DUCK CITY NINE MEETS A. T. K. SUN.

Winner To Top City Winter League Series

OAKLAND, Dec. 3—When the local City League opened its winter season some months ago, the Oakland Merritt nine was nosed out a 5-4 score by the handy boys from Alameda Taikui in its opening conference.

Since their parting, both the Alameda and Oakland boys have fared off on par term with the American combinations and now they are to meet again to settle a little dispute of which is which in baseball shake-up.

At any rate, the two Japanese teams are in the lead of the winter league series and their contest this Sunday will display class and strategy.

Whether the Alameda Islanders can meet and push back the highly developed Duck City aggression's thundering rush is a problem which the final score board can justly answer.

O. S. D. And Nissei To Play Saturday
