LOS ANGELES YWCA GIRLS WIN AWARDS

Receive Awards for Efficiency in First Aid

LOS ANGELES, Dec. 15—(Special)—For what is reported to be the first time for Japanese girls of this section, 14 Y. W. C. A. members and their friends were awarded the American Red Cross first aid certificates Thursday at the local "Y".

The presentation exercise was attended by a host of "Y" friends, head of the Los Angeles chapter of the A. R. C., and officials of the Japanese Association, the Japanese Physicians' Society, and the Y. W. C. A.

These local girls who won the first aid certificates will be given the advanced certificates upon completing another course next year. Japanese in other cities who have been awarded such certificates from Washington are members of the First Aid and Life Saving Corps of the Showa Club of San Francisco whose captain has been working in the capacity of the examiner for the San Francisco chapter for the

U. S. Will Invite 20 Japan Business Men Next Summer

TOKYO, Dec. 15—Mr. Frank H. Lamb, President of the Federation of Chamber of Commerce in Washington, who attended the Rotary Club's meeting held recently in Tokyo, is planning to invite some 20 Japanese leading business men to this country to change views about finance and commerce for the purpose of bringing Japan and the United States closer together. It is reported that the officials in Washington will support this plan.

The Japanese business men invited will spend about one month in the United States, and while staying there they will be shown the commercial and industrial institutions, and also introduced to the real state of the markets of various lines.

August or September of next year will be selected as the time for invitation.

The girls who received the coveted certificates are Misses Tsune Yasunishi, Shizu Hamamoto, Roki Hiraga, Tsuya Hoshizaki, Koshina, Inouye, Sumi Kurakane, Yuki Minakawa, Fumi Okubo, Haru Saito, Chiyoko Sashihara, Kiri, Tsumori, Kiko Sugiyama, Ichi Taniguchi, Tsune Okazaki.

ALAMEDA, Dec. 15—(Special)—At what is considered to be one of the most brilliant commencement exercises ever held, seven Japanese students were graduated from the Alameda High school Thursday night.

Stockton Temple Fives Vanquish Capital Cagers

STOCKTON, Dec. 15—(Special)—Holding the opponents to a low score by careful guarding, the Stockton Y. M. B. A. defeated the invading Sacramento Wakaba basketball team 27-13 Sunday.

In the preliminary game the Busy Bee Club walked away from the Sacramento Reijo Kwai, and at no

Nichi-Bei Club Holds Semi-Annual "Good Will" Dinner at Sho Wa Low; Impressive Talks Feature Program

Former Sac'to Man Is Graduated From Moody Bible Inst.

SACRAMENTO, Dec. 15—(Special)—James Yasuharu Asuga, former superintendent of local Japanese M. E. Church Sunday school, sent announcement of his graduation from Moody Bible Institute in Chicago on Dec. 20, to his relatives and friends in Sacramento recently. Osuga is planning to matriculate with Drew Seminary where he will take up a graduate work for a year, his brother said. It is hoped by his friends here that he will return to the coast and assume his ministerial work among the Japanese people.

He came to America about fifteen years ago. He was converted to a Christian after attending one evangelical meeting nearly ten years ago in Sacramento. It was when he was working as a day worker in the country. Osuga's brothers, five in all, are engaged in cleaning and dying business in Sacramento.

The main speech of the evening was given by George Lorbeer, who talked on "Why I Am to Go to Japan," in which he discussed various problems of the Pacific in a form of debate against Misses Helen Lavelle and Evelyn Gastafson. The other entertainments were the vocal solos by W. J. Aoki and T. Murayama and piano selections by Miss Lucille Kepplinger.

Strengthening the bond of international friendship the semi-annual good will supper of the Nichi-Bei Club of the Lowell High School was held Thursday night at Sho Wa Low. The supper which was attended by members of the club, and students of the Pacific problems class, was for the purpose of initiating the new officers and to exchange the words of good will over the tea cups.

Following the dinner at the Sho Wa Low the members and guests met at the Japanese Y. M. C. A. on Sutter street, where they enjoyed a program which was featured by speeches on the Orient.

Misses Nahma Hoag, Lois Porter and John Anderson, founders of the club, gave talks in fluent Japanese. Especially remarkable were the feat of the two young girls who spoke with little "foreign accent," the strange language they have started to learn but a few months ago.

PARENTS GIVE TALKS Mrs. S. Fujita and Rev. Mr. H. G. Porter congratulated the members of the club and Mr. G. C. Lorbeer, faculty advisor of the organization for the work they have accomplished. Rev. Porter also gave an inspiring talk on friendship.

K. Nakashima of the Japanese consulate, Sam Tannenbaum and Curt Zimansky also gave impressive speeches.

The members of the club have won several practice games, including their victorious tilts against the local H-Y boys. The Taiyos will invade Sam Jose on Dec. 22 and will contend with the Nitto Club five in both the unlimited and lightweight classes, and the present indications point to easy wins over the Garden city Wildcats.

CHALLENGE OTHER CLUBS Gerald Kobayashi manager of the basketball teams, is looking for games with other organizations in either the light weight or the heavier class, and wishes to receive challenges at the Taiyo Club headquarters, 109 Lake Street, Salinas.

THE TAIYO TEAMS The members of the varsity are Gerald Kobayashi, "Hop" Fujino, "Tex" Shirachi, John Urabe, George Nagano, Fred Yamamoto, Ted Tanda, James Tanda, Nomo "Runt" Imal, T. Shintaku.

The members of the lightweight are: Pep Nagano, Sheik Urabe, Gary Sugarawa, Bob Shintaku, Jack Yamamoto, Frank Iwami, Joe Sasaki, Charles Onoye, Thomas Fujino.

