JAPAN

And Things Japanese

Japan and Things Japanese, a section devoted to present-day news and views, and ancient facts, regarding the Japanese people and their country, is a regular feature of the English Section.

The "Kabuki Shibai"

The "Shibai" or "Kabuki" (drama) is, or at least was, a theatre for the common people of Japan, just as the "No" theatre was for the high-born and learned.

Today this phase of entertainment claims a peculiar importance in Japanese life as the only remaining place where the life of Old Japan can be studied.

An interesting thing to note in this connection is that while the better actors and actresses of the Japanese stage are today highly respected, and men like Ichikawa Uzaemon who arrived in San Francisco last week, mingle with statesmen, they were until less than 25 years ago classed with beggars, and it was unthinkable to associate them with good society.

Looked Down Upon
The very things in which these actors and actresses appeared were looked down upon as places too vile for any gentleman to enter. In fact whenever a census was taken these people were denoted by the numerals used in counting animals, that is, ip-piki, ni-hiki, etc., and not shitori, futari, and so on.

Oddly enough, though the founders of the Japanese stage were two women, named O-Kuni and O-Tsu, men alone have been allowed to act at the chief theatres, the female parts being taken by men, and even today the Kabuki Theatre, the leading playhouse of Tokyo, hires no actresses.

Started at Dawn
In olden times "Kabuki" shows usually started at dawn and lasted until about midnight in the evening. At present the Kabuki, the Imperial Theatre and other leading playhouses open their doors at from between two to four o'clock and continue until eleven, with several intermissions which range from ten minutes to half an hour. Unlike in American motion picture theatres, the same performances are not presented several times a day, so the audience is compelled to bring its own dinners or eat at cafes in the theatre.

GARDEN PARTY HELD
TOKYO, April 16—(Special)—The Imperial Household Department will hold a garden party in the Shinjuku Gardens tomorrow to which more than 1,000 prominent citizens as well as foreign residents have been invited. Members of the Imperial Family will act as hosts.

N. Y. K. HEAD BARES GREAT FLEET PLANS

Ohtani Sees Planes As Adjunct To Steamers

Airships as an adjunct to trans-Pacific steamships are seen as an important feature of travel in the near future by Noboru Ohtani, managing director of the Nippon Yusen Kaisha, who arrived here Saturday aboard his company's largest liner, the Taiyo Maru.

Catapulting of aircraft from ocean liners between San Francisco and ports in China and Japan will be commonplace a few years hence, Ohtani pointed out in an interview yesterday.

Great Plans Ahead
The Nippon Yusen Kaisha, he said, is carrying out a \$40,000,000 building and renewal program, "undoubtedly the most extensive building program of any individual shipping company in the world."

Despite the fact that this program will advance the N. Y. K. line to the second place in the operation of owned tonnage in the world, Ohtani asserted that Japan's aim, as he sees it, is not a greater merchant fleet, but less ships of a finer quality.

Living in Aerial Age
"We are living in an age of aerial transportation," the noted shipping magnate remarked.

EDITOR VISITS SACTO
Mr. Kay Nishida, editor of the English Section of the Japanese American News was a visitor over the week-end in Sacramento on his first trip to the Capital City. He returned to San Francisco late Sunday.

Shimanouchi To Speak In New Contest

LOS ANGELES, April 16—(Special)—Henry Shimanouchi who took first honors in the Occidental College Oratorical Contest recently, will speak in the finals of the National Peace Oratorical Contest to be held at Pomona College Thursday evening.

Should Shimanouchi take first honors in this oratorical he will enter the All-Western Contest. The youth is a son of Y. Shimanouchi, editor of the L. A. Japanese American News.

BIG U. S. AIR FLEET NEAR

Hoover Sees 8,000 Commercial Planes By End Of Year

WASHINGTON, April 15—(UP)—A prediction that the United States would have 8,000 airplanes in commercial use by the end of 1928, was made in a radio speech here tonight by Secretary of Commerce Hoover, Republican presidential candidate, who said the greatest national value of this gigantic air fleet "lies in the reserve it creates for our national defense."

Hoover's speech was in connection with a radio broadcast from the Lincoln Hotel, 25 miles south of San Francisco and the other at Merced Hills, in the Los Angeles basin, constructed by the Standard Oil Company of California.

Lindy Lights Beacons
Colonel Charles A. Lindbergh, who is in Denver, Colo., tonight pressed a button that illuminated the beacons for the first time, each one of 10,000 candlepower and visible from 100 to 150 miles.

LOSING STREAK HITS YAMATOS
TOKYO, April 16—(Special)—The Stockton Yamatos lost today, being nosed out by the strong Osaka Mainichi squad, 2-1. This is the third straight defeat suffered by the visitors in the last four days.

