Blue Monday Hop Cast Away 'Blues'

"Blue Monday Dance" given by Charles "Tiny" Kikugawa as an opening celebration of the Sho Wa Low left no trace of proverbial "blue Monday feelings" after a few steps were matched with the Paul Whitman's specialty imitated by a group of Chinese synopators.

"Ten Daughters," A Playlet, Features Pretty Maids

ALAMEDA, Nov. 16—Several hundred spectators, both inside and outside of the newly constructed M. E. Church auditorium were quite elated over the gorgeousness as dedication was being held here last Sunday.

The formal ceremony was brief but very impressive, with Mr. Miki, superintendent of the local M. E. church as chairman. Dr. Davis, superintendent of East Bay M. E. church, delivered the main address. Mr. Yamamoto of the Gakuen, Rev. Mr. Fujii, Shizuo Kawamura, president of Epworth League, Kenzo Yoshida, and Mrs. Minami representing the Mothers' Club were some of the leading speakers.

JAPANESE PROFESSOR RESPECTED

Dr. Tashiro Says Colleges Here Democratic

That Japanese professors in American universities are respected by their students and are accorded cordial treatment by their fellows of the faculty was confirmed by Professor Shirotsugu Tashiro of the Medical Department of the University of Cincinnati who arrived here Monday from Japan on the N. Y. K. liner Taiyo Maru.

Dr. Tashiro is regarded as one of the greatest authorities on medical science in this country, and he is a close friend of the famous Dr. Noguchi of the Rockefeller Foundation. Tashiro has been connected with the University of Chicago for nine years prior to his appointment to the present position on the faculty of the University of Cincinnati, where he has already served another nine years.

Returning to Japan on a lecture tour with Dr. Chandler and Dr. Fisher, both of the university, he spent some time in studying and lecturing before the leading universities of the Empire.

JAPANESE LINE HOLDS AS GUN WINS VICTORY

Katachi Takes Ball Twice To Score 8 Points; Cantonese Use Aerial Attack, For Gains

By DINK HASEGAWA (Showa Athletic Club) Holding back the final charge of a heavy and powerful Chinese team that had marched 90 yards from their own 9 yard line to the Japanese goal line in the final minutes of play, the hard fighting Japanese team representing the Student Club on the University of California, scraped through to a victory over their Chinese classmates in a game that was every bit as close as the score indicates.

Outweighed fully fifteen pounds to a man, the Japanese were at no time able to gain consistently against their heavier opponents, but by keeping their heads up and displaying the old "intestinal fortitude" at all times, they were quick to take advantage of the "breaks" that came their way, both of their scores being made in this manner.
