HUGE PICNIC ON APRIL 28 IS S. F. PLAN

Japanese Association Gets Co-operation Of Local Bodies

With the air turning balmy in San Francisco and unmistakable signs of spring stealing into the parks around the uptown Japanese community, the attention of the Japanese residents are turned once more to outdoor and prospects of holding a mammoth picnic and field day here.

ALL SET FOR THEIR VOTE!

698 Osaka Women Are Ready For First Election

The Women of Osaka, Japan, will be given an opportunity to prove what they can do in matters of elections, when 698 business women are called on to exercise their suffrage rights in the election of the members of the Chamber of Commerce and Industry on March 17, this year.

FIRST OF ITS KIND

The coming election will be the first of its kind after the new law governing the chambers of commerce and industry is enforced. One of the features of the election is that the number of the membership was reduced to 50. Another is that the necessary qualifications of the voters were made easier with reference to the \$50 of business profit tax and other matters.

MIKADO WILL VISIT OSAKA MAY 24 TO 26

H. M. the Emperor will visit the City of Osaka for three days, May 24-26. This is the first visit to Osaka by His Majesty since ascension to the Throne.

The Emperor will travel on board a warship, both ways, going aboard at Yokosuka, and will visit Oshima and Hachijojima Islands on the way. His Majesty had visited Osaka in 1925 when he was the Crown Prince, but not since then.

Nippon Warships To Be Equipped With Aeroplanes

KURE, Japan—Beginning this year, the Imperial Navy will effect the system of providing aeroplanes on warcraft larger than cruisers. On board such a warship, there will be an Air Force Master who will supervise all about the aeroplanes; under him there will be a Chief Flyer who will attend to the actual flying and a Chief Mechanic who will look after the mechanical side of the aeroplanes.

MICHIGAN TO INVADE JAPAN

Eastern Champs Plan Tour At Invitation for Meiji Varsity

TOKYO—Plans for inviting the University of Michigan nine, title winners last year of the intercollegiate loop in the middle-west, to Japan for a series of ball games, have steadily advanced to a point where the American university team is awaiting the formal sanction of the Associated Students of that school, in their March conference. According to the advice received in Tokyo from Ann Arbor, Mich., recently, the invitation has for some time been extended by the baseball team of Meiji University who are to leave on March 15 for a tour through the United States and Europe.

MICHIGAN ENTHUSIASTIC

It appears that the invitation has been received at Ann Arbor with a great deal of enthusiasm, inasmuch as the Michiganians have never visited these shores, and inasmuch as that team has for some time in the past been coached by "Pat" Page, crack southpaw on the 1910 University of Chicago team, who carried Japan by storm in that year.

The present coach, Fisher, has proved a remarkable successor to Page, since he accomplished what was regarded as a colossal task by beating Carl Lundgren's Illinois nine last fall.

U. C. DEAN TO ATTEND TOKIO WORLD PARLEY

BERKELEY, Cal., Mar. 9.—(UP)—Dean Frank H. Probert of the college of mining at the University of California has been invited to be present and participate in the World Engineering Congress to be held at Tokyo in October, 1929, under the auspices of the Kogakukai.

FOUR MEN SELECTED

The American Committee of the Congress has selected four outstanding engineers to represent the mineral industry and present papers at the technical sessions. These include Dr. George Otis Smith of Washington, D. C., Director of the U. S. Geological Survey and President of the American Institute of Mining and Metallurgical Engineers, who will discuss the solid fuels; Mark L. Requa of San Francisco, United States Fuel Administrator during the war, presenting the sub-

STAGE IS SET FOR FRESNO YOUTH MEET

Christian Parley To Convene March 16 For Two Days

FRESNO, Mar. 9.—(Special)—Closely following the Bay Region Conference now in session in San Francisco, the Fresno Sectional Conference of Young Christian People will be held on March 16-17 at the local Japanese churches. The session will be staged at the M. E. Church and the Sunday parley at the Congregational Church.

