Japanese Wins Harmonica At S. F. Theatre

Receiving the unanimous applause of the audience who were acting as judges, Tsuneo Fukushima was awarded the first place in the Granada Theatre Harmonica Contest held last Wednesday evening.

The Imperial Enthronement

His Imperial Majesty, the Emperor of Japan will ascend the Phoenix Throne of Japan early in November.

This will be, without doubt, one of the great events of the world this year. It will, perhaps there, not be altogether out of place here to present a brief account of the ceremony.

This great state function is divided into two, the ceremony of Enthronement and the ceremony of Daijosa.

The Enthronement Ceremony is one in which His Majesty formally announces to all his subjects that the Emperor has succeeded to the Imperial Throne.

feast, is significant of the fact that the Ruler and the ruled, the Imperial Family and the nation, are traced clear back to the one and same ancestor.

This great ceremony is carried out full one year after the actual enthronement of the Emperor because although a new Emperor succeeds to the Throne immediately following the demise of the preceding Emperor, all must observe one year's mourning and no felicitous functions can well be carried out during the state mourning.

These two ceremonies are important national functions of Japan. The Enthronement Ceremony dates back to the accession to the Throne of Emperor Jimmu 26 centuries ago and the Daijosa was already observed at the time of Ama-Terasu Oho-Mikami, Imperial grand ancestor.

CHRISTIAN MEET ENDS AT FRESNO

Miss Tomita Chosen To Head Next Conference

FRESNO, March 15—Miss Lillian Tomita was elected to head the Fresno Sectional Conference of the Y. P. C. C. for the coming term at an election of officers held Sunday at Fresno during the two-day conference.

Those elected are: chairman, Miss Lillian Tomita; secretary, Miss Misao Matsuyama; treasurer, Everett Itanaga. It was moved and passed on Saturday during the business meeting to have only three officers, chairman, secretary and treasurer, instead of having the two vice-chairmen, corresponding secretary, and the assistant treasurer as had been the case hitherto.

The nomination of the officers is done by the nominating committee which is chosen by the representatives of the various towns.

Those on the nominating committee were: Rose Naka, chairman; Florence Miyaji, Bakerfield; Kenneth Mayeda, Cortez; Lloyd Shingu, Fresno C. E.; Kimi Goto, Fresno E. L.; and Susie Tagawa, Hanford.

It was also moved and carried to change the name of Central California Sectional Conference to Fresno Sectional Conference.

During the mass meeting, Lloyd Shingu sang a baritone solo after the invocation was given. They devoted a few minutes of silent prayer in honor of the late Rev. S. Kato.

"I was very well pleased with the sentiments expressed in the talks of the representatives," said Rev. S. Kowta, in his address. "They were Christian and Christ-like."

Japanese Given Thrilling Ride By Dole Flyer

GOOD WILL AIRMEN OFF FOR NIPPON ON KOREA MARU

A thrilling air ride over the N. Y. K. liner Korea Maru docked at pier 36 and over the Japanese tanker Kamoi in the harbor was enjoyed by three Japanese Tuesday when Colonel Arthur Goebel, American good will flyer to Nippon, took them for a ride in his monoplane.

The three Japanese passengers were Tadakatsu Asaka, passenger manager of the N.Y.K.; Jusaburo Tsuji, captain of the Korea Maru; and Miss Hisa Fujii, Oakland girl and a member of the office staff of the N.Y.K.

The Korea Maru which set sail for Japan yesterday noon carried three famous aviators. Col. Arthur Goebel, winner of the Dole Hawaiian air derby last year, was one of the passengers. He will stay in Japan two months and expects to fly in practically every town of any consequence in that country.

The other two distinguished aviators are Capt. Dieudonne Costes and Lieut. Joseph Le Erix, the famous French ace who completed 40,000 miles of flying since leaving Paris Oct. 15 for the trip around the world. They were guests of honor at a dinner given Wednesday night. C. T. Yamamoto, manager of the N.Y.K. line here, was host.

USUDA WILL COMPETE AT AMSTERDAM

To Box For Japan In Olympic Meet

The long cherished dream of Kintaro Usuda, amateur welter-weight champion of the far West, will be realized when he sets out for Amsterdam some time this summer or autumn to represent Japan at the Olympic games.

The Japanese champion boxer, who is now in San Francisco, has just received word from the Nippon Boxing Association in Tokyo urging his immediate return in order to make preparations for the trip to Europe.

Usuda will leave for Nippon aboard the N.Y.K. liner Shinyo Maru which set sail from this port on March 13.

A meeting of the Japanese boxing fans of this city was held at the Sho Wa Low Tuesday evening, and it was the unanimous decision of those present that Usuda was a worthy representative of Japan in the amateur sport world and that his brilliant showing in America where he dethroned the former champion of welter-weight division is worthy of recognition.

Y.M.B.A. PLANS ORATORICAL MEET FRIDAY

STOCKTON HONGWANJI TO BE SCENE OF MEET

To vary the program somewhat, Chairman Tad Miyata have arranged to have number of entertainment which will be featured by the different clubs talented performers.

