RANDOM THOUGHTS By Yamadori

Waseda Nine Arrives

The young Japanese athletes of the Waseda University baseball nine, flushed with the last season's victory in the "big six" varsity league of Tokyo...

These college boys will probably realize that viewing America across four thousand miles of Pacific Ocean is quite a different thing from observing it first hand here.

But what these college visitors from Japan will see is a vast commonwealth, enjoying a prosperity that is unparalleled in all history.

But we would like our visitors from across the diminishing watery Pacific corridor not merely to see us strutting in our Sunday clothes but also come to know us as we truly are.

DOWNFALL OF CABINET IS RESULT OF CONFLICT WITH PRIVY COUNCIL

Seiyu-Kai and Seiyuhontō Parties Both Claim Right to Succeed Kensei-Kai Administration

Special to the Japanese American News TOKYO, April 18—The Wakatsuki Cabinet resigned yesterday, following the action of the Privy Council, which rejected the Government's proposal to give aid to the Bank of Taiwan...

The political situation is still unchanged since the downfall of Kensei-Kai administration, both Seiyu-Kai and Seiyuhontō parties claiming right to become the next government party.

Taiwan Bank Suspends Business for 3 Weeks

SPECIAL TO THE JAPANESE AMERICAN NEWS TOKYO, April 18—The Taiwan Bank and its branch offices suspended business today for a period of three weeks...

Kengaku-Dan Arrives in Osaka from Kyoto

TOKYO, April 18—The Nichi-Bei Third Kengaku-Dan arrived in Osaka from Kyoto yesterday. The party will stay in the city for one week.

ly to see us strutting in our Sunday clothes but also come to know us as we truly are. For, after all, knowing and understanding the humanity in one another rather than merely observing the style of their high-tops and swallow tails is the thing that counts in cementing friendship between individuals as well as between nations.

Berkeley M. E. Church Holds Easter Service

Recitations, Songs, and Plays Feature Good Program

On Sunday morning, April 17, the Berkeley Japanese M. E. Church held a splendid Easter service, starting at half-past nine.

Close to sixty Sunday school children took part in the following program: Recitations and songs by the "Beginner's" class, led by Mrs. Yoshida and Yusa.

Recitations by "Primary I," led by Miss Miki Ichio. A playlet by "Primary II" coached by Nobuo Tabata.

Recitations by "Primary III" led by George Negishi. Pantomime by "Junior Girls" led by Miss Agnes Stahl.

SPECIAL PICTURE IS TAKEN

After the service, green baskets filled with Easter eggs, were given out to the children and a "big" picture was taken in front of the church.

Modesto To Hold Picnic and Movie on April 24

A Japanese town picnic will be held in Modesto under the auspices of the Hatten-Kyokai of the city, on April 24. In the evening a movie will be held in the Modesto hall, under the sponsorship of the Stockton Buddhist Seinen-Kai.

ALAMEDA M. E. EPWORTH HOLDS SPLENDID EASTER SUN-RISE SERVICE, SUN.

Many Visitors from Berkeley Attend Service and Enjoy Breakfast

The Alameda Epworth accomplished what no other churches or similar organizations have ever done, when they successfully held the Easter Sun-Rise service in the chapel of the M. E. Church, Sunday, April 17.

About twenty visitors from Berkeley besides the regular members were present to observe the holy ceremony.

Musical selections were rendered by Mrs. Yamamoto, organ prelude; Milton Kitano, violin solos; and Yoneo Taniguchi, vocal solo.

BIBLICAL TABLEAUS ARE FEATURES

The first part of the program was for the most part occupied by scripture reading and an address, both of which were delivered by Kenzo Yoshida.

The tableaux performed by the talented members topped the second part of the program. In the first scene, entitled "The Stone Rolled Away," Shizuko Fujii acted the part of an angel, while both Georges Miki and Rokutani paced back and forth on the stage as sentries.

The most unusual prayer stunt was offered by Lily Tomson, with the help of Mary Nagai, Yoneo Taniguchi and Grace Kawachi, concluded the well executed program.

Berkeley Fellowship Hears Address by Dr. McCowan

Members Hear Interesting Address on "Victory In Defeat"

On Sunday evening, April 17, at the Dwight Way Christian Church, the Berkeley Fellowship heard a very interesting talk by Dr. McCowan of the Pacific School of Religion.

Norman Kobayashi was in charge of the meeting, and after two hymns had been sung he introduced the speaker.

Dr. McCowan spoke on the subject of "Victory In Defeat," and he cited many examples of "men who had faced the music and, yet, came out on top in the end."

He also related examples from personal experiences as a student worker in India, where he had found a Christian servant who had had defied the custom of collecting commission from his master, and, as a result, was so severely beaten by his ignorant brethren, that he died insane.