SPEAKERS

Miss Lily Ota, chairman of reception, will welcome the delegates, while greetings will be extended by Miss Misao Matsuyama, chairman of the Fresno Sectional Conference. The speakers are the Rev. Messrs. Nara, G. C. Emmons, J. E. Vandagriff, E. A. Fridell, C. A. King, and Mr. Shigeru Saito, chairman of the Bay Region Council.

A banquet, one of the features of the conference, will be held at the Hospitality Center of the Y. W. C. A. on Saturday. Installation of officers will take place on Sunday afternoon following the mass meeting which starts at two o'clock.

DENVER JSCA WILL LAUNCH MONEY DRIVE

DENVER, Colo., March 9.—(Special)—Mrs. G. Nakamura, formerly Mary Aso of San Francisco, recently gave a "sukiyaki" supper. Those who were invited were Miss Beatrice Kaihara, Amy Otsuki, Phoenix Otsuki, Ishi Tani, Rose Tani, and Haruko Terasaki.

The meeting of the J. S. C. A. was held on Friday evening, March 1, at 7:30, at the home of Dr. and Mrs. Genta Nakamura.

The annual financial drive was one of the things discussed. After the business meeting, R. Tokunaga spoke on "Life Abundant."

'THE MUDHEN' BULLETIN OF ALAMEDA CLUB

ALAMEDA, Mar. 9.—(Special)—"The Mudhen" official organ of the Alameda Japanese Student Club, came out in a mimeographed form Friday.

The large paper is edited by Teichi Hitomi and published by John Yoshino. The other members of the staff are: Togo Hitomi, G. Yoshino, reporters; Robert Iwataki, social news writer; Alfred Takata, staff artist and George Rukutani, technician.

A copy will be sent to some of the leading organizations in the near future.

ject of petroleum from a world viewpoint; Dr. C. K. Leith of Madison, Wisconsin, Mineral Advisor to the American Commission to Negotiate Peace, whose assigned topic is The Iron and Steel Industry, and Frank H. Probert, Advisory Engineer United States Bureau of Mines, member Mining Commission to France to confer with French and Belgian officials on the rehabilitation of the devastated mines, and Dean of the College of Mining at California, on Utopian Treatment of Non-ferrous Metals.

The congress convenes Oct. 25th, closing two weeks later. It is under the patronage of His Imperial Highness Prince Yasuhito of Chichibu, His Excellency the Prime Minister of Japan, and the Japanese Government.

Central Calif. Sponsors Three All-Day Picnics

FRESNO, March 9.—(Special)—Three big picnics will be held in this district on Sunday, March 17th, if the weather is favorable. At Kingsburg the Japanese Community will enjoy a mammoth "yayukai" which will be sponsored by the language school there, while Visalia and Selma will also hold field days, under the auspices of the gauds of respective towns.

FOWLER, Mar. 9.—(Special)—The annual community outing will be sponsored by the local Y. M. C. A. on Sunday, March 17. Further announcements will be made later by the committee in charge of the program.

KICK SLAYS GILROY MAN

Farmer Dies From Injuries Sustained From Horse

WATSONVILLE, Mar. 9.—(Special)—Jiro Sakurai, 54-year-old farmer of Gilroy, died Friday at 10:00 o'clock a. m. as a result of injury received by a kick from a frightened horse.

Sakurai was working on the farm when he received the fatal blow on Wednesday. He was immediately sent to a San Jose hospital where he died Friday.

Nippon Oyster Bring Big Profit To American City

BELLINGHAM, Wash., March 9.—Harvest of Japanese oysters here is under way, the product bringing a profit of \$500 per day. Commercial success in growing Japanese oysters results from bringing the seed from Japan and planting it in specially dyked flats. The Japanese oysters grow as much in three months as an Eastern oyster in four years.

BASEBALL MOST POPULAR IN JAPAN, REPORT SHOWS

Baseball, according to a recent investigation made by the Athletic Bureau of the Japanese Department of Education, is by far the most popular sport in the 92 colleges and higher schools, including the higher normal schools, of the National Higher School and Collegiate Athletic Union. The Athletic Union reports that during 1928, 4,035 of its 24,624 members engaged in various athletic activities, were devotees of the American national pastime.

