# 農業と経済

## 本年の加州農業(八)

### 在日會發表

加州の農業は、今年も例年並みの収穫を挙げ、輸出も増加している。特に小麦、果物、野菜の生産量は、前年を上回っている。これは、天候が比較的安定であったこと、および農家の生産意欲が旺盛であったことによる。輸出市場は、特に日本、中国、東南アジアの需要が伸びている。これは、これらの国々の経済成長と人口増加によるものである。加州の農業は、今後も安定した成長を遂げることが期待される。

## 東部市況

東部市況は、引き続き安定している。主要な穀物の価格は、市場需給に応じて変動している。小麦の価格は、輸出需要の増加により堅調に推移している。一方で、大豆の価格は、国内供給の増加によりやや下落している。果物や野菜の価格は、収穫量の増加により安値圏に推移している。全体的に、東部市場は安定した動きを示している。

## 桑港市況

桑港市況は、繊維業を中心に安定している。生糸の生産量は、前年とほぼ同等である。しかし、輸出市場の需要が伸びているため、価格は堅調に推移している。一方で、織物業界は、国内需要の減少により苦戦している。繊維業界は、今後の市場動向を注視しながら、生産調整を行っている。

## 蒼白き薔薇

心の中は、蒼白き薔薇の如く。静かに咲き、静かに散る。その美しさは、言葉に表すことができない。それは、人生の儚さ、愛の痛み、そして希望の光を象徴している。中村武羅夫の詩は、読者の心に深く響き、心を揺さぶる。

## 野菜相場

野菜相場は、市場需給に応じて変動している。アスパラガス、ピーマン、ナスなどの価格は、比較的安定している。一方で、トマトの価格は、収穫量の増加により下落している。野菜市場は、引き続き安定した動きを示している。

## Envoy Speaks On Emigrants At N. Y. Dinner

### Unwelcomed Settlers Discouraged Says K. Debuchi

NEW YORK—Japan does not desire to send emigrants to any country that does not welcome them. This was the crux of the address delivered by Katsujir Debuchi, Japanese Ambassador to Washington, before members of the Association of Foreign Press Correspondents on the evening of February 23 at the Hotel Madison.

The Ambassador explained frankly Japan's position with a large and growing population, devoid of natural resources and her strategic and geographical position. He continued, "A hand-to-mouth existence is an unsatisfactory existence. The nations, like individuals, demand comfort and self-improvement. At the bottom, our problem of national existence and comfort lies in our population question, which she is unable to solve by sending her emigrants abroad. We have no desire to send emigrants to any country where they are not welcomed. We believe that our population problem can be alleviated if not entirely solved by promoting commerce and industry."

### COMMERCIAL RELATIONS

"With the aid of advanced science we can attain a high state of industry and trade, thus increasing the national wealth, which means that we must obtain more raw material from abroad, selling more goods to foreign countries. The only way to do this is to maintain and cultivate friendly relations with foreign countries.

The appointment would be contingent on the promotion of John V. MacMurray, now in Peking, to the embassy at Tokyo, which is reported to be President Hoover's program.

### AMICABLE RELATIONS

"With the aid of advanced science we can attain a high state of industry and trade, thus increasing the national wealth, which means that we must obtain more raw material from abroad, selling more goods to foreign countries. The only way to do this is to maintain and cultivate friendly relations with foreign countries.

### MELODIES ARE POPULAR

The cherry, symbol of the Samurai, and Galli Curci, exponent of Occidental art—this is the rare treat in store of Japan's artistic world when the noted prima donna, now in Manila, steps on the Japanese soil next month for a month's concert tour of this country.

### JAZZ O. K. FOR DANCE

On the subject of jazz, Galli Curci declared that she likes it in dance halls but not as a stage music. On the Oriental tinctures in Occidental music, such as is being introduced by Madame Tamaki Miura, she noted that it is being well received in the United States.

### CAMP GIRLS DEFEAT OSD

### SEPARATION: STORY BY K. HIROTSU

Translation from Work of Japan's Eminent Writer

(Continued from yesterday)

"Why not separate?" These words fell from her lips one day. They startled her and him as well. Both thought that the unexpected was given out. But after the utterances had been made, they seemed to point out a way out of the dumb-founded confusion. "Why not separate?" These words were uttered once in three days, an often once in two days and finally every time whenever they discussed their love. And whenever these words were skin, the couple seemed to become insane, accusing each other of unfaithfulness. They reached the stage where either of the two must speak these words once in a while.

Yesterday too, Nobuyuki said: "If we continue this state of affairs, we know where we are going, don't we?" "Yes," she rejoined. "You are right. There is no other way."

He did not say anything. He felt that he should be very cautious in saying anything.
