The Japanese American News THE LARGEST JAPANESE NEWSPAPER PUBLISHED OUTSIDE OF JAPAN...

THE TARGET OF THE ARROWS (By Oh Tee)

HEMLOCK ARROWS

This is a pathetic little story of a little girl - not a gorgeous beauty, but a lovable type of a frank little Japanese girl...

I say lovable for I cannot find another word that so befits her amorous character. Beauty alone cannot suffice the human faculty for love...

Kiku's parents were simple and guileless, hospitable and generous to all the daughter's friends.

In the meantime, Kiku being an extraordinary good mixer and a good sport, began attracting many boy friends...

But alas, all was not a path of roses for poor little Kiku. Even the prettiest of roses have their thorns...

But what happened to poor little Kiku? I am afraid that in my frantic digression from the real theme of the story...

More harmful than all the plagues that ever visited the human race, are those individuals who feel themselves called upon to tell, regardless of truth, circumstance, or ultimate consequence...

Is it the puritanic type of girls that hurl these toxic lies? Nay! Those girls whose licentious indulgences are carried under the cleverly beslobbered eyes of their parents and friends...

But what happened to poor little Kiku? I am afraid that in my frantic digression from the real theme of the story...

More harmful than all the plagues that ever visited the human race, are those individuals who feel themselves called upon to tell, regardless of truth, circumstance, or ultimate consequence...

'PROTO' NEW S. F. CLUB NAME UNDER BUDDHISTS; OFFICERS ARE ELECTED

Sport, Social and Religion To Be Field of Activity

"Proto," two prefixes taken from progress and together, were welded into one to form the name of the newly organized San Francisco Buddhist Club.

After a heated discussion before the board of trustees, an election of officers was held with the following results:

President—Okiki Taniwaki Vice President—George Hagiwara Secretary—James Hashimoto Treasurer—Itatani Religion—Yoshinaga Social—James Nii Athletic—Matsui Yell Leader—Enomoto

The formation of the Proto Club in the Y. M. B. A. department marks the first radical progress of the organization.

Already the athletic department, under the leadership of Matsui, is now developing a strong baseball team.

ENOMOTO IS SNAPPY LEADER: Yell leader Enomoto demonstrated his agility of leading a peppy yell. He will be seen in action quite often, and it is remarkable how the members respond to the concise movements of their leader.

DR. SWIFT TOUCHES ON DANCING IN LECTURE BEFORE S. F. MOTHERS

Two Hundred Fifty Mothers Attend Meeting at Kinnon Gakuen

The lecture on social hygiene, delivered by Dr. Swift to the Japanese mothers of San Francisco at the Kinnon Gakuen social hall, was attended by about 250 people who were impressed by Dr. Swift's thoroughness and sincerity in dealing with the delicate problem.

The lecture meeting was presided over by Mr. Suzuki, principal of the Kinnon Gakuen, and Mr. Yoshioka interpreted Dr. Swift's lecture in Japanese.

With utmost tact, Dr. Swift dealt upon the subject of need of sex education for young people, the dangers resulting from ignorance, and the proper method of disseminating knowledge by the mothers.

DR. SWIFT GIVES SEVERAL GOOD POINTS:

On the subject of dancing, she said in part: "There is no need of allowing young people to dance too early in their years; it is better that they do not do so, for if they learn to dance too early they will lose interest in dancing altogether."

"Mothers should particularly pay attention to their daughters of 16 or 17 years, who should be restricted in their dancing to home parties."

"Daughters of 15 or 16 should not be allowed to be too familiar with boys. The girls of that age are wont to be lenient in their behavior in order to win popularity with the boys, which

OAKLAND JAPANESE BOY WINS FOURTH GAME FOR McCLYMONDS HI SCHOOL

Nobori Ide Holds University Nine To 4 Hits and 2 Runs

On Friday, May 20, McClymonds High School played its last O. A. L. (Oakland Athletic League) game with University High.

NOBORI IS PITCHING ACE:

Nobori Ide, the pitching ace of McClymonds, was called by his coach, "Doc" Hess, to twirl for the McClymonds "Warriors" against the University "Comanches," and Nobori sure made good.

He made the University batters look sick at the plate, while his team mates killed the "Comanches" whenever they tried to pilfer the sawdust bags.

As a result, only four red men were able to connect with Nobori's pills, and two crossed the home platter, while the "Warriors" went wild and hammered Burke, the University tosser, to all corners of the lot for a total of twelve hits and thirteen runs, with the final score 13 for McClymonds and University 2.

Although McClymonds did not win the O. A. L. pennant, his school was able to clinch second place due to Nobori's pitching, which won four tilts for his alma mater. Now, will he get his letter? Oh, no—they'd give him a golden baseball and a bat!

"How do you manage to get through college so cheaply?" "By keeping the running expenses down to a walk."

—Rutgers Chanticleer.
