ASAGAWA NIKKI

(The Morning Glory) A Famous Japanese Love Story

By Gohei Namiki

Synopsis

Komazawa Hirozayemon, a samurai, and Miyuki, snow-flakes, or Morning Glory, are in love. Through a series of misfortunes they become parted. Years pass but Miyuki, now blinded, still continues her search for Komazawa.

Komazawa, following a protracted and weary journey, returns to his inn and enters his lonely, dimly lighted room. Inadvertently he folds his legs in a polite posture on the matted-floor when his eyes fall upon a poem inscribed on a screen.

Komazawa: "Strange that this screen should have inscribed on it my poem on the morning glory. I wrote it on a fan for Miyuki, the daughter of Akitsuki Yumi-no-suke, a few years ago as a keepsake till—"

Representing the San Jose High School Japanese Literary Society, Miss Frances Funabiki will be the speaker from the Valley of the Heart's Delight, San Jose, through his speaker Miss Carol Tokunaga, won the cup in 1925.

Fresno, twice winner of the coveted trophy, is out this year to bring it home for permanent possession. John Fukushima, Fresno High School senior, will be the speaker from that city.

Hirota Standard Bearer Carl Hirota will be the standard bearer of the San Francisco Japanese Y. M. C. A. This city won the cup in 1923 through the work of Miss Marian Nambu, who represented the city.

Is miserably blind, but she is blessed with lovely features and a sweet voice, so nobody can look at her without taking pity upon her. She is lionized in the village and her song is on everybody's lips. I give her lodgings in my inn and she goes round to entertain the guests at different inns in the village, poor girl.

MANY ENTER ORATORICAL TILT LISTS

Northern California Cities Send People To Contest

What promises to be the most representative gathering of Northern California's master orators assembled Saturday night at the Reformed Church when speakers from virtually every city of consequence in this part of the State will be represented at the U. C. Japanese Alumni Association's seventh annual oratorical contest.

As the names of speakers from leading Northern California centers are being filed, it becomes more and more apparent that this year's contest will be an event of great moment. According to Henry Takahashi, committee man, all preparations for Saturday night's tilt have already been completed.

Two Speakers Sacramento, which took home the three year win silver trophy in 1922 through the efforts of Walter Tsukamoto, will be this year represented by two speakers, George Miyakawa of the Japanese Student Club and Howard Imazeki of the Better Fellowship Circle are expected to make things lively for the other contestants.

Oakland will be likewise represented by two speakers, Miss Yone Hirano, winner of honorary mention in the recent Capwell oratorical contest held at the Oakland High School, will be the speaker from the Epworth League of the Oakland Japanese M. E. Church, Etchi Usumi will represent Oakland Sons and Daughters Society.

Wounded from the battlefields of Shantung provinces are pouring into Tientsin and Peking. The hospitals are filled and every available medical man has been pressed into service.

Watsonville, which took home the trophy in 1926, will this year be represented by a speaker whose name is yet unannounced. He will be sent to this city by the Watsonville Christian Endeavor Society.

The subject of the contest will be "My Ideal Institution of Higher Education."

The contest this year will be decided by a board of three distinguished judges. Professor Rowell, of the University of California; Dr. H. H. Guy of Berkeley, a prominent lecturer on Japanese American relations, and Mrs. Edith Wilson, assistant district attorney of San Francisco will select the winners.

The time limit for each speaker will be 15 minutes. Dr. M. Harada, (To Be Continued)

Parlier Youth Breaks Record At Valley Meet

REEDLEY, April 23—Representing the Parlier High School in the San Joaquin valley track and field meet held here Saturday, George Hirata broke the broad jump record, putting 22 ft. 7-8 in. between him and the board.

Hirata jumped 22 ft. 6-1-4 in. a week ago and has been consistently making records around that figure.

Hanford won the meet with Bakersfield its nearest competitor.

SEVEN TOTS DIE IN SHIP DISASTER

30 Hurlled Over-Board As Boat Hits Shoal

VANCOUVER, April 20—(By Mail)—Tragedy Wednesday stalked in the wake of merrymaking and rejoicing when seven Japanese children were drowned in the midst of a celebration on board a newly launched gasoline fishing craft on Frazer River.

The craft was on her maiden trip with more than 30 men, women and children aboard, when it grounded at the mouth of Frazer River, and turned on its side, hurling all but two or three occupants of the boat into the chilly waters.

The dead are: Satochi Hamaura, 5; Fukiko Hamaura, 8; Jirohachi Koyanagi, 5; Ichie Koyanagi, 5; Toshie Koyanagi, 7; Y. Harada, 11; and Akira Negoro, 5.

Attempts to rescue the children proved unavailable owing to the coldness of the water.