At the close of the meet, there will be a "chawakwai" in the Hongwanji reception room.

JAPANESE EXPERIENCE HORROR AS DAM FLOOD SWEEPS HOMES, LANDS

Japanese Ranchers Save Themselves By Clinging To Willow Trees, Homes Swept Away

Special to the Japanese American News OXNARD, March 15—A graphic tale of horror and destruction was told by Japanese residents of this district during the first pause after the catastrophe in which the San Francisco dam collapsed and a stupendous volume of water wrought a havoc over a wide area of valley and countryside.

In this district the farms of Asano, Eto, and Mayeda are all under two feet of water. The strawberry crops are a total loss, the plants being either washed away or churned beneath the mud. The houses of these Japanese residents, though situated on a high ground, are still under one inch of water.

At Saticoy the ranch of Nakajima is wholly under the water, while Sato's farm at Santa Paula has been completely inundated. The camp two feet under water. Though property damages are great, there was no loss in life. Even the domestic animals were saved.

RUMBLING SOUND HEARD AS WATER SWEEPS ON FILLMORE March 15—The telephone communications have been for the first time established, and information are now coming of the experience of just after midnight Tuesday. The farms of Inouye and Takayanagi underwent the greatest ravages of all the Japanese ranches. Hearing a great rumbling sound Tuesday night, both Inouye and Takayanagi rushed out of doors in their night-shirts and climbed the nearest willow tree, thus saving their lives in nick of time. Mr. Miyachi, who also lived in the same camp, rushed wildly about and climbed another willow, which was somewhat smaller and shorter than the one upon which the other two Japanese were clinging. The roaring torrent caught the end of his nightclothes and dragged him into the whirling eddy. He is the only Japanese known so far to have perished.

Inatomi, another resident of this district, describes his experience as follows: "I heard a great roaring sound about two o'clock Tuesday morning. Thinking that a tidal wave was sweeping in from Oxnard region, I rushed out and found a mountain of water rushing down from the upper district. I immediately summoned my family and sought refuge on a high spot. Takayanagi's home was swept away. Inouye's family escaped destruction. There are about 30 Japanese in this district."

Goto's home is situated upon a higher district, so inmates escaped in an automobile. Communication...

Florin Buddhists To Hold Annual Picnic

FLORIN, March 15—The Florin Buddhists will hold their annual picnic on March 18, Sunday, weather permitting at the Ota ranch, five miles east of Florin. Many enjoyable events will be held.

On the same evening, the Florin Buddhist Shonin Kai will screen the motion picture "Gloria" and also a few short selected subjects. Movie will be shown, rain or shine.

Nissei And O.S.D. To Play Friday

OAKLAND, March 15—The Nissei Club of Berkeley will invade this city, Friday night, to play the local O.S.D. quintet at the University High School court on 58th and Grove streets.

The game will start at 7:15 sharp and promises to be a battle royal as the Berkeley boys are out to get revenge for their first setback from the Oaklanders some time ago by 23-30.

On the following day, Saturday, the O. S. D. team will travel to Fenryn to tackle the Japanese quintet there. This will be a return tilt; the first fray, played in the latter part of November in Oakland, was won by the O. S. D., 39-27.

CONFERENCE POSTPONED

Due to the fact that the Japanese Methodists of this section will hold a conference at Asilomar on March 31 and April 1, the Bay Region Young People's Christian Conference will be postponed from that date to Saturday and Sunday, April 14 and 15, according to Henry Takahashi, chairman.

Another reason for postponing the Y. P. C. C. conference is the fact that it will be exceedingly difficult to engage speakers due to the many Easter services which will be held in the various sections during the following week.

The next meeting of the committee will be held at the Japanese M. E. church of Oakland at the corner of West and Tenth streets. All members of the program committee, chairmen of the various other committees, and representatives of the young peoples Christian organizations of the Bay region are asked to attend without fail.

Local Man To Wed San Juan Girl

Marriage ceremony uniting Miss Yoshiko Yamamoto of San Juan Beautista and Mr. Matsuchi Iwamura of this city will be performed this Sunday afternoon at the local Buddhist Church.

The bride-to-be is the eldest daughter of Mr. and Mrs. Yamamoto, a business man of San Juan Beautista. Mr. Iwamura is the proprietor of an art good store located at 1219 Polk street. Rev. Takahashi will officiate at the ceremony.

Screen Pre-View

Broadway—the glare of the cabarets, the intrigue of bootleggers, gunmen and gangsters—and between them all a boy who killed in the name of justice—and was willing to die in name of his mother's honor. These are the highlights of Willard Mack's "The Noose" which comes to Loew's Warfield Saturday with Richard Barthelmess in the starring role. Dick portrays, a youth caught in the maelstrom of the underworld who is tossed about as a bit of wreckage on a stormy sea. Lina Basquette, former dancing star of the Follies, plays the feminine role in pictures, and advance reports acclaim her a "find". This vehicle is said to offer Barthelmess the strongest role he has ever had.
