## MIGRATION TO BRAZIL FOSTERED

Japan, However, Will  
Not Subsidize  
Undertaking

By Miles W. Vaughn  
United Press Staff Correspondent  
TOKYO, April 13.—The Imperial Japanese Government, while heartily supporting the formation of companies to promote Japanese emigration to northern Brazil, has no intention of granting subsidies to such organizations or granting them other financial support. Premier Tanaka has let it be known.

The government, of course, will continue its regular program of encouraging emigration on a limited scale to countries where Japanese are welcome, but it has no intention of giving financial support to private Japanese companies interested in South American projects.

The Premier, in his capacity as foreign minister, outlined his views in a statement to 27 leading business men of the country late in March, and there is no indication events in connection with the session of the Diet to be held starting April 30 will cause him to change his views. He said:

"In 1925 the Governor of Para, along the River Amazon, told Tatsuki, then Ambassador to Brazil, that the Brazilian Government was willing to offer its land free to Japanese who would exploit the land. Hachiro Fukuhara, of the Kanagawa Spinning Company, organized an inspection party in August, 1926, and actually investigated matters in Para. The party found about 650,000 tsubo of land suitable for cultivation and colonization.

No Financial Aid  
"Believing this to be a worthy enterprise for Japan, the Foreign Office is hoping for the realization of this plan. Fukuhara has been eagerly engaged in promoting it since his return. The Foreign Office in introducing this plan to leading businessmen and financiers of this country hopes it may prosper as a private enterprise. The Government, however, declines to guarantee it or to give any financial support."

Shichita Tatsuki, former Ambassador to Brazil, explained in detail the promising nature of this enterprise. Fukuhara also submitted a detailed report of his visit there. Viscount Eishi Shibusawa supported the enterprise and proposed to appoint a special committee for investigation.

The proposed scheme of establishing the Japan-Brazil Development Company which has been pending since 1926 bids fair to be realized in the near future, according to an Osaka dispatch. The spring panic of last year interfered with the progress of the plan but it has been taken up again by promoters.

BRAWLEY, April 12.—The dedication of the new \$30,000 Japanese Methodist church, the largest structure of its kind in the Imperial Valley, will be conducted Sunday with leading citizens of this section, both Americans and Japanese, participating.

Dr. Frank Herron Smith, superintendent of the Pacific Coast Japanese Mission of the Methodist Church, will arrive here from Berkeley especially to officiate in the dedication.

The mayor of Brawley, the Rev. Messrs. Arima of Oakland, Kokubun of Riverside, Hanyama of Brawley, Dr. Burns, Rev. So, Mrs. Anderson, and others, will be the speakers.

In the evening, the Japanese Christians of this city will hold an evangelical mass meeting in which the various Japanese pastors gathered here will deliver inspirational sermons and addresses.

**Alameda Boys To

West Gallery

The works of thirteen Japanese artists of the two art clubs of this city have been selected for display in the Fiftieth Annual All-Western Art exhibition to be held from April 20 to May 6 in the galleries of the California School of Fine Arts of this city.

These Japanese artists will vie with some of the leading artists of the Pacific Coast for the two prizes of \$200 and \$100 and certificates of honor to be awarded by the school. A total of some 150 individual oil paintings, water colors, etchings, and design works will be on display at the exhibit.

From the Japanese Art Club, an organization formed last fall in this city, the following members will have their work displayed: Akiko Higashi, Hiroshi Horuchi, Yasutada Mayeda, Genosuke Kyodo, Kazuo Matsubara, Mitsuo Hayakawa, Chiura Obata, and Mr. Hibb.

The Sungen Shoku Art Club will be represented by the works of five of its members, Messrs. Umekubo, Suzuki, Nobuyuki, and Miura.

**"Y" BOYS TO  
ENTER FOUR  
BALL TEAMS**

The Japanese Y. M. C. A. Boys' Division will enter four baseball teams in the City-Wide "Y" Baseball League which starts its season Saturday.

Last year they won the championship and are expected to repeat the performance this time. The first game will be played at the Old Stadium of the Golden Gate Park Saturday morning at 11 o'clock.

The Blazing Arrow Pioneers will have two teams, entering both indoor and outdoor leagues. With Ray Kaneko and Susumu Takao as coaches the outdoor nine should be a strong contender. The indoor team will be taken care of by Yasuo Abiko.

For the first time in many years the Comrade Club will have an outdoor team. Under the direction of Noboru Endo, they will fight it out with four other teams for the league supremacy.

The winning teams are to receive regular "Y" plaques.

## San Jose Field Meet Sunday To Be Big Event

SAN JOSE, April 13.—The all-day picnic and field meet Saturday in the Aash baseball grounds under the joint auspices of the local Japanese language school and the Japanese community promises to attract a large crowd from the various farm districts of this section.

