Since the big earthquake of 1923, there occurred in Tokyo more than 3,500 tremors of varying size.

PIONEER CLUB OF S. F. JAPANESE 'Y' APPROVES DEGREE MERIT SYSTEM

Acting Chief Ranger Baba Opens Meeting Saturday

The first meeting of the Blazing Arrow Pioneer Club of the San Francisco Japanese Y.M.C.A. was called to order with acting Chief Ranger George Baba in the chair due to the absence of Chief Ranger Mitsuo Saito and Deputy Ranger Shizuo Okamoto, promptly at 10:15 a.m., Saturday, August 28, in the Boy's Room.

The ritual of opening ceremony, which is a part of the Devotional section of the "fourfold" program, was the first step in the order of the meeting.

DEGREE SYSTEM RECEIVES FAVOR

During the business part of the meeting, the following items were taken into consideration: the degree system of merits, and the assigning of the thirty minutes program to the assistant leaders of the Pioneer Club.

The degree system of awards was explained and the first test read. The members attending voiced favorably in this new project.

Three degree tests will be given, and the tests will cover closely the fourfold program.

The thirty minutes program was handled by the assistant leaders during which time a general discussion held sway. The group then met as one at the end of the thirty minutes, and a report from each group was given by the speaker representing his group.

The meeting was then adjourned for the physical part of the day's program.

Scrub Years

(By I. E.)

"That's funny," Erivan pointed to a picture in the magazine section of the Examiner. "Man—Million Years Hence," read Chikao and scratched the back of his head. "How come they know so much about the future?"

Out of the corner of his right eye, he saw an old man with his cane pressing heavily against the floor, rise from his seat. "Quick—grab that Chronicle seat," he prodded Erivan.

And for the next half-hour, the two were silently preoccupied, exchanging after fifteen minutes, a procedure somewhat scandalous in view of a placard which stated that no one could hold a seat for more than ten minutes owing to public demand. "Dunce."

Chikao was not really finished, but he had been uneasily aware of an old lady waiting for him to vacate. With a magnanimous air, he rose from his seat and "let her have it." Then he nudged Erivan and they went upstairs. "Lotsa books—huh!" "Yah—you read all?" "Course not. Think I'm a book-worm?" "I don't know."

Chikao had just received a borrower's card and he intended to use it. He noticed Erivan gazing somewhat longingly at the "Call of the Wild."

"Wanna read that?" He asked brusquely. "M-m."

He brought it up to the librarian's desk and had it stamped. That volume was then shoved into a pair of tanned, eager hands with a curt comment: "Two weeks, bozo. And if yuh don't finish it in that time—why, I'll renew it for yuh."

"Thanks."

ALAMEDA—Having defeated the Hawaiians in nine games out of ten played, the triumphant Fresno Athletic Club boys are scheduled to arrive in San Francisco on September 5.

On the following day (Tuesday), they will probably engage in contest with the local Taikui team at the local diamond.

Couple United at Loomis M.E. Church

LOOMIS—The union of Miss Shizuko Sugawara and Mr. Akira Kamitani of Watsonville was beautifully solemnized last Thursday night from eight o'clock by Rev. Mr. Yoshioka at the M.E. Church of this city.

Miss Ayako Makabe acted as maid of honor, while Mr. Kamezato Inouye acted as the best man for the bridegroom. After the ceremony, the M.E. Church girls sang a song appropriate to the occasion.

The reception was likewise presided over by Rev. Mr. Yoshioka. Mr. Shinzo Makabe extended congratulations to the newly-wed couple in behalf of the friends, while Mr. Choichi Nitta spoke in behalf of the M.E. Church. Other speakers were Messrs. G. Funabashi and K. Inouye.

SIBERIA MARU LEAVES S. F. PORT FOR JAPAN WITH CAPACITY CARGO

Kengaku Boys, Wrestlers, Mms. Sugimoto Are Passengers

The N.Y.K. pier of this port was crowded with people who had come to wish their friends "bon voyage", Tuesday noon, when the Siberia Maru set sail for Japan via Honolulu with a capacity cargo of freight and passengers, the latter including the Japanese student kengaku dan, the college wrestlers, and several distinguished men and women.

Among the noteworthy passengers on board the ship was Madame Etsu Sugimoto, instructor of Japanese language, history, and culture at Columbia University. She is the author of that very interesting book "A Daughter of the Samurai", which gives a vivid account of the life of women of Japan.

Madame Sugimoto, who first came to the United States twenty-nine years ago, is embarking for her native country on her ninth voyage. She was accompanied by her daughter Chiyono and two American friends, Miss Florence M. Wilson and Mrs. J. N. Mills.

Among the other passengers include Mr. Chuji Yamanaka, who wielded a powerful pen as managing editor of the Japanese American News for fifteen years, and his wife, Mrs. Yamanaka, who has been one of the most influential workers of the Japanese Y.W.C.A. of this city.

Both the first and second group of Mr. Kaju Nakamura's kengaku dan, as well as the nine stalwart college wrestlers from Japan, were some of the interesting figures on board the ship. It is declared that the present trip represents one of Siberia Maru's heaviest cargoes ever transported.

S. F. School Notes

The beginners' class in English for foreign mothers was scheduled to have started last Monday, but the date has been postponed to Thursday afternoon, 1:30 o'clock. The class will be conducted at the Golden Gate Grammar School on Golden Gate avenue near Stiner. Japanese mothers are especially urged to take advantage of this offer. No tuition will be charged.

Miss Sumi Miho, a popular second-generation, girl will lead the Japanese mothers and act as an interpreter for them.