MINISTER IN CHALLENGING PARLEY TALK

Y. P. C. C. Holds Second Meeting In Reformed Church

The second day of the Bay Region Sectional Conference of the Y. P. C. C. held at the First Reformed Church of San Francisco, Sunday afternoon was opened with an address by the Rev. W. J. Sherman, pastor of the Central M. E. Church of San Francisco.

The Rev. Sherman's talk was challenging and forceful. It was on the theme of the conference, "Stand Up for Jesus."

Picture Taken
At 3:30 o'clock the conference picture was taken. This was followed by a fellowship hour in which Dean Abe of Aoyama Gakuin, Tokyo, was the main speaker. Abe is on his way to attend the annual Methodist conference to be held in the East, and arrived here Saturday on board the N. Y. K. liner Taiyo Maru.

Dean Abe encouraged American-born Japanese to become teachers of English in schools in Japan. He declared that American college graduates would be welcomed in any school.

Blazing Arrow
The Blazing Arrow Bear Cubs started their indoor baseball season with a victory over the Red Wing Club, 16-1, at the Old Stadium of Golden Gate Park, Saturday morning. The game was the first in the Y. M. C. A. Friendly Indian League.

U. S. C. Japanese Discuss Plans For New Club

LOS ANGELES, April 16—(Special)—Plans for the formation of a new Japanese club were discussed here Saturday by a group of Japanese students of the University of Southern California.

Besides students a number of prominent residents attended the meeting. Consul K. Mizunawa and Prof. Willett of the University of Southern California were among the speakers.

DEATH LAID TO WOMEN
Men Driven To Suicide In Japan By Feminine Sex

TOKYO, April 15—(By Mail)—The advent of women into economic life has been one of the factors that play a large part in the cases of suicide, which have been steadily increasing since the Great Earthquake of 1923, according to an investigation carried out by the Metropolitan Police Board recently.

The search for jobs, restricted almost wholly to the male section of the population in the age when the place for women was the home, is today becoming more desperate as the result of the enormous increase of job-seekers. Women are entering business offices, stores, cafes, railway and government offices, and are slowly but surely encroaching themselves in the jobs hitherto monopolized by men.

OUR JUNIOR SECTION
Strange isn't it how girls write in such nice hand and the boys just scribble their letters. Maybe it's because the girls are so neat. Anyway we've had very little trouble reading letters from the girls while the letters from the boys have been hard on our eyes. So if you don't mind boys, please try to write more plainly hereafter, won't you?

WARFIELD
Another great Lon Chaney picture, "Laugh, Clown, Laugh," is now at the Warfield. Chaney is Tito who appears as Filk the Clown, the funniest man in the world, but a man who weeps constantly because of his nerves.

GRANADA
"Easy Come, Easy Go" with Richard Dix and Nancy Carroll is another pleasing Dix comedy. Dix is a radio announcer who gets mixed up in a bank robbery.

CALIFORNIA
"Speedy," said to be the best picture produced by Harold Lloyd during the past several years is still at the California. Harold is a sympathetic, romantic and very funny figure.

WRITE TO THE JUNIOR SECTION EDITOR

DEATH TAKES MOTODA, HIGH TOKYO BISHOP

Was First Japanese To Be Consecrated To This Post

TOKYO, April 16—(Special to The Japanese American News)—Death today summoned the Rt. Rev. Sakunoshi Motoda, Bishop of Tokyo, the first Japanese to be consecrated to this high post.

The end came peacefully as the noted leader of the Episcopal Church of Japan rested in St. Dainaba's Hospital, Osaka.

Bishop Motoda was widely known not only in this country but in the United States and Great Britain as well. He received his education here and in the United States. He was a graduate of Kenyon University, Ohio, and Philadelphia Seminary, and received his degree as doctor of philosophy at the University of Pennsylvania. He later studied at Columbia and traveled through England, France and Italy.

Strange isn't it how girls write in such nice hand and the boys just scribble their letters. Maybe it's because the girls are so neat. Anyway we've had very little trouble reading letters from the girls while the letters from the boys have been hard on our eyes. So if you don't mind boys, please try to write more plainly hereafter, won't you?

WORLD RACER HERE FROM TOKYO; SPEEDS FOR N. Y. BY AIRPLANE

Araki Puts Into San Francisco Ten Days After Leaving Yokohama; Plans To Sail For Europe Wednesday Midnight

Ten days after having sailed from Yokohama on a race around the world, Teichiro Araki arrived in this city Monday night from Vancouver, having traveled by ship, plane and train.

Immediately after arriving in San Francisco, Araki made plans to depart at dawn Tuesday for New York by plane. He expects to sail from New York for Europe on the Aquitania at midnight Wednesday.

Araki was welcomed in this city by representatives of the Japanese Association, and steamship and other commercial companies as well as by members of the Japanese Consulate.
