### RANDOM THOUGHTS By Yamadori

#### The O.S.D. Debate

Three Japanese girls—three able guardians of public morality—of the Oakland Sons and Daughters Club raised a challenging warhoop in a club debate the other day, when they roundly cudgeled the abominably wicked and unspeakably degenerated movies. The boys, on the other hand, defended the cinema with no less vigour. They showed—or attempted to show (I am not sure on this point)—how immaculately innocent and amazingly educational is the motion-picture. After the din of the battle was over and the defiant members of the Battalion of Death shook hands with their male antagonists, one was still left with the question: Which side was right?

Of course, the girls were right. The modern movie is a demoralizing factor. It is an eighth century monstrosity tricked up in twenty-first century mechanism. Its distortion of life, its lurid sex plays, its moronic slapstick and bufoonery disgraces this age of enlightenment. A be-whiskered and wild-eyed homo-Neanderthalensis of Hollywood pounds the head of a frozen-faced simpleton, and the world calls it an example of insanity. Transfer the same scene on the screen, and it is called "cinema art," to be enjoyed by respectable devotees!

And the wild and woolly West pictures are products of stunted brains. The hero, who never misses a shot with his shining six-shooters, who never gets killed, through thick and thin of many battles, who invariably knocks the villainous "bozo" with his fist a la caveman (though cavemen cannot be imputed of wearing immaculate khaki and shiny puttees that are never soiled no matter how many times the wearer tussles through dirt and dust), that hero who unflinchingly embraces the heroine in the final scene and who has never yet failed in his business

#### YAMAMOTO THREATENS TO RESIGN AS HE FAILS TO GET FINANCE POST

Minister of Agriculture Is Ired As Rival Obtains Ministry of Finance

Special to the Japanese American News

TOKYO, June 3.—Minister of Agriculture Teijiro Yamamoto, who had expected to be promoted to the ministry of finance on resignation of Korekyo Takahashi, became angry when C. Mitsuishi was chosen instead, for the finance portfolio, but was prevailed upon by his cabinet colleagues to withdraw his threat of resigning for the cabinet.

The constitution was read, discussed and approved, but due to insufficient attendance and late hour, the election of officers was postponed until later date.

Lengthy discussion on the subject of chaperon was brought up but was discarded as unnecessary.

The Loyalty Leaguers are eager to welcome any outsiders to their regular meetings.

#### Consul-General Take-tomi Receives Promotion

TOKYO, June 3.—Consul-General Toshihiko Take-tomi of San Francisco and H. Saito of New York, who are both in Japan on leave of absence, were promoted from the third class to the second class of kotokan in the foreign office.

#### Apple Giants To Play Gilroy Nine, Sunday

The Watsonville Apple Giants will clash with the Gilroy All-stars at the local diamond, Sunday, at 2:30 p. m. The game promises promise of being interesting and exciting.

But, of course, the boy beaters are right too. For nowhere in the world, ever since the shambling and hairy creature of a score thousand years ago first began to draw grotesque pictures on the walls of caves, has there been a more beautifully realistic pictorial art than the cinema. And what of the drama of the movies? Who can forget the stupendous conflict of "The Four Horsemen," the beautiful pathos of "The White Sister," the grim realism of "The Big Parade," the sweeping epic of "Winning of Barbara Worth," and the human appeal of "The Dark Angel," "Scaramouche," "Hunchback of Notre Dame," "Merry-go-Round," "He Who Gets Slapped," and many others?

And how many lives of worn toilers have had their weary existence made more bearable by illusion and romance of the movies? For greater multitudes nightly attend the movies than any other type of entertainment.

Showa Fire Transfers A.L.L. Meet to Santa Rosa Gakuen

Due to the recent destruction of the Showa Gakuen of Petaluma by the recent fire, resulted in the transfer of the second meeting of American Loyalty League of Sonoma County to Santa Rose Gakuen, on May 28.

The sudden change of the meeting place put many members in an inconvenient position, decreasing attendance.

The constitution was read, discussed and approved, but due to insufficient attendance and late hour, the election of officers was postponed until later date.

Lengthy discussion on the subject of chaperon was brought up but was discarded as unnecessary.

The Loyalty Leaguers are eager to welcome any outsiders to their regular meetings.

Fifty Young People Take Part in Picnic at Friant

The water was icy cold, but the "kids" went into the water just the same. Who did? Why the people who went to the picnic held by the Fresno Christian Endeavor Society at Friant on Sunday, May 29.

Half a dozen packed cars took almost fifty young folks to the appointed picnic grounds where they played ball, romped around in the water, or stretched lazily out on the soft, clean sands near the river. Then they ate their lunches.

Later, under the expert guidance of Miss Fumiko Kawai and Miss Etsu Kawata, several minor chefs helped peel the potatoes and remove the shells of the hard-boiled eggs to make a saiad. In this case too many cooks didn't spoil the soup, or salad, rather, for the net result tasted fine to the hungry boys and girls. Mitsuo Yabu tended the fire which boiled the tea, and another fire on top of which sized fat wenches waiting to be janned between fresh buns and crunched by eager mouths. There were too many eager mouths, and after the hot dogs ran out, they attacked the "snails."

Around 6 o'clock the young people burned much of the trash which had accumulated, and all departed for home.

#### ALAMEDA EPWORTH HOLD LIVELY ELECTION BEFORE CAPACITY ATTENDANCE

Shizuto Kawamura Is Elected President by Close Vote

In one of the most spectacular and closely contested elections ever recorded in the history of the Alameda Epworth League, Shizuto Kawamura, former treasurer and head of the recreation department, emerged victorious over James Hanamura for the presidency, Sunday forenoon, May 29, in the reception parlor of the M. E. Church. The choice of Shizuto Kawamura was not decided until the last few votes were cast and read.

Yoneo Taniguchi, former president and holder of many offices, was chosen first vice-president over Josephine Yamamoto in another closely contested election. The office of vice-president was created by the councilors of the previous administration, composed of Yoneo Taniguchi, James Hanamura, Lily Minami, Shizuto Kawamura, Josephine Yamamoto and Haruo Inura, at the last council meeting, and which, when submitted to the entire members was heartily approved by them. The selection of the secretary and the treasurer proved to be quiet and gentle, for Haruo Inura and James Hanamura were unanimously elected to their respective offices.

President—Shizuto Kawamura

Vice-President—Yoneo Taniguchi

Secretary—Haruo Inura

Treasurer—James Hanamura

As his first duty, President Kawamura proceeded to make good the use of the power of appointment, vested in the hands of the president, by appointing the following heads of various departments:

#### Waseda Nine Loses to Chicago Varsity, 5-8

The Waseda baseball players, champions of the Tokyo varsity league last season, is now touring America for a series of games with teams here. On last Wednesday the Waseda boys met the University of Chicago, but the Nippone lost the game by the score of 5 to 8. Big hits and lack of errors on the part of the Chicagoans were the chief causes of the defeat. The spectators witnessed three home runs in this game.