Pacific Relations Institute To Hold Meeting Tuesday

Leaders of the Institute of Pacific Relations, headed by Dr. Ray Lyman Wilbur, president of Stanford University and chairman of the institute, will gather at a luncheon conference at the St. Francis Hotel Tuesday for the purpose of forming a permanent bay district committee.

The institute is an unofficial body of people which arose spontaneously among leaders of Pacific countries for the purpose of discussing international and inter-racial problems.

E. C. Carter, secretary of the American group, arrived here Sunday from New York to attend today's meeting.

The institute will meet in Tokyo next year.

H. Kitada, and Dr. K. Kiyasu will be the time keepers. The contest will be presided over by Henry Takahashi.

As the contest is the biggest literary event among the Japanese of Northern California, large delegations of boosters are expected to accompany the speakers from the various sections. An unusual amount of interest is being attached to the contest this year as a victory by the speaker from Fresno will mean that city will take the cup for permanent possession.

CALIFORNIA LEADS KEIO IN 4TH, 4-3

Keio varsity is trailing the Golden Bears, 4-3, at the end of the fourth inning, as the English section goes to press. Two homers for U. C. featured the first four frames of the game.

Batteries: Keio—Miyatake and Ito; U. C.—Nemachee and Wyatt.

KEIO ROUTS ALAMEDA IN NO HIT GAME

Varsity Men Overwhelm Taiiku-kai 9 To 0

ALAMEDA, April 22—In a lopsided game, featured by the brilliant mound work of a tiny southpaw twirler whose bullet-shot deliveries dazed his opponents as well as the 2,000 holiday-making spectators who filled every seat in the local ball park, Keio University Sunday won a no-hit, no-run, game from the Alameda Taiiku-kai, 9-0.

Hamazaki, star Keio moundman, fanned ten Alamedans yesterday and was improving with each inning. From the sixth canto on he was so good that in the last three frames but nine Alamedans faced his deliveries. And four of these were fanned.

Keio Collects Two The outcome of the game was plain from the opening canto. Keio started the first inning with two runs. Kajue walked, Kusumi hit over third and on Iwai's wild throw to first, advanced to second, with Kajue on third. Mitsani fanned, after which Yamashita hit safely to first, advancing Kajue home. Yamashita then stole second. Fukushima was out on a grounder to short, but Kusumi crossed the plate on the play. Okada retired the side with a grounder to third.

Alameda's turns at bat were merely a record of three men up and three men out. Second base was the farthest the Taiiku boys were able to reach.

Field Work Good The local boys weren't so bad on the field, however, and the seven errors chalked up to them to Keio's 1, belie the comparatively good work done by the Alameda men.

Domoto started on the mound for Alameda and lasted until the seventh, when he was replaced by Ide.

In the fourth, Keio collected three runs. Domoto walked Okada. Murakawa hit to third. Hongo walked one to left field on whose error the bases were filled. Hamazaki hit to short, on whose error Okada scored. Kajue followed with a single to third, advancing Murakawa home. Kusumi flied out to right, but Hongo raced home on the play. Mitsani walked. Yamashita flied out to short. Fukushima popped out to second.

Idaho. Kaithi is 14 years old and his birthday is on March 18. He writes us that he likes our jokes and riddles, and that he lives out in the country so has little spare time, and therefore is not very good on riddles. "But don't throw my riddle in the waste paper basket," asks Kaithi.

Why, certainly, we won't throw basket, Kaithi. Not when it's so good. Here's Kaithi's riddle: What has a bed but cannot sleep, and has a mouth but cannot eat? Answer: A river.

That was a good riddle, Kaithi. Thank you for your letter. We like to have people write to us from anywhere, but especially from other States. You are from Idaho, and to keep you company we have two letters today from far away Texas:

At Kishi, 11, whose birthday is on January 12, and whose address is Orange Co., Terry, Texas, is one of our latest members. We received a letter from Al just this morning. She sends us these riddles:

What was the longest day of which the Bible speaks? Answer: The day without any Eve.

CHINA CITY FACING FALL

Japan Sends More Troops To Protect People

TOKYO, April 23—(Special to The Japanese American News)—The 5th Division was dispatched today from Moji to Shantung to protect the lives and property of Japanese nationals in Shantung.

The gravity of the situation in China is such that much anxiety is being expressed here for the safety of Japanese residents throughout North China. The fall of Tsinan is expected momentarily.

15 Miles Away Cavalry operating under Gen. Feng Yu-Hsiang, Nationalist leader, was stated to be 15 miles away. The northern troops, which had been defending the district, were looting it.

Sixty Japanese women and children and a number of other foreigners left for Tsinang, where Japanese troops have already been landed for protective purposes.

Wounded from the battlefields of Shantung provinces are pouring into Tientsin and Peking. The hospitals are filled and every available medical man has been pressed into service.