WINTER SPORTS POPULAR

Although in the report published by the Department of Education there are not all figures given for winter sports, including skating, skiing, ice hockey and mountaineering, these sports are becoming popular among the higher schools and colleges with remarkable rapidity. Several national tournaments are held every winter in each game. The fact that Prince Chichibu and his brother Prince Takamatsu are two of the most enthusiastic skiers in this country has something to do with the popularization of skiing among the students.

SWIMMING CLAIMS FEW

A strange fact about swimming or aquatic sports as it is officially called in this country, is the relatively small number of students engaged in it, in spite of the prominent position that Japanese swimmers occupy in the world. Last year out of 24,624 athletes of the Union only 917 were engaged in swimming.

Ping-pong, an indoor sport, which is of comparatively recent origin as

Stockton's YMBA, Busy Bee Planning Basketball Party

STOCKTON, Mar. 9.—(Special)—In celebration of a successful basketball season just about to be closed, the Busy Bee Club and the Y. M. B. A. will hold a joint party on Friday, March 22, it was announced by Robert Kitahara, unanimously elected social chairman of the Buddhist organization.

The Stockton Y. M. B. A. will send a large delegation to the coming State Young Buddhist conference, which takes place in Fresno on March 30-31. Those selected to attend from the local organization are: Henry Takemori, Frank Mirikitani, Walter Futamachi, Edward Yoshimoto, Ge. Tsurumoto, Edward Ito and Tad Miyata.

CHINA WANTS NIPPON PACT

So Thinks Premier As Parliament Passes Budget Bill

TOKYO, Mar. 9.—(Special)—Following a special meeting of the Foreign Department today under the leadership of Foreign Minister Tanaka, the Japanese statesman expressed great hopes for an early settlement of the outstanding Sino-Japanese problems and the concluding of a satisfactory treaty between the two countries.

The passage of the budget bill by the Japanese Diet, Mori believes, has an important bearing upon the treaty negotiations. With the Tanaka Cabinet certain to remain in power for an indefinite period as testified by the confidence it received from the Diet through the budget measure, China will no longer play for time and Minsaito sympathy.

The Nationalist government is badly in need of revenue. Delay in reaching an accord with Japan, which means corresponding delay in bringing about a revival of trade with this country, merely spells the deplorable fact that China cannot get the much needed revenue from tariff. Recognizing this fundamental principle of economics, the Nationalist regime at Nanking will attempt to break the deadlock as soon as possible and conclude a treaty with Japan, it is the belief of Tanaka.

PLAYS WILL FEATURE 'Y' DOLL'S FETE

Echoes Join In YW Festival Sunday Afternoon

Two plays in two different tongues, which have been dramatized by the players themselves, will be presented this afternoon by the Baby Echoes at their annual celebration of the Japanese Doll Festival.

Members of the Baby Echo will also present three beautiful Japanese dances. Refreshments for the occasion, consisting of either "Sakuramochi" or "Yomogi-mochi," will be served to the guests.

The plays and dances have been coached by Miss Lily Hata, advisor of the Baby Echoes, and by Miss Maki Ichiyasu.

OUR JUNIOR SECTION

BIRTHDAYS

March 10 Misae Mirahara, Dorothy Hashimoto, San Jose, Calif.; Tadashi Tomihiro, Sacramento, Calif.

March 11 Hatsuye Kumagi, Sacramento. Here is a nice letter from Kimi Okamura of Poastello, Idaho:

Dear Junior Editor: As I was looking over an old Japanese American News I noticed that Shizu T. was of the same age as I am, and her birthday came on the same day as mine. I would like to know her last name so that I may write to her.

I received a nice valentine from Yoshiko Shiozaki. I have a girl friend named Glens Ferry, Idaho, that would like to join the J. A. J. C. Her name is Ida Haruko Yamaoka.