The meet is an annual event and is supported by leading Japanese organizations in this city.

## L. A. YOUTHS GIVE PLAYS

Classical Japanese  
Masterpieces To  
Be Presented

LOS ANGELES, April 13.—A distinct contribution to the theatrical culture of the community will be made here with the presentation Saturday and Sunday, at the local Yamato Hall of a series of six classical Japanese tragedies by a group of second generation girls under the stage direction of Tomofuku Nakamura.

This experiment of producing Japanese plays with local young people taking lead roles met with great success last year when it was tried twice. This year the plays are being produced by Mr. Kiyomura, and are expected to be, by virtue of the more careful preparations and coaching that have been possible, a great improvement over the previous productions.

Members of the cast include the following second generation girls: Etsuko Inoue, Toyoko Kataoka, Haruko Yamashita, Fumiko Fusaono, Misao Kiyomura, Nobuyo Ono, Yuriko Nakajima, Chiyoko Fujinaka, and Peruko Kiyomura.

The first night's program will open with "Sambaso," a Japanese classical dance overture. "Sekitori Senryonbori," a drama centering around the exploits of a famous Japanese wrestler in the days of feudalism, will follow "Sambaso."

The next play will be a military drama, "Yoshitune Kashiyo," which will portray the dramatic episodes which transpired between two great military heroes of ancient Japan, Yoshitune and Yorimoto.

A classical dance, "Urashima," and another play, "Shinrei Yaguchi no Watashi," will complete the first night's program.

The second night's program will also begin with "Sambaso" overture, followed by the third act of "Tamamono Maye," and other plays.

## NORTHERN REGION TO GIVE PICNIC

"Sumo" Tournament  
Also Expected To  
Draw Crowd

SACRAMENTO, April 12.—With warm spring weather here, "big times" are promised Japanese residents of Oakpark, Marysville and Newcastle Sunday, when a "sumo" tournament and community picnic will be held.

The Seinen-Kai of Oakpark is sponsoring a big "sumo" meet in which the leading young amateur wrestlers of this section, including a strong delegation from the local Taikui-Kai organization, will vie for the numerous prizes collected from the merchants and residents here. The Oakpark boys are already practicing nightly for the big event.

The feature of the Marysville picnic will be the "kaso gyoretsu" or masked parade with prizes given to the winners. The whole Japanese population of the town is expected to flock to the tournament. The Newcastle picnic is being sponsored by the Christian Endeavor Society. It is scheduled for April 1 but rain interfered. Prizes for old and young people alike will be given in field competitions.

**OUR JUNIOR  
SECTION**  
Today we start where we left off yesterday, with a letter from Kazu Moriyama. Here is a poem Kazu sends us.

Marching Song  
Bring the comb and play upon it!  
Willie cocks his highland bonnet,  
Jonnie beats the drum  
Mary Jane commands the party,  
Peter leads the rear:  
Feet in time, alert and hearty,  
Each a grandeur  
All in the most martial manner  
Marching double-quick:  
While the napkin, like a banner,  
Waves upon the stick!  
There's enough of fame and pillage,  
Great commander Jane!  
Now that we've been around the village,  
Let's join the Junior Club.

Kazu is 12 years old. Her birthday is on March 5, and she lives at 1797 Sutter Street.

From Alviso, Calif., comes a letter from Tai Yagami, age 12, whose birthday is September 5, and whose address is Rt. A, Box 493, San Jose. Here is one of Tai's riddles:

What goes over the river and stops on the bank? Answer: A bridge.

Tom Yatabe of 3893, 17th St., San Francisco writes us a very nice letter. She says:

Dear Junior Club editor:  
I have been reading the Junior Club Section for quite awhile and have found the jokes and riddles very interesting. I would like to join. Enclosed you will find some jokes that I thought were very good.

Here are two of Tom's jokes:

Intelligent Dog  
The Frenchman didn't like the looks of the barking dog baring his way.

"It's all right," said his host. "Don't you know the proverb: Barking dogs never bite?"

"Ah, yes," said the Frenchman. "I know ze proverb, you know ze proverb, but ze dog—does he know ze proverb?"

Quite A Racket  
Jones: "There's been quite a racket up over us for the last few nights." Smith: "How's that?"

Jones: "The doctor gave them some medicine and told them to take it two nights running and then to skip one night."

Thank you Kazu, Tai and Tom. We'll send all of your letters, and think our readers will also find your poems, riddles and jokes interesting. Now who will be the next to write to us?

Look before you leap. In fact, if you'll look it won't be necessary to leap.

