GIRL, 17, IS MISTREATED

So Hints Confession By Alleged Victim At Glenville

GLENVILLE, Dec. 21—A threatening letter found in the automobile of a Japanese girl student and her subsequent admission led to the arrest of two traffic officers and a policeman here in a case of alleged attempt to contribute to the delinquency of a minor.

The girl, a 17-year old student of Hoover High School, told the police that she was caught by a traffic officer for speeding and that she had accepted the offer to be pardoned on the condition that she consent to "date" with him. Then when she kept her promise in a nearby canyon, she was mistreated, she told the police.

CO-EDS HOLD U. C. BALL AT YW COTTAGE

Students of Stanford Among Guests at Berkeley Party

With a limited number of students forming the guests of the evening, the dance proved to be an exceedingly enjoyable affair. A variety of dance numbers were on the program, including such lively ones as the blues and fox trots, besides the dreamy waltz that proved so popular.

The music was furnished by a five-piece campus symphony. The ball-room was effectively decorated in blue and gold streamers, and dimly lighted lanterns and Christmas trees added to the effectiveness of the decoration scheme.

The Lucky Spark prize dance was won by Mr. Yukio Miyachi, who was standing under the mistletoe when the dance came to a close. The success of the dance may be largely attributed to the efforts of the committee, consisting of the Misses Tomiko Domoto, Miye Kasai, Blossom Fujita, Yo Ueyeda, Ruby Minami, Sada Onoye, Mary Ohata, and Nobue Tan. Miss Michi Oka, general chairman, was in charge of social supervision.

Lodi Grid Will Tackle Sacramento Taiiku on Dec. 22

LODI, Dec. 21—The still undefeated Lodi Japanese grid team will battle with the Sacramento Taiiku eleven on Sunday, Dec. 22, at the local field.

The Lodi team has so far defeated the Sacramento Chinese eleven as well as the Walnut Grove Tornados. It has also played a tie game with the Strong Florin Y. M. A. aggregation. Sacramento, on the other hand, has lost to both the Chinese and the Tornados. For this reason, Lodi boys are favored in the coming tilt.

The scores list the registered by the Lodi boys last Sunday against Florin was something of a surprise. The muddy field is blamed for the Tokay City boys' comparatively mediocre showing against their opponents who had been considered the weaker of the two teams.

Hindu Poet Tagore Leaves Yokohama on Asama Maru for S. F.

Sir Rabindranath Tagore, the noted Hindu poet and philosopher who left the United States last summer because immigration regulations bothered him, is returning to California. Tagore, who cut short a series of lectures at various American universities, sailed from Yokohama today aboard the Asama Maru, the Nippon Yusen Kaisha line headquarters here told the United Press.

Mary Pickford and her husband Douglas Fairbanks are aboard the Asama also. The ship is due in San Francisco January 3. The report said a heavy rain failed to keep cheering thousands from paying a farewell tribute to the screen stars and the noted Indian. When Tagore left California a few months ago he intimated that he would never return and expressed extreme displeasure because he claimed that United States immigration authorities had annoyed him while he was filling lecture engagements at American universities and colleges.

THE BROKEN FLUTE

BY GLENN FRANK It was Frederick the Great, I think, of whom the following story was told: As a lad he loved music and might have made his mark in the world of the arts. But his father had other plans for him. He was irritated by the lad's consuming interest in music. He did not want little Frederick lured away from the desires and disciplines that would prepare him for a career in soldiering and statesmanship. One day he came upon Frederick playing the flute. In a rage, he broke the flute over Frederick's head. We parents are forever breaking flutes over the heads of our children.

He voiced this promise at a farewell luncheon to the Japanese delegates to the London naval disarmament conference at the Plaza Hotel. The delegation left tonight on the White Star liner Olympic. Lamont said: No slander is more abhorrent than that men of affairs are not averse to war because of fancied or fleeting material profits. Nothing President Hoover has done has so profoundly impressed men of affairs as his manifest eagerness for the success of the London conference and to maintain for all time the possibility of war.