The girl you refer to in your letter is Shizu Tsubakimoto, who lives at P. O. Box 363 Redwood City, California. Both you and Shizu are eleven years old, and both birthdays fall on October 28. Ida Haruko Yamaoka is not a member yet, but her sister Ferry Akko is a member. Tell Ida to join by writing us her age and birthday and address.

Sakiko Elsie Motooka, who lives at 854 Spring Street, San Jose, California, says:

Dear Junior Editor: I am your old member and did not have any time to write to my own club. Please tell me how to write a letter to me. I did not receive a single letter from my friends during this month; so please do that favor for me.

We hope our Juniors will do just what you want them to do, Sakiko, and receive many letters.

of champions who will be able to stand up better against the Norwegian, Finnish and Swiss competitors in the next winter Olympics. The action of the National Ski Union in inviting three Norwegian skiers is part of its scheme to elevate the standard of skiing in Japan.

BOXING AND FOOTBALL

Boxing, horsemanship and rifle shooting are still in their infancy. As for American football, it still remains to be introduced to this country. When it is, there is little doubt that it will spread like wild fire. Its introduction, like baseball, will establish another excellent medium of competition with the United States. The report of the Department of Education follows:

Table with 2 columns: Sports and Students. Lists various sports and their student counts.

Japanese Program To Be Broadcast Shortly at Geneva

TOKYO, Mar. 9.—(Special)—Amateur radio fans and commercial stations here are paying much attention to the announcement that the League of Nations will broadcast a Japanese program on March 13, at 10:10 a. m. Tokyo time, through the station PCLL, wave length of 18.4 meter. The program will continue for 30 minutes.

CAMP GIRLS, 'Y' TEAM WIN

Local Fair Hoopsters Shine In Two One-sided Games

Community House basketball pavilion was the scene of the sixth round of the newly organized Bay Region Girls league Friday night, from which the undefeated Chesk-chammy Camp Fire Girls and the Y. W. C. A. emerged victorious by a fair margin.

The opening game between the Buddhist girls and the Echo sextette proved to be a one-sided affair. The fair hoopsters of the Y. W. C. A. just had everything their own way, and reserve strength were used in the latter part of the fracas to register a 33-2 score.

LACKS TEAM WORK

The Lotus girls had plenty of material in Leslie Stuenkel and Kimiko Matsumura, but the lack of teamwork was apparent throughout the entire game.

The stars of this game were the two forwards of the Echoes, Mary Tsujisaka who rung in 25 digits and Shizu Goto credited with 3 points in short period she was in the game. In the center position, both Nao Oka and Kaoru Miura exhibited some fast floorwork in passing and receiving the ball from their equally strong guards, Maki Ichiyasu and Michi Nishimoto. For the Lotus girls, Kimi Matsumura was the only shooter with 2 points. Chizu Ichiyasu also played wonderful game for the winner with 5 points.

CAMP FIRE VS. HOSSI-NO-HANA

The final game between the Camp Fire Girls and the Berkeley Hoshi-no-Hana proved to be very exciting in the opening with both team exchanging the lead. However, from the end of second quarter Tsuny Kinoshita replaced one of the forwards and strengthened the team considerably. Her teammate, Kimi Uyeda, star of stars, was the high pointer with 28 basket, while Tsuny Kinoshita added 8 more fast shots. Both Kimi Usami and Michi Nishida displayed some skillful floorwork, while Hisaye and Tazu Nakagawa showed their usual heavy guarding through which the opponents experienced difficulty in scoring.

TOE FUJII STARS

For the Hoshi-no-Hana, Toe Fujii led with 11 digits, while both Chiyeo Kasai and Mary Harano added 6 more baskets. My Imamura and Tommy Kasai showed some class with their shifty floorwork in their center berth. Yone Kambara and Shizu Negishi played well their guard positions. The final score was 34 to 17 with the Camp Fire Girls winning their sixth glorious victories.