Every member of the Fellowship agreed that it was one of the best talks given this year and warmly congratulated Dr. McCowan.

The free "ham and egg" breakfast served after the ceremony was enjoyed by all the visitors and members in attendance.

The breakfasts were prepared through the kind help of the M. E. Ladies' Society.

OAKLAND BOY SCOUTS TAKE 'OVER-NITE HIKE' DURING EASTER WEEK

Ten Japanese Boys Visit Mill Valley, Muir Woods and Big Lagoon

Under the leadership of George Fujikawa and Hachiro Yuasa, ten Japanese Boy Scouts of Oakland took an "over-nite" hike to Marin county.

The boys left Oakland early Wednesday morning, April 13, and traveled to Mill Valley; over the ridge to Muir Woods, and then took a trail down Frank Valley to Big Lagoon.

BOYS FIND GOOD CAMP IN WOODS

On the way back from Big Lagoon, the boys found a picturesque spot in Muir Woods where they camped one night. The boys "pitched in" to make a "lean-to" shelter and a "wind cutter," besides building a big camp fire in the center.

The boys then "pulled off" a typical scout program, consisting of songs, stories, and stunts.

The next morning the boys made their return trip thru the national forest where they gazed in wonder and awe at the towering, giant redwoods, some of which were two to three hundred years old.

On their way back, George Nobori and Jimmy Miyaki spied snakes, and Ruzo Aoki captured a rare and beautiful specimen of the reptile family. Just before sun rise the boys started on the trail up Mount Tamalpais on the way down Hero Hirano gave a first-aid treatment to a suffering dog.

'KENGAKU-DAN CAROL' Nichi-Bei Young Tourists Compose Song

We have just received the new Nichi-Bei Kengaku-Dan carol, written while the party was on the ship La Plate Maru. The song should be sung to the tune of "Smilin' Through."

We have come from afar in our Kengaku-Dan, To the land of our dreams o'er the sea.

We've an aim very high We may reach by and by, If our hearts keep light, and thoughts are right, toward thee (Japan).

There is much we must learn of our beautiful Isle, All about your rich culture of yore, And the message we bring is that rare wondrous thing, Which is peace we adore, and goodwill evermore, toward thee.

Your cherry blooms fair and your gay rippling streams, Have taught us this land to revere; Lovely Fuji, so high Lifts our thoughts to the sky, As she smiles below from her realm of snow, with cheer.

As once more we return to our homes o'er the sea, We shall carry this little message from you Ancient culture so rare, Ne'er with greed can compare, If, with Bushido's best, we can meet every test and be true.

started on the trail up Mount Tamalpais on the way down Hero Hirano gave a first-aid treatment to a suffering dog. The success of this trip was due to the splendid co-operation of the two leaders and the members of Troop 63.

ALAMEDA NINE DROPS INITIAL LEAGUE GAME TO STOCKTON YAMATO

Alameda Athletes Last Period Attempt Nets One Run

The Alameda Taiiku-Kai dropped its first Japanese Conference baseball game to the invading Stockton Yamatos at their diamond Sunday afternoon, with a close score of 4-5.

Being Alamedans' initial conflict in the league game, the Bay region fans turned up in full color to support the Taiiku nine.

With the battery composed of Domoto, P; Kimura, C, for the Alamedans; Nishida, P; Ito, C, Stockton, the Yamato led off from the first inning by a single run. The Taiiku threatened in the third inning when Hue led off while the star bambino, Tambara, drove home the bacon with his timely hit; score 1-1.

Taiiku-Kai attempted to rally in the fourth and succeeded in gaining the lead by two runs. Nishi led off, followed by Hue's 2 base hit, driving home Nishi to score. Iwai hit to give Hue one base advance to third back. Pass ball at home plate scored Hue. Score, 3-1, Alameda leading.

Fifth inning featured five "pop" flies and ended with clean slate.

YAMATOS PILE UP 4 RUNS TO LEAD

Yamato piles up four runs in sixth, credited to hits, errors, and base-on-balls. Miyaniishi's single leads off; Mirikitani follows to first on error; Ito's single scores. Miyaniishi; Hotta walks to first full-base; Usui's bunt kills Mirikitani on third; Nishida wallops to deep right scoring Ito; Okino hits to home Hotta and Usui.

Seventh and eighth innings produced no commotion.

TAIKU-KAI SCORE RUN IN NINTH

In the last period of the struggle the Taiiku-Kai made its final attempt. Hue gains first on error and scores by series of outs and sacrifices. Ito makes last stand on plate, with a fly to right field, ending the game, 5-4 score in favor of Stockton.

He: Whose fraternity pin is that? She: Isn't it yours? He: Of course not. She: Oh heavens, I must have mixed them up again.—Dartmouth Jack o'Lantern.