## Japanese Faith In Emperor Will Never Be Shaken, Viscount Shibusawa Asserts

TOKYO, April 13.—Regardless of whatever other inroads Western ideas and advancement may make on the Japanese mind, their inborn faith in the Emperor will never be shaken. Viscount Eishi Shibusawa, retired financier, declared in an interview commenting on the status of the Emperor.

The Viscount declared himself in full support of the belief that the Emperor is the head of the Japanese nation and that every action of the Japanese must be made with this in view.

"I regret to hear that certain radical ideas have spread among a section of the Japanese," said Viscount Shibusawa, "but I do not believe the Japanese as a whole are so unsteady in their thought as to be influenced by such ideas."

"Loyalty to the Emperor and faithfulness to parents are the one belief, though, which pervade the minds of the Japanese. We feel pride in it. The Japanese will remain Japanese throughout, whatever shock they may receive."

"If anyone denies loyalty to the Emperor, he is a traitor. One who has an unsteady thought and is easily influenced by an alien idea, cannot lead his life happily. I, therefore, believe that everybody, no matter whether he be a scholar or government official, should do his own work faithfully, and that is the best step to become a faithful member of the nation."

Mrs. H. Roy Stovel, secretary of the association told The Japanese American News yesterday that the Japanese girls have a good chance of winning one of the three prizes, of \$300, \$200, and \$100, respectively, which are being offered.

Last year, she said, there weren't as many Japanese entrants as there are this year, and yet one of Nippon's daughters entered the finals and almost took one of the prizes.

## THIS FROCK IS IN MODE FOR EVENING

The remarkable vitality and tirelessness of youth never fails to cause much wonder among the older generation. And Jeanette is no exception for, after the winter season of endless formal affairs, she looks forward to the Spring festivities with as much anticipation as if such occasions were entirely foreign to her. Each dance brings the same thrill of expectation. Fate has been unusually kind to this young lady and she has every right to put her faith in what it means for her. And so, all a flutter, she awaits her escort who will rush her out into a world of romance and music. A last glance into her long mirror reveals a most delightful image. The widened silhouette achieved by the rows of billowy ruffles is particularly suited to her slim figure. The down-in-the-back neckline is very graceful and smart. In sharp contrast with the skirt, the bodice is perfectly plain with simply bound neck and arm holes. The rows of shirring at the hips are broken by a great puff of bow at the side. This design is suitable for semi-rigid materials such as taffeta, organdie, tulle or moire.

**SACRAMENTO TENNIS**  
SACRAMENTO, April 13.—The Japanese Tennis team of this city will play the strong American aggregation representing the Sutter Tennis Club on May 6. Some 15 players will contest for the honors of representing the Japanese club.

Some men "take life easy" and others are overworked because they require fourteen hours for a five-hour job.

## GREAT DAY AHEAD FOR Y. P. C. MEET

Two-Day Session To  
Start Saturday  
Morning

The uniting of spiritual forces, the cultivation of Christian leadership, the strengthening of local organizations, and the forwarding of a realization of a deeper Christlike living—these are the purposes for which 175 young people will gather in San Francisco for the two-day session of the third annual Bay Region Christian Conference which starts Saturday with registration at 10:30 a. m.

Highlights of Saturday's session, to be held at the local Reformed Church, will be an opening address at 2 p. m. by the Rev. F. W. Hodgdon, Dean of Pacific School of Religion; an open forum at 4:30 o'clock, a mother's banquet at 6:30 o'clock, and a "Social Hodge Podge" at 8 o'clock.

Will Hear Quartet  
Two feature "stunts" will enliven the "Social Hodge Podge." They will be presented by the Oakland Epworth League and the local Christian Endeavors, in the form of a lively saxophone quartet number by the Blazing Arrow group composed of Kotaro Oka, Tsune Baba, Koji Murata, and Dick Motoyoshi, and a trumpet solo by Hisashi Moriyama.

Shappy games under the leadership of Goro Maeda, social chairman, and community singing will mark the conclusion of Saturday's program.

Sunday the session will open with an address by the Rev. W. J. Sherman, pastor of the Central M. E. Church, who will take as his subject, "Stand Up for Jesus."

The climax of the conference will be reached in the evening with a mass meeting of second and first generation Christians of the entire Bay Region.

Presided over by Henry Takahashi, chairman, this gathering in the main chapel of the Reformed Church will be featured by speeches by James Hirano of Oakland, the Rev. S. Watanabe, Miss Yoneo Taniguchi of Alameda, Yoshio Hayashi of this city, and others.

The Oakland Japanese M. E. Church choir will sing a number of sacred selections.

The conference will be concluded with an impressive ritual for the installation of new officers of the Bay Region Sectional Conference, Northern California Young People's Christian Federation. The complete program for Sunday's session follows:
