The Japanese American News THE LARGEST JAPANESE NEWSPAPER PUBLISHED OUTSIDE OF JAPAN...

RANDOM THOUGHTS By Yamadori

Leisure and Thought

A grizzled man of middle age, in rough overalls, basking in the afternoon sun before the city library, accosted me. His rough, reddish beard, massive jaw, and unkempt hair stamped him as a proletarian and I listened to his ideas on politics and the misbegotten world in general.

"The shameful domination of the money-grabbing capitalist must stop," he propounded to me with a gesture of an enthusiast. "British capitalists plunder India; American capitalists drag us into Nicaraguan politics. Everywhere it is the same—the capitalistic group stir up trouble and the common mass pay the consequences.

"Look at China!" he continued, his voice betraying indignation, and from his smoldering eyes peered out his primordial ancestors of a half a million years ago.

"England, France, Japan, the United States—all have guns pointed at China's throat. You can't talk peace while somebody's got his guns pointed at you. The people of China want to take the Manchu robbers out of control and rule themselves, but the foreign capitalists make China's chaotic condition an excuse to swing their capitalistic governments' big stick."

MOVEMENT TO ELECT SHIDEHARA HEAD OF NEW PARTY STARTED

Former Seiyuhonto Members Oppose Movement

TOKYO, May 9.—A faction of the former Kensei-Kai party is now sponsoring a movement to elect Baron Shidehara president of the new opposition party which was recently formed by the coalition of the Kensei-Kai, Seiyuhonto, and Shinsai Club. The movement is being opposed by former Seiyuhonto members.

BARON SHIDEHARA IS FORMER AMBASSADOR:

Baron K. Shidehara, former Foreign Minister in the Wakatsuki Cabinet, has been at one time Ambassador to America. His wife is the younger daughter of Baron Iwasaki, Japan's wealthiest man, whose elder daughter was the wife of the late Premier Kato.

be, and question common practices and exchange their reaction on them to their fellows, we are beginning to get somewhere. Whatever may be the faults of our modern civilization, we must be thankful that it has given even to the common people leisure to think. The work-and-sleep existence of the Dark Ages with the mass of people laboring like dumb animals introduced no great intellectual contribution, but the machine age of today, with all its faults, will carry us to dazzling heights of progress unparalleled in all history chiefly because it has given us that priceless asset, leisure to think.

Prominent Diet Members Join Ranks of Seiyukai

Seiyukai Diet Members Now Total 173

Special to the Japanese American News

TOKYO, May 9.—Motsugu Kahara and four other members of the Diet, who had bolted from the Seiyuhonto party in protest against its amalgamation with the Kensei-Kai and the Shinsai Club to form a new opposition party, have entered into the ranks of the Seiyukai (Government) party.

Hajime Motoda and one other Diet member who had likewise withdrawn from the Seiyuhonto have also accepted the invitation to join the Seiyukai. With these additions the membership of the Seiyukai in the Diet now totals 173 members, and this number is expected to be augmented still further until by the latter part of this year it is expected to nearly equal the Shinsai (new opposition party) membership in the Lower House of the Diet when that body convenes for its regular session in December.

One Hundred People Enjoy Dance in S. F. on Friday

Golden Gate Band Furnishes Music for Party at Ogawa Hotel

Mrs. Ito and Mrs. Takahashi acted as hostesses at a delightful dance party held at the Ogawa Hotel, San Francisco, last Friday night. About one hundred people danced to the tune of the Golden Gate band until way into the deep of the night.

DR. DAVIS DELIVERS MOTHER DAY SERMON AT ALAMEDA CHURCH

Young People Take Part in Service to Honor Mothers

On Sunday evening, May 8, the Alameda M. E. Church observed the Nation-wide Mother's day, in the chapel of the M. E. Church, starting at 8 p. m. The singing of a hymn in Japanese by the entire congregation officially opened the evening's program. The scripture reading, both in English and in Japanese, was then read by Kenzo Yoshida and Josephine Yamamoto, respectively. Grace Kawachi next delivered her conception of mother. The combined classes of A and B, under the direction of Mrs. Fujii, cleverly sang the Mother's day song, and their efforts were heartily applauded by all the mothers in attendance. A piano solo was rendered by a talented member of the Epworth League, Vira Tanaka. The class conducted by Shizuko Fujii next sang a beautiful song. Immediately following this, Mary Nagai rendered a recitation entitled "Mother." A vocal solo was offered by Lily Minami; Josephine Yamamoto, accompanist.

MR. MIKI DELIVERS IMPRESSIVE ADDRESS: Dr. Davis, superintendent of the East Bay Methodist Church, and Mr. Miki, superintendent of the Alameda Japanese M. E. Church, both gave impressive speeches on the subject of mother. In concluding the program, the entire congregation sang another hymn in Japanese. Mr. S. Fujii was the chairman for the evening.

Stockton Yamato Meets Defeat at San Jose, 2-3

San Jose Asahi Noses Out Undefeated Yamatos in Fast Game

The San Jose baseballers upset all dope when they tackled the Stockton Yamato nine at their home ground, Sunday, and outdistanced them with a close score of 3 to 2. Yamato boys are credited with the only defeat of the season, which places them on the same level with the Alameda Taiiku-Kai team. Yamato's defeat will add real interest to the league games.

