## FIGHT IS ON TO PUT BAN ON MEXICANS

Restriction Is Also  
Proposed On Fili-  
pino Migration

From the Berkeley Gazette  
SACRAMENTO, June 24—California  
is once more leading an offensive  
against invading hosts of cheap  
labor—for the third time in history.

The first drive was directed  
against the Chinese in 1882. The  
second barred the doors of America  
against Japanese laborers in 1924. Today California is attempting to  
restrict toilers of two other races—the  
Philippines and the Mexican.

Along with this latest campaign  
is the beginning of an effort to  
tighten lines along the Southern  
border against the smuggling of  
Orionals from Mexico. Chinese and  
Japanese are said to be pouring  
across the border at an alarming  
rate.

Congress has been requested by  
California to aid the fight, in two  
resolutions passed by the recently  
adjourned State legislature. One  
urges the Federal law making body  
to place Mexico under a quota system  
and the other asks restriction on  
Filipino immigration. Organized  
labor forces of the State ap-  
proved these resolutions and are ac-  
tively joining the struggle.

Statistics show an alarming in-  
crease in the number of Mexican  
laborers in the United States. In  
1890 the number was 71,000. Today  
it is estimated at 1,500,000. In the  
past eight years 400,000 came into  
the country legally, with authorities  
agreeing that probably that many  
more came in illegally.

### L. A. COSTS CITED

Social workers in the state have  
encountered a serious problem in  
the Mexican situation. Hospital  
care for Mexicans alone cost Los  
Angeles County \$330,000 in the past  
two years. In that same county 40  
per cent of all venereal cases treated  
by charity were Mexicans. Mexican  
crime alone cost California  
\$5,000,000 in one year according to  
State criminal officials.

Philippine immigration is under no  
restriction and is said to be con-  
stantly increasing. In a survey  
conducted by the State Federation  
of Labor a total of 50,000 were found

Japan-Made Cinema, 'Kyoto In Time of  
Restoration,' Given Ovation In Moscow  
As Notables Attend First Performance

MOSCOW, June 24—A Japanese  
motion picture, "Kyoto in the Time  
of the Restoration," received a fa-  
vorable response when it was presented  
in this city as the first Japanese  
film to enter the Soviet Union.

The showing of this period drama,  
which was filmed by the Shochiku  
Kinema Corporation of Japan, was  
made the occasion of an international  
ceremony of friendship in which several notables in the dip-  
lomatic and political life of the  
Capital took part. Chairman Kam-  
enobu of the Russo-Japanese Friendship  
Association and Prof. Conrad, famous  
Leningrad scholar of the Japanese literature, both gave a lecture  
at the municipal employment office  
and were questioned about their  
heroes. Napoleon was first and  
Lincoln second among non-Japa-  
nese.

## STATE FILES APPEAL FOR NEW TRIAL

Nogi Acclaimed  
Greatest Leader  
By Japan Youths

TOKYO, June 24—General Count

Nogi, who captured Port Arthur  
from the Russians in 1905 and sev-  
eral years later followed his Em-  
peror by harakiri, is "the  
greatest man that ever lived" by  
vote of 600 youths who sought work  
at the municipal employment office  
and were questioned about their  
heroes. Napoleon was first and  
Lincoln second among non-Japa-

nese.

SACRAMENTO, June 24—In a last  
grim effort to uphold the 1927  
amendments to the anti-alien land  
law, the state will fight the case  
through the California Supreme  
Court and, if necessary, carry its ar-  
guments to the federal supreme tri-  
bunal.

Seeking an upset of the recent  
ruling of the Third District Court of  
Appeal, Deputy Attorney General J.  
Charles Jones today had on file in  
the State Supreme Court an appeal  
of the Sutter County case against K.  
Osaki and K. Yoshioka, charged  
with violating the law by concealing  
their nationalities in securing con-  
trol of rice lands.

The appellate bench reversed the  
Sutter County decision finding the  
men guilty, on the ground that the  
1927 amendment throwing burden  
of proof of nationality on the de-  
fendant is unconstitutional.