Here are best wishes for their happy birthdays.

Kameto Tsurumoto of Gilroy had his birthday on December 13, but his name didn't appear on the Junior section through some mistake. Well, we know he had a nice birthday anyway. He is 13 years old now.

Here is one of the jokes Kameto sent in: Junior—Teacher: Willie, use triangle in a sentence. Willie: If the fish don't bite try angle (triangle) worm on the hook. Junior—That was a nice joke Kameto. Write us oftener in the future.

Hatsuye Kumagae To Head New Riverside Girls' Organization

SACRAMENTO, Dec. 15—(Special)—Miss Hatsuye Kumagae was elected president of a newly organized Riverside Girls' Club at an election recently held.

The purpose of the new club is to foster close friendship among the Japanese people of Sacramento. The other officers elected are: Doris Morikawa, vice president; Masako Ishida, secretary; Marjorie Higawara, treasurer and Ayako Kawae, sergeant-at-arms.

RODEO CITY BOYS FORM SPORT BODY

Taiyo Club Is Name Of New Salinas Organization

SALINAS, Dec. 15—(Special)—Closely patterned after the Showa Club of San Francisco and looming as a real rival of the San Francisco organization, Taiyo Club of Salinas was recently organized to take part in all sports and social activities for the boys of sixteen years and up.

ELECTION OF OFFICERS John Urabe, well known basketball player, was elected president of the club, while Dr. Harry Y. Kita former football coach of the Showa Club, was elected vice president.

The other officers installed are: secretary, Thomas Fujino; treasurer, George Shirachi; custodian, James Fujino, and directors Harry Shirachi and George Nagano.

BANQUET PLANNED The newly elected officers are planning a big "blowout," to be given as an inauguration feature of the new club. Thirty leading athletes of the district are charter members. The club intends to participate in all branches of sports.

TWO BASKETBALL TEAMS The Taiyo Club has organized two cage teams, which are being coached by Cotty Keltner, former All-State forward and captain of the Dinuba High School team that won the State championship.

Since their organization, the teams have won several practice games, including their victorious tilts against the local H-Y boys. The Taiyos will invade Sam Jose on Dec. 22 and will contend with the Nitto Club five in both the unlimited and lightweight classes, and the present indications point to easy wins over the Garden city Wildcats.

Hymns To Feature Christmas Carol Devotional

Epworthians of the Japanese Methodist Church will hold Christmas Carol Worship Service Sunday night at the Church on Pine street from 7:30 o'clock.

The theme of the meeting will be "That Glorious Song of Old" or Christmas Carol and Christmas Hymns. Miss Yuki Kuwahara will take charge of the meeting. The Sunday School teachers of the Methodist Church will also hold a special meeting at 11 o'clock following the morning services in preparation for the Christmas service.

Florin YMBA Scores Win From Lilloco In One-Sided Game

FLORIN, Dec. 15—(Special)—The Florin Y. M. B. A. cage squad of the local temple, downed the strong Lilloco Builders quintet last Tuesday, in a lopsided fracas held at the Elk Grove Union High School gym.

Although the American team outweighed the Samurai, by 35 pounds per man, "the little Brown men" succeeded in carrying the game to a 36-21 victory.

John Shintaku and Mac Kurima, who starred in last week's game were again outstanding while Thomas Lilloco was high point winner for the Builders.

The donor of the prize, who wishes to remain unknown, intended this project will further the existing happy relations with Japan. The winner of the prize may use it for purposes of study in any American institution of higher education or for personal travel and observation.

The bulletin of the institute contains the following details of the contest:

WILL BE TRANSLATED A small committee of prominent educators and men of affairs in Japan will have charge of the competition. The Committee will receive, no doubt, the many essays of contestants which will be written in Japanese. By successive eliminations the committee will reduce the number of contesting essays to three. These three will be translated into English and sent to the Institute, arranged in the order of merit.

An American committee, composed of John Bassett Moore, Paul Monroe, James T. Shotwell, William Kilpatrick, and Stephen P. Dugan, will select the winner from among those three. The essay will be returned to him for such revision as he may think wise after his year's stay in the United States. Upon his departure it will be published.

THE BEST MIND CHALLENGED "By means of this prize it is hoped that United States may be undertaken by some of the best minds of Japan. The administration of the prize has been placed entirely in the hands of the Japanese so that a thoroughly objective and critical study may be made regardless of the sensibilities of Americans. If the experiment is successful, the donor has indicated his willingness to extend it in the future years to other countries. There might thereby result a worth-while collection of estimates of American ideas and institutions from the pens of thoughtful scholars living in all parts of the world."

CO-RESPONSIBILITY "We are seeking to develop a program of co-responsibility with regard to a Pacific regional community and a Pacific highway—to aid in internationalizing the Pacific. The Pacific Ocean is perhaps the largest, the most varied and the most important oceanic area in the world, with the utmost diversity of climate, culture, economic growth, social and political life, and religious outlook. And we believe it is well-launched on a period of rapid change."

SONG BIRD OPENS XMAS DAY PAGEANT

Miss Chiyo Muraoka Gives Keynote Song

SACRAMENTO, Dec. 15—(Special)—Miss Stella Chiyo Muraoka, senior at high school, sang a keynote song to open the Christmas pageant program of the International Club last night at the David Lubin Grammar School.

The pageant, in seven episodes, depicted the origin of American custom of celebrating Christmas. It opened with Spanish, then Italian, in which Miss Muraoka appeared as soloist; then, England, France, Scandinavian, and American. At the close of the last scene Santa Claus, in his usual paraphernalia, including big Santa smiles, appeared and made members of the International Club extremely happy with his abundant presents.

The International Club was recently organized in the local high school by those who are interested in studying the cultural development of all nations in the world.
