Japanese American News THE LARGEST JAPANESE NEWSPAPER PUBLISHED OUTSIDE OF JAPAN...

RANDOM THOUGHTS By Yamadori

Public and the Fight

Jack Dempsey has just started his training to fight Gene Tunney next month. And the American people will pay more to each of these two fighters for their half-an-hour's scuffling and a few months of training than is paid to their President for a year's service in carrying on the destinies of the Nation...

All this will appear distressing to caustic commentators. They will sagely shake their heads at the folly of mankind that devours the details of the fight in the papers and sets aside the more momentous news of the world...

But what are the qualities that attract the public to this fight? It is not merely the physical cudgelling of a man by another: It is the sense of conflict for supremacy, the opposition of two powerful antagonists, that holds the man in the street...

Six prominent speakers are on the program. They include, Ny Poon Chew, Syud Hussein, Chester H. Rowell, Rabbi Louis I. Newman, Robert Newton Lynch, and Arthur Upham Pope (presiding). They will all deal on the subject of "The Relations of America with the Orient."

BUDDHIST GIRLS CONVENE AT SAN JOSE; ELECTS HEAD

Watsonville, Palo Alto, San Jose, and Salinas Represented

SAN JOSE—The Coast District Y.W.B.A., a federation of young Buddhists girls of Palo Alto, San Jose, Watsonville, and Salinas, held a convention at the San Jose Buddhist Church on Sunday, August 21. The meeting was called to order by the president, Miss Elsie Inouye of San Jose, and some twenty members responded to the roll call. Subsequently, attention was turned to business, which, briefly stated, covered the following items: Report from the treasurer, discussion on pin design, dues, and adoption of the North American Federation Y.W.B.A. League uniforms of white with purple ties.

PERSONAL

GUADALUPE—Kimiko Ito and Kenkichi Utsunomiya (graduates of Santa Maria High) and Chushi Ito and Wakaru Suto (graduates of Junior High) were feted at a reception given by the Guadalupe Mother's Association recently. Both Wakaru and Chushi entered the Santa Maria High last Monday.

Scrub Years (By I. E.)

As a parting reminder, Miss Wicely told them not to forget to bring the tools of their trade (as she called pens and pencils). When she finished, the bell rang, (the periods were to be only ten minutes for that day) and they filed out again.

"Now, for English—in '215'." Chikao blew into a half-closed fist.

"That's the other end," Erivan added.

This time, they took their "time," as it were, and proceeded leisurely down the corridor. A minute later they were inside "215". They debated on the most "impregnable" position for seats and selected a corner. Slips—names—programs—it was all a rignarole now. "Daniel Rex" was the teacher's enflourished scrawl. He seemed to be about fifty-five, wore a green eye-shade under which was a dried-apple face and was fiercely inquiring eyes and a Kiplingesque mustache.

Blowing his nose once with a blue-bordered handkerchief, he leaned back against the black-board and with a queer, screwed-up smile, exclaimed in a rather high-pitched voice:

"How do you do, everybody? I feel fine and fit because I'm always handling ivory dumbbells and I know this class won't disappoint me. Sometimes though, I wonder how much longer I'll be able to keep it up. But here I am—still hale and hearty—and with a devil of temper. That's enough warning for you, so be prepared for the worst!"

"Amen!" Some one concluded solemnly.

The class roared with laughter. It was incredibly funny when one looked at him and heard him talk. In fact, Erivan remarked: "Looks like grand foolery to me."

And Chikao: "Thank God for a teacher like that!"

(To be continued)

FIVE YOUNG MEN WILL SPEAK BEFORE OAKLAND Y. M. W. B. A. MEETING

Shigeto Otsuka To Act as Chairman at Meeting This Evening

OAKLAND—Five young orators of the Y.M.W.B.A. of this city will deliver their speeches tonight (Thursday) at the regular meeting of the Club. This Buddhist young people's organization has been conducting literary and forensic activities, and it is one of the most helpful clubs of Oakland.

Attend U.C. Friday Noon 'Feedarium'

BERKELEY—Food, fun, and fellowship are the essentials of a well-rounded square meal. This semester the Friday "luncheons" at U. C. aim to serve these in large digestible chunks. The "dog biscuits" will consist primarily of good old fat and much tempo to chew this inextinguishable substance. Come along, and chew like mad. The college student must learn to use every tool to proper advantage. Here's just the place to get the "low-down" on those "pipes"—maybe how to borrow that textbook. Why spend those dimes on the "Pickle" and the "Razberry" when you can hear the "latest" every Friday? Twenty cents will ring up a "choc-malt".

To the gourmand, Friday noon will mean "Utopia". Stiff formality, "en-ryo" table manners, boo! Brothers, partners, be yourself and eat to full capacity.

Men, women, and "frosh", get that! Friday Noon Luncheon!

Irvington Samsons To Tackle Mountain

Members of Athletic Club Enjoy Pugnacious Sports

IRVINGTON—Every Friday night, the meeting of the Irvington Athletic Club is enlivened by knock-out boxing bouts, and "cut-up" a la rough and tumble. Nose bleed, black eyes, and busted teeth are just some of the extras of the evening's program.

At one of the more peaceful meetings held recently, popular son of Irvington, Nori Nagai, received a gentle blow on his forehead which made useless one of his "ivories".

The less hardy members take to ping pong, but the results are about the same in both cases.

The latest news from the "back-wood scorpions" has it they will tackle the Santa Cruz Mountain this Saturday. The members are even ready to move the mountain—so bring your own shovel.

U.C. Students To Welcome Freshmen

BERKELEY—The Japanese Students' Club of the University of California will sponsor a welcome reception next Saturday night in honor of the nineteen incoming Japanese students of the University.

The formal reception will be conducted by Ken Ino. The welcome will be delivered by the Club representative, Takeshi Yatabe, Dr. Hayashi of the U. C. Japanese Alumni will also speak.

As usual, the clever sophomore students will present a stunt, which will be followed by social dancing. The reception will start from 7:30.

Girl Goes for Errand but Fails to Return

SELMA—The mysterious disappearance of a prominent member of the younger set here, Miss Tomiko Shimizu, has aroused the anxiety of the Japanese people of this district. The girl, who is seventeen, left her home on an errand about six o'clock, Saturday evening, and did not return though her parents waited for her throughout the night.

A search has been made around this vicinity, but she has not been found as yet.

A reward of 100 dollars has been offered to anyone who discovers her whereabouts and reports it to either Mr. Okazaki or Mr. Kitatani of Selma. Miss Shimizu is four feet eight inches tall and weighs 105 pounds. She possesses a rather round feature, with long black hair. She has a cheerful and gracious temperament. She was a secretary of the Selma Visakha Club.

Chronic Hard Luck Holds Alameda Star

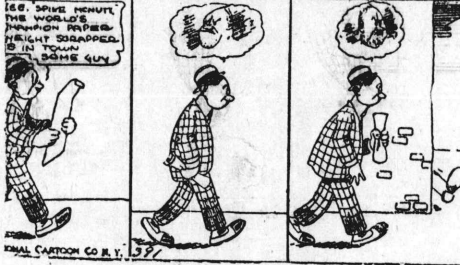

Mr. "Kaz" Ito, star center-patch patrolman of the Alameda Taiiku-Kai, certainly takes the brass medal when it comes to "hard luck".

Besides having his chronic wrenched knee from ballplaying, he recently had his appendix deleted. Yesterday, he had his tonsils taken out at the U. C. Hospital.