The fireworks took place in the first three innings and then completely ceased to score thereafter. Nishida and Ito composed the Stockton battery, while Asakura and Higashi twirled and received for the winners.

Stockton 0 0 2 0 0 0 0 0 San Jose 0 2 1 0 0 0 0 0 Stockton: runs, 2; hits, 3. San Jose: runs, 3; hits, 10.

Japanese Flyweight Champ To Meet "Filipino Flash"

Q. Kimura To Battle With Tommy Palacio on Tuesday Night

On Tuesday night, May 10, at the San Francisco Monarch arena, Q. Kimura, flyweight champion of Japan, will meet Tommy Palacio, who wears the flyweight crown of the Philippines. This match will be a six-round go and the Filipino flash will have his hands full when Q. Kimura enters the squared circle.

S. F. SHOWA CLUB HOLDS WEENIE ROAST AT CHINA BEACH TO END SEASON

Coach Harry Kita Is Awarded Gift as Proficient Mentor

Friday, May 6, will be just another one of those sweet memories added to the ever active members of the S. F. Showa Athletic Club. The outstanding event which took place on that foggy night at the China beach will be one worth recalling no matter where the boys may roam. With that real undying spirit of the Showa Club the weenie roast was a complete success, although the day seemed to forecast rain.

"TAD" NANBU IS FIRST ON SCENE:

The first one to "inhabit" the beach was none other than our good old friend, "Tad" Nanbu, whom we watched from far above the deep brink with keen interest. It was he who was feverishly coaching the fire to get going. With shrills and whoops the Showa boys raced down the hills toward the comfortable looking fireplace with a spoon and a cup in their hands. It was easy to note how hard "Tad" had been at it, for his face, although in a happy smile, was all soot.

The gang wasted no time in gathering enough firewood to last throughout the entire evening. The air was soon filled with that appetizing scent from the sizzling weenies under the careful eyes of the evening's chef, Dave Yamakawa. In the meantime, steaming hot "java" of that famous "M. J. B." was being generously served with plenty of attachments. Crispy

McClymonds Japanese Boy Pitches Wonder Game

Nobori Ide Holds Roosevelt in "No-Run, No-Hit" Contest

On Friday May 6, McClymonds High School baseball team met the Roosevelt nine in an O. A. L. (Oakland Athletic League) game, and Nobori Ide was called upon to do the twirling for the McClymonds "Warriors."

The fans were treated to a "thrill-of-a-life-time" as Nobori held the Roosevelt hitters to "no run, no hit, no bases on balls," while his team-mates were collecting two runs off the Roosevelt "chucker" to win the game for Nobori, 2 to 0.

MANY RACES ARE FEATURES:

buns of the finest quality were taken a la primitive method, spicy pickles that make a fellow shrink around his jaw, plus hot mustard made it just right for the famished muchachos. For a few moments no one uttered a sound, only the busy munching and music de la cafe was heard. Soda waters were plentiful, and marshmallows and mints helped to put on a finishing touch.

PRESIDENT BO UYEDA MAKES PRESENTATION:

With the "food tanks" filled to their capacity the next event was real good music by the famous live artists, Bee Uyeda and Shingling Omoto, who played several popular selections in which all joined in heartily. Bo Uyeda, president of the Showa Athletic Club, presented Mr. Harry Kita with a handsome watch chain and an equally handsome pen knife. The president thanked Mr. Kita in behalf of the club for his excellent achievements in coaching of both their football and basketball teams. Mr. Kita thanked the club members for the wonderful gifts and expressed his thanks for the good co-operation shown him during his short stay with the club. Following this a football squad was organized in which everybody participated. Relays, both long and short, were run as a final "gun," after which the president announced that no further activities would be held until after summer, when there will be an elaborate entertainment. With a final yell for the Showa Athletic Club, the gang groped up the dark hill through vines and bushes, to conclude the night of nights, and a night which is hard to forget.

BERKELEY JAPANESE HOLD GREAT OUTDOOR PICNIC ON THE ALBANY HILLSIDE

Sailors from "Ondo" Feature in "Gekken" and "Sumo"

"O-men, odo, yokote—sah-kita, yoisho—shobu-nashi!" These excited outcries shattered the peaceful calm of the Albany Hillside on Sunday, May 8, at the Berkeley Japanese "dai-undo-ka."

The hillside was dotted with Dodges and Lizzies with their overloaded families of innumerable "hens" who clustered together in chattering groups to enjoy their "osushis," and "nigiri-meshis." The thirsty kodomos swarmed like lively bees around the free soda tent.

MANY RACES ARE FEATURES:

After the bento had been downed, the interested fujins and seimens flocked to the ropes that set off an improvised race track to watch the kyo-soha.

HOSHI-NO-HANA AND NISSEI WIN:

More than half dozen teams took part in the boy's silver-cup relay, which was annexed by the speedy Nissei quartette. The girls' silver-cup relay was copied by the Hoshi-no-Hana bloomers. A fukubiki was held for women only and many valuable "Woolworth" prizes were given away.

The afternoon ended up with two mobs cheering and razzing the sailors of the older "Ondo" who waded through their opponents with comparative ease in the gekken and sumo matches. The sun went down on a group of men busily picking up soda bottles and scraps for the bonfire, and quiet descended once more on the hillside as the stars gleamed down on cold ashes and lost echoes of care-free voices.
