BAY BUDDHIST WOMEN WILL HOLD PARLEY

Y. W. B. A. Leaders Will Discuss Welcome Plans

OAKLAND, July 21.—(Special)—Officers of the Bay district Y. W. B. A. League will meet at the Oakland Buddhist church Sunday afternoon at two o'clock to arrange final preparations for the welcoming of 100 delegates who will arrive in this city for the annual conference of the North American Federation of Young Women's Buddhist Associations, which is being held this year in conjunction with the Convention of Buddhist Sunday School teachers at the local Buddhist temple for five days beginning Tuesday.

The Bay district being host to the visiting delegates, plans are under way by leaders here to sponsor either a big welcome banquet or a mammoth "Bay District Night," in which talented members of San Francisco and East Bay cities will hold a demonstration to entertain the visitors.

Lectures Planned.

The program for the five-days' session includes lecture meetings and discussions in the mornings, while the afternoons will be devoted to the following:

July 24.—Federation cabinet meeting with Mrs. Kaanko Fujiwara presiding.

July 25.—General meeting of the Federation.

July 26.—Athletic day. The Buddhist girls will take this afternoon for recreation with ping pong, tennis, basketball, and baseball games featuring the program.

July 27.—Federation meeting. Election of new officers, meeting of new cabinet, and an elaborate program of entertainment in which leading cities of California will present two numbers as feature event of the afternoon.

July 28.—Free period and adjournment.

Large delegations are expected from Los Angeles, Sacramento, Stockton, San Jose, Fresno, and other Japanese centers of the state.

JAPAN JOINS IN APPROVAL OF U. S. PACT

Nippon Proud To Be Associated With Movement

WASHINGTON, July 20.—Japan's acceptance of the Kellogg anti-war treaty as revised, coupled with warm congratulations from the Tokyo government "upon the rapid and general acceptance of the American proposal, was received and made public tonight by the State Department. Only the reply of Czechoslovakia is now lacking to round out the plan for a 15-power general peace treaty open to world-wide adherence.

"The Imperial government is proud to be among the first to be associated with a movement so plainly in unison with the hopes everywhere entertained and confidently concurred with the high probability of the acceptance of this simple and magnanimous treaty by the whole civilized world," Baron Tanaka, Japanese Minister of Foreign Affairs, said in his note of acceptance.

No reservations or additional expositions of Japan's understanding of the terms of the revised American treaty are contained in the note. It confined itself to the usual restatement of the query propounded to the Japanese government by Secretary Kellogg as of its willingness to become an original signatory to a treaty such as the revised draft transmitted with the American note.

"In reply I have the honor to inform you that the Japanese government are happy to be able to inform you that the Japanese government are happy to be able to give their full concurrence to the alterations now proposed, their understanding of the original draft submitted to them in April last being, as I intimated to his excellency, Mr. McVeagh, dated the 26th of April 1928, substantially the same as that entertained by the government of the United States," Baron Tanaka said.

PLAY TO BE GIVEN

LOOMIS, July 21.—(Special)—A short play entitled "Does It Pay" will be enacted at the Loomis Epworth League meeting July 22 at 8 o'clock. The meeting will be led by group No. 3.

SHOW GIRLS TO VISIT U. S.

Troupe of 50 To Play In New York In Winter

TOKYO, July 4.—The famous Takarazuka opera girls will in all likelihood go to America to appear in New York during the coming winter season beginning from November, as Mr. Ray Comstock of the Comstock and Morris of America was favorably impressed with the performance by the girls. Mr. Comstock came to Takarazuka on June 19, and at once undertook to see for himself and his party the possibility of taking the girls to America for three days, June 20, to 22, at the opera house there, and made his overtures for engaging the opera girls.

The management of the opera house and Mr. Comstock have come to a general understanding, although some details are still unsettled. They have brought their talk to such an extent that it is now up to Mr. Ichio Kobayashi, president of the Hankyu Electric railway company, to say yes or no. So Mr. Comstock and his party, accompanied by Mr. Kishida of the opera house, left for Tokyo on June 28 to meet Mr. Kobayashi.

According to the general understanding about 50 girls are to go to America. The pieces in which they will be presented on the New York stage will be the "Youchi Soga," the "Gonin Dojoji" the "Kappore," the "Issun Boshi" the "Jiko" the "Haru-no-odori" etc. These and possibly some few others will be presented in turn during the girls' stay in America.

