from Captain Zenimura, now in Hawaii, indicates that the star Asahi twirler, Mamiya, intends to join the Fresno party and strengthen the invaders. Miyahara may also join.

FRESNO HAS ARRAY OF TWIRLERS

The formidable array of first-line twirlers for the invading Fresnoites will include Hunt, Hendrich, Aoki, Kawasaki, together with Mamiya of Hawaii.

While the varsity is on tour, the Fresno second squad will not be idle. Led by Sako, Nakamura, and Tsukimura, three veterans of the first team who will be unable to join the party, the Taiiku second squad will in all probabilities join the spring league of the Northern California Baseball Federation.

Showa Cagemen To Tackle Cathay Quintet Saturday

Sacramento Boys To Battle Showa's Reserve In Preliminary Game

San Francisco Showa Athletic Club's undefeated cagemen will try their luck with the Cathay basket ballers, just another fast Chinatown terror, on Saturday evening, February 12, at the Reformed Church court.

CATHAY TEAM IS FASTER THAN TUNG CHIH

The Cathay team is a much faster functioning unit than the Tung Chih aggregation, which the Showa boys defeated last Saturday.

Showa's team work is developing wonderfully at every turn and the coming game should prove a faster and a smoother working team than any game previously staged.

PRELIMINARY SAC'TO. VS. SHOWA

There is also a preliminary game between the Capital City loopsters and the Showa reserves. This game is predicted to be a "humdinger" as the Sacramento boys usually do not go out of town to be defeated. Of course there are exceptions to the rule and that is to be found out on Saturday.

The U. C. Students Club is picked as first choice in due consideration of their barnstorming tour which proved to be most successful.

The U. C. Students Club and Fresno Y. M. B. A. have met twice and have broken even in the matter of victories. However, the writer is of the opinion that if they should clash again, U. C. shall emerge the victor by a close margin. Therefore, Fresno Y. M. B. A., I shall rate below U. C.

SECOND GENERATION FAN GIVES RATING OF CALIF. JAPANESE BASKETBALL TEAMS

U.C. Five Is Given First Ranking; Fresno Quintet Is Close Second; Showa Club Is Considered "Dark Horse" of Calif. Cage Competition

(By Y. Kitsuda) As I am an ardent basketball fan I feel it my privilege to express my opinion in regard to the rating of the Japanese basketball teams in California.

My ratings of the various teams will be given on the basis of their showings up to the present date and their significant potentialities.

I would like to divide the teams into five divisions that will be significant of their distinctive classes:

GROUP I. 1. University of California (Japanese Student Club) 2. Fresno Y. M. B. A. 3. Showa Athletic Club (San Francisco) 4. Los Angeles Y. M. C. A.

GROUP II. 1. Blazing Arrows (Y. M. C. A. of San Francisco) 2. Stockton Y. M. B. A. 3. Nissei (Berkeley) 4. O. S. D. S. (Oakland)

GROUP III. 1. Watsonville Y. M. B. A. GROUP IV. 1. Penryn 2. Sacramento Wakabas 3. M. E. Church (San Francisco) 4. Oakland Y. M. B. A.

GROUP V. 1. San Jose 2. San Francisco Y. M. B. A. 3. Mountain View. I will now give my reasons for the various groupings.

The U. C. Students Club is picked as first choice in due consideration of their barnstorming tour which proved to be most successful. The U. C. Students Club and Fresno Y. M. B. A. have met twice and have broken even in the matter of victories. However, the writer is of the opinion that if they should clash again, U. C. shall emerge the victor by a close margin. Therefore, Fresno Y. M. B. A., I shall rate below U. C.

A Monkey in Missouri

A smiling monkey may change the whole course of State education. Proof: During the debate yesterday on anti-evolution bill in the Missouri House of Representatives a small monkey was brought into the upper gallery. The monkey scratched his head quizzically, and, according to the dispatch (whose authenticity we do not vouchsafe) smiled in a manner befitting a refined monkey. The bill was lost by 82 to 62 vote...