Denied a rehearing, Jones appealed.

## 'BURGLAR' IS A THRILLER

Sau Mateo Blue Jays  
Present Stunning  
Benefit Show

Special to The Japanese American News

SAN MATEO, June 24—Since  
in every effort they make, the Blue  
Jay Club girls scored a huge suc-  
cess in the third annual benefit giv-  
en Saturday night in the Junior  
College Auditorium.

Lack of scenery and other stage  
equipments, which handicapped the  
players somewhat in this produc-  
tion, in no way detracted interest in  
the program of the evening, which was well performed.

The auditorium was packed with a  
large crowd of Japanese and few  
American spectators. The audience  
was taken by a pleasant surprise when  
they saw the capable performances of the young actresses.

"The Burglar," a mystery thriller,  
was the most popular offering. Misses Naomi Tanaka and Grace  
Takahashi were outstanding among  
the many promising players, while  
Misses Nellie Kikuchi, Tsuya Takahashi,  
Fumi Imaizumi, Hatsuko Fujikawa,  
Kiku Nagasawa, Martha Nakano  
and Stella Tokugawa March next year.

Another interesting act was "The  
Quest of the Gypsies" in which the  
Misses Nakashima and Masako Ta-  
kahashi played the leading roles.

They were supported by:  
Grace Takahashi, S. Yamaguchi,  
Nellie Kikuchi, Sei Kashiwai, Ya-  
yo Adachi, Tomiko Ito, Naomi Ta-  
naka, Fumi Imaizumi, Hatsuko Fujikawa,  
Kiku Nagasawa, Martha Nakano

"The Novelty Dance," a combina-  
tion of tap and classical dances, attrac-  
tively done by a group of five  
girls consisting of Yoshi and Misses  
Fumi Imaizumi, Naomi Tanaka, Nellie  
Kikuchi and Grace Takahashi.

An interesting play, on the program  
was "Ema Lou's Vision," written  
especially for the girls by Mrs. T.  
Yamamoto. It was presented by  
Miss Stella K. Sato deserves much  
credit for the success of the show.  
Her direction was worthy of com-  
memoration, considering the short  
time she has rehearsed with the  
girls.

Martha Tanaka, Yayoi Adachi, D.  
Nakajima, Sei Kashiwai, T. Kashiki-  
wai, Elizabeth Kusaka, Suye Sato,  
Kimi Hasaka, Kiku Nagasawa, Ha-  
ruko Yoshida, Siko Yamada

Miss Stella K. Sato deserves much  
credit for the success of the show.  
Her direction was worthy of com-  
memoration, considering the short  
time she has rehearsed with the  
girls.

"The Dancing Lesson," by Fred-  
ricks, was played by Jessie Koyama,  
Miss Mari Shimamoto played  
"Spring's Messenger," by Spindler,  
and her elder sister Ida, played  
"Etude" by Wollenhaupt. Sophie  
Tajima, one of the advanced stu-  
dents, played a piano duet with her  
instructor. The piece played was  
"Serenade" by Whelby. Sophie's  
solo number was "Jy Pense" by  
Meyer-Helmund.

Japanese engineers, on their part,  
have made extensive plans for rail-  
way construction which is to be  
undertaken this year.

The Osaka Shosen Kaisha is col-  
laborating with the corporation by  
facilitating the transport of immi-  
grants and the exchange of prod-  
ucts.

Official reports declare that al-  
ready a great part of the region has  
been planted.

Welcome to you!

C. M. O. of Route 1, Box 230,

Acampo, California, sends us an ex-  
cellent suggestion. It is that we  
have a story contest; that mem-  
bers send stories of their own ex-  
perience, or anything, not more than  
a hundred words. It has already  
been planned that we have stories  
and other writings in the WEEKLY.

But it seems a very good plan to  
have them in the diary also. What  
do you other members think of it?  
We shall write more of this later.

Thank you, C. M. O.