Nothing definite was decided as to whether the girls will take part in a film play, the "Favourites of Morris Gest."

It is understood that Mr. Comstock, during his stay in Tokyo, will engage the Soganoya Gokuro troupe or several other troupes, if he thinks they are likely to prove successful.

DEVOTIONAL TO BE HELD LATE TODAY

Feature of Afternoon To Be Treasure Hunt

The feature of the afternoon's program will be a treasure hunt in which both boys and girls will participate also scheduled.

This gathering, which will be the biggest outdoor event ever sponsored by the young Christian group here, will start at 3 o'clock.

At 6 o'clock in the evening the group will eat their dinners and take part in the open-air devotional which will be led by Miss Stella Sato.

Y. W. LEADER IN NEW ROLE AT PLAYFIELD

Miss S. Yamamoto Shows Talent In Preview

Miss Sumiye Yamamoto, popular secretary of the Y. W. C. A. surprised a gathering of stage critics with her finished acting at the preview of the "Valiant" presented at the Central Y. W. C. A. Friday night.

Miss Yamamoto's participation had been kept a secret but the few Japanese who happened to be present were full of praises for the talented young secretary.

It was in the part of Josephine Paris, a girl who goes a thousand miles, leaving her sick mother, to identify her brother who is about to be executed for murder, but who refuses for her sake and her mother's to admit that he is her brother, that Miss Yamamoto impressed the critics.

She acted with vigor, expressing the mingled feeling of worry, anticipation, love, memories of happy childhood, denial, faith and sorrow.

Miss Yamamoto had studied dramatic art and history of dramatics with Mrs. Chortening of Northwestern University. This presentation was made by her class and included girls from the Southern states as well as the Pacific Coast.

30 EXPECTED AT PLAYFIELD

Gay Time Promised At Y. W.'s Beach Party

A bonfire and weenie roast, a gay time under the stars by the Fleishacker pools awaits those who attend the beach party which is being sponsored by the local Japanese Y. W. C. A. at the playfields near the Fleishacker pools Saturday evening, July 28.

A group of 30 young people are expected to participate in this outdoor frolic, which will be featured by a delightful program of music, games, songs, and stunts by various members of the party.

The program starts at 6 o'clock, when a glowing bonfire will be built for the purpose of roasting savory "hot dogs" and to tell tales of ghosts and adventure.

The Fleishacker playfield, surrounded by trees and near enough to the beach so that the resounding roar of the breakers can be heard is an ideal site for the Y. W. C. A. nocturnal party.

Miss Sumi Yamamoto, secretary of the Japanese Y. W. C. A. will be in charge of the affair. The chaperones will be Dr. M. S. Fujita and Mrs. D. S. Yamakawa.

This leaves only seven more tickets!

—Junior—
And there are two days more. We certainly hope we'll be able to obtain a few more tickets from the Orpheum for our show because we are certain many more than 50 members and friends of the Junior Club will send in letters Sunday and Monday morning.

—Junior—
As we've already said, the show begins at 1 o'clock Monday afternoon, but all those who wish to go must be in front of The Japanese American News Building, 659 Ellis st., (between Larkin and Hyde), by 12:30 o'clock. Two responsible persons will take you to the Orpheum.

—Junior—
And don't forget, this is all ABSOLUTELY FREE. We know you'll all have a wonderful time and we hope some of you will write in after the show to let members of the Club outside of San Francisco who aren't able to attend the performance, know how you like it.

THE ROMANCE OF JAPAN

Through the Ages

By JAMES A. B. SCHERRER

An Interpretative Outline of the Story of Japan from the Introduction of Buddhism in 552 A. D. to the Passage of the Manhood Suffrage Act in 1925.

(Continued from yesterday)
Japan must be assigned to him.

MEANWHILE Hideyoshi erected three of the most famous structures ever seen in Japan: one, for security, his castle at Osaka; another, for luxury, his vast "Palace of Pleasure" on the top of Peach-tree Hill, near Kyoto; and, for sheer vanity, a huge Dai-Butsu in the heart of the capital, so as to outdo, if he could, those of the Emperor Shomu at Nara and of the first Shogun, Yoritomo, at Kamakura.

Osaka, the site of Hideyoshi's castle, dominated all the main approaches to Kyoto, and also its food supply. It was therefore suited to both defense and offense. And by being outside the capital, it gave Hideyoshi the same sort of free and independent standing that Yoritomo had enjoyed at Kamakura.
