San Franciscans Get Shut-Out In Tilt With Salinas

Special to The Japanese American News

SALINAS, May 21—The place of bright skies and warm breezes, an overcast sky with a cold north-west wind greeted hundreds of Sunday school children and their parents at the annual outing of the local M. E. church, south, which was held last Sunday at the foot of the Thirty-fifth Ave. hills, Oakland.

The weather was far from being suitable, but even that could not restrain the dash and spirit of these youngsters, as they frolicked and scampered about the hillsides.

As early as eight o'clock in the morning hundreds of Sunday school girls and boys were gathered in front of the church ready to be transported by truck loads to their destination.

By 10:30 o'clock every youngster was at the field, and they all joined in a special Sunday school service, which was conducted under the leadership of James Hanamura.

An interesting and instructive story was told by T. Miki, former active superintendent of Sunday school.

No time found everyone heartily consuming their or her favorite dishes, such as osushi, maki-zushi, sandwiches, onishime, etc.

Shizuto Kawamura won the feature race, a quarter mile, when he finished ahead of Henry Yamamoto and Taiizo Imura, second, and third place winners respectively.

In the "ichin-in-kyaku" race Taiizo Imura was returned winner while in the "ni-nin-san kyaku" Shizuto Kawamura and Alfred Takata came in first.

Henry Yamamoto romped away with a first prize when he emerged victorious in the do-not eating contest.

A baseball game and a tug-a-war completed the day's fun, and every body returned home satisfied in spite of the adverse weather condition.

The game was carded at Salinas, and its

Showa Track Team Wins Tourney From Humboldt Athletes

Special to The Japanese American News

SHANGHAI, May 20—Despite the rumors that the transfer of the remains of the late Dr. Sun Yat-sen will be postponed owing to the unsettled situation in China from internal military revolts, the Nationalist government decided at a conference Sunday to conduct the ceremony in accordance with the schedule. The rites will be conducted in Nanking on June 1 after the body has been removed to that city from Peiping, China's old capital.

Rain kept away many of the high school stars, who took it for granted that the meet would be postponed. Showmans were also threatened on account of divided strength. The game will probably be played over if the schedule does not conflict with the program of both teams.