BIG SUM FOR NIPPON TANK

TOKYO—The campaign to raise funds for the construction of huge diving and swimming pools both indoor and outdoor, behind the Meiji Jingu Art Museum in the Outer Garden of the Meiji Shrine, was launched by the campaign committees chosen for the task by the Japan Aquatic Sports Union, and the National Students Aquatic Sports Union, and the Japan Yacht Kennel. The approval of the Meiji Shrine authorities for the establishment of the swimming tank was obtained last year.

Financiers, business men, companies and public organizations are now being solicited for contributions. The committee in charge of the building of the pool estimates that ¥700,000 will be required to complete the three units of the aquatic pool, the outdoor diving and swimming tanks, and the indoor tank which is to be constructed under the grandstand capable of seating 15,000 persons.

INDOOR TANK FOR WOMEN

The committee hopes to have at least the outdoor swimming pool constructed by this summer. The tank is to be 20 metres wide and 50 metres in length. The diving tank, which is to be constructed close to the swimming pool, will be built as soon as enough funds have been obtained. The indoor pool is to be 10 metres wide and 25 metres long and is to be used by women when no competitions are being held.

REV. HUNTER INSPIRING AT BAY PARLEY

Christian Conference Opens With Service At Local Church

Their spirits undampened by the melancholy sky that cast a gloom over the city, more than 200 young Japanese Christians of the Bay cities who gathered here Saturday for the annual conference put their whole resources to the task of putting a finer and nobler vision in the hearts of the young people.

The carefully prepared program, completed with much effort through a month of earnest efforts by the Christian leaders, worked in harmony with their accepted theme, "More Like the Master."

MISS KUWAHARA LEADS

At two o'clock in the afternoon, in the spacious and impressive chapel of the Reformed Church on Post street, the conference got under way with a solemn devotional, under the leadership of Miss Yuki Kuwahara, young people's religious director of the local Japanese Methodist Church.

Four young people, with their vision and ardor of youth, next delivered their hopes of what the conference may achieve. These greetings were given by Miss Yone Hirano, Francis Hayashi, Heishi Takano, and Shigeru Saito. The Rev. Y. Tsuda also delivered a welcome to the delegates.

DR. HUNTER MAIN SPEAKER

The main address was delivered by Rev. Stanley Hunter, pastor of the St. John's Presbyterian Church. Group discussion, business meeting, banquet and an address by the Rev. Newton E. Moats of this city concluded the program of the day.

The Sunday's program follows: 2:30—Address: "More Like the Master—In Love for Others." Rev. Lloyd R. Carrick, St. John's Presb. Church, San Francisco. 4:00—Conference Picture. 4:30—Interest Groups: International Relations—Dr. Guy Sunday School Problems—Mr. C. Duncan Our Relation to Our Church—Rev. Frank Herron Smith Social Com. Works in Church and Societies—Mrs. E. V. Du Vols 6:00—Supper. 7:00—Address—Commnd. G. Yamamuro of the Salvation Army of Japan. 7:45—Son Service. 8:15—Mass Meeting—Chairman Mr. Haruo Imura Speakers: Mr. Henry Takahashi, Mr. Kenzo Yoshida, Rev. Nobunoda Oda of Berkeley. Installation of new officers—Rev. Sohei Kovata.

JAPAN TRADE WITH SOVIET ON INCREASE

MOSCOW—The Commercial and Industrial Gazette, in an article on the fourth anniversary of the Japan-Soviet agreement, lays emphasis on the fact that Soviet-Japanese trade, though not big is still three times higher than before the war.

Japanese revenues from fishing, concessions and freights, it says, more than offsets her unfavorable trade balance.

Referring to the statement made by Mr. Nakahashi in the summer of 1928 with regard to the advantages that would accrue for both from the development of commercial relations between the USSR and Japan, the newspaper expresses the hope that the conclusion of a trade agreement will regulate and stabilize commercial relations and strengthen the economic connections between the two countries.

Best Instrument Produces a Holy Melody

There are many kinds of Harmonicas, yet, there is only one which can be recommended with the strictest confidence, one which has been specially arranged by MR. WATANUKI.
