Scrub Years (By I. E.)

There was a cold gleam of irritation in the eyes of Mr. Eurgoras as he admonished Chikao: "Say, young man—haven't you studied your lesson for today? That will never do. Nothing but real hard work will bring you thru this course. Understand?"

ACADEMIC ALLEGORIES

"Those who fail to heed the warning, O list to this tale of 'late in the morning.' Many a good intention leads but to detention; and the wise to 'hooky' may be the fool to stay after school—to enjoy the books, or loving hard looks of the advisor—and come out so much wiser.

The bell rang for sixth period and lunch. As Tsuki rose from her seat, Chikao stopped her and said somewhat contritely: "I'm sorry for what I did a little while ago."

"And I'm sorry for you too, Chikao—for the way in which the teacher bawled you out."

Her unexpected ironical sympathy aroused his ire. "Aw, go chare yourself. It's none of your business to be sorry about me."

"Why, Chikao—don't lose your temper about it," she countered sweetly and walked away. He whistled and then turned to go in the opposite direction out of the academic building.

"Well, I guess I'll buy a box lunch," he thought and ambled to a stand on a corner of a vacant lot.

THIRD NET TOURNAY AT GOLDEN GATE PK. SCHEDULED FOR 25TH

Entries Now Being Filed For Junior and Senior Classes

In conjunction with the Third Northern California Japanese Tennis Senior Singles Championship for 1927, the Second Junior Singles Championship will be held at the Golden Gate Park Courts on Sunday, September 25, under the auspices of the Japanese Tennis Club of San Francisco.

All juniors under the required age of 18 will be eligible for both Senior and Junior Tourneys, and as the rising second-generation is noted for its athletic abilities, a large turnout, even surpassing that of the First Tournament, is expected. The Three-Year win silver trophy donated by Mr. U. Kojima, former manager of the Yokohama Specie Bank of this city, will be presented to the winner for one year, together with a replica trophy to the runner-up, Stanley Wilus Cup, donated by Mr. Stanley Wilus, a local sportsman, will be presented. This year the competition will be very keen and as Nakano, last year's winner, is unable to defend his title due to his stay in Hawaii at the present time. A new junior champion will, therefore, be crowned.

ENTRANTS URGED TO REGISTER

As the entries are already pouring in, all those wishing to participate in the tournament are requested to send in the entry by not later than Wednesday, September 21, 8 p.m., to Secretary H. Y. Kitsuada, at 2070 Pine street, San Francisco, specifying whether he wants to enter the Junior or the Senior Tournament, or both.

WASEDA CAGE SQUAD TO CONDUCT BARNSTORMING TOUR HERE IN DECEMBER

Japanese To Play U. C. on Their Way To East

BERKELEY—University of Waseda basketball team, considered the strongest aggregation in Japan, will conduct a barnstorming tour of the United States which will include a series of games with the University of California quintet, according to an announcement by William W. Monahan, graduate manager of California. The fast Nipponese are scheduled to meet the local varsity about the middle of December and they will continue eastward for additional games, returning to San Francisco for the return trip after two or three months, competing with strong cage squads of the Coast, Middle West, and East.

WASEDA QUINTET IS COACHED BY AMERICAN

The Waseda squad is being coached by F. H. Brown, whose notification of the contemplated trip to the California manager includes this comment: "Our idea in coming to America is not to teach, but to be taught and therefore, to improve the standard of the cage game in the Far East."

COMPARISONS OF PLAYING SHOWN

A local American paper here comments as follows: "The Japanese, the Waseda coach says, play a brand of basketball that is of necessity somewhat different from that played in this country. The Japanese are small and depend in the main upon their catlike swiftness. A Japanese when dribbling is but three or four feet from the floor.

AMERICAN TO HAVE ADVANTAGE OF HEIGHT

"It will be a strange sight to see a Waseda center jumping against Vern Corbin, California's varsity center, who is an even six feet high and weighs in the neighborhood of 180 pounds."

Bethrothed

SALINAS—The happy marriage betrothal of Miss Eva Shizue Shirachi to Mr. John Norio Urabe has been made known this week. Both party are second generation residents of this city.
