THREE SHOT AS 500 WHITE MEN SURROUND FILIPINOS' CLUB HOUSE IN RACE RIOT

Home of Matsuzo Miyazaki In Watsonville Is Target of 12 Shots As Automobile Band Mistook It for That of Filipino's

WATSONVILLE, Jan. 22.—(United Press)—Fanned by hatred of Filipinos over keeping young white girls as entertainers, race riots broke out afresh here last night.

Matsuzo Miyazaki, a Japanese who resides on Beach Road, became an innocent victim of this racial animosity when his home was the target of twelve shots, fired around 1:30 a.m. by a band of white men on automobiles. No injury was sustained.

Three white men were wounded by shotgun fire from the North Monterey Filipino Club, and several Filipinos were badly beaten in a fight on the Watsonville-Pajaro bridge.

About midnight a mob of 500 whites gathered on a hill near the Filipino Clubhouse and threatened to run the "blacks" out of the valley.

FIRE THREE SHOTS

The Filipinos and the entertainers fled to the interior of the clubhouse and Locke Paddon, son of the owner, William Paddon, fired three shots to the authorities.

Captain John Peyton, state traffic officer, Sheriff Nick Simott, chief deputy sheriff Amos Beugard and Constable Ernest Monsing responded to the call for help from the Filipino clubhouse.

GASOLINE IS FOUND

The whites had been doing nothing except yelling threats at the Filipinos when the shots were fired, the officers stated, but apparently intended to take more drastic action. A barrel of gasoline was found near the scene, which authorities believe, was to be rolled down the hill to fire the clubhouse.

After taking the Filipinos from the clubhouse Beugard advised them to give up the club and do away with having white girls there because the white's are incensed.

FREE-FOR-ALL

On the bridge connecting Watsonville and Pajaro eight white men and a half dozen Filipinos mixed it in a free-for-all later in the evening.

The Filipinos drew knives in the heat of the battle but the white men's marksmanship with rocks soon quelled them. None were seriously hurt, it was reported.

A brick was thrown through a Filipino pool hall window yesterday with a note attached to it which read, "You black — leave the white girls alone." It was signed with a skull and cross bones.

RIOT FEARED

At the Matt McGowan ranch yesterday afternoon a party of whites drove up to the bunkhouse and demanded the Filipinos employed there. Japanese workers told them there were none there but as they drove away a shot was fired into the bunkhouse. No one was hit.

The situation is believed to be rapidly becoming very serious in the Pajaro valley and peace officers fear a more bloody outbreak any day.

Labor difficulties over the cheap, Filipino labor and their attitude concerning white girls are causes of contributing to the strife, authorities declare.

L. A. Girls Club to Stage Snow Hike to Mt. Baldy on Feb. 23

Special To the Japanese American News
LOS ANGELES, Jan. 22.—Members of the Blue Triangle Club of this city will stage a snow hike to Mt. Baldy on February 23. This peak, which is snow-capped about this time of the year, is expected to prove an admirable foil for the girls' ability to climb.

Sterling, American Flyer, To Attempt Trans-Pacific Hop

Special To the Japanese American News
TOKYO, Jan. 22.—Plans for an attempt to fly from Seattle to Tokyo in a non-stop flight across the North Pacific ocean were revealed here today by J. Morton Sterling, American flyer. Sterling notified the aviation bureau at Tokyo that he plans to take off for the Orient some time in March.

200 GUESTS AT NUPTIAL IN MT. EDEN

Color Marks Banquet To Honor Newly Wedded Pair

Special To the Japanese American News
MT. EDEN, Jan. 22.—Japanese deities galore adorned more than 200 plates at the local Gakuen Hall on Sunday afternoon.

Sitting at the head of three rows of tables, the newly-weds were literally showered with presents when the crowd crowded in with glad greetings.

Oriental dishes among Oriental settings, with quasi Oriental beverages, completed everything necessary for a sumptuous Japanese "hira-kai."

The groom, Frank Araki, is well known among the younger set of the Bay Region as a typical good mixer. The bride, formerly Miss Kikuchi Tanaka, is a native of San Francisco, although she has been in Japan until recently.

The couple has already made their home in Mt. Eden.

Although the luxurious party was intended for the older folk, several young people from San Francisco and the Bay section attended.

JAPAN SIGNS LIQUOR PACT

Illicit Rum Traffic Prevention Aim Of Treaty

WASHINGTON, Jan. 22—Japan was added to the list of nations having ship liquor treaties with the United States when Joseph P. Cotton, acting Secretary of State, and Katsuji Debuchi, the Japanese Ambassador, exchanged ratifications of a convention to aid in the prevention of the smuggling of alcoholic liquors into the United States, which was signed May 31, 1928. Japanese final approval to the compact was given Nov. 22, 1929.

Under the treaty, Japanese vessels may bring liquor into American waters under seal. They also may be subject to boarding, search and seizure by American enforcement officials within a distance of the American coast that can be traversed in one hour by the suspected craft.

Similar treaties are in force between the United States and Belgium, Cuba, Denmark, France, Germany, Great Britain, Greece, Italy, the Netherlands, Norway, Panama, Spain and Sweden. The first one was negotiated with Great Britain in 1923, and although Japan was approached soon afterward with the proposal for a similar pact, the subject awakened little interest in Tokyo for years.

Outside of the privilege that is now accorded for Japanese liners crossing the Pacific to bring liquors into American ports under seal, the immediate advantage will go to the wine industry of Chile. The principal ships running to Chile and across the Pacific are either American or Japanese, practically all of which touch at American ports.

Chile has no ship liquor treaty.

JAPANESE AMERICAN CLUB

Dear members of The Japanese American Club:

We have big news for you today.

The badge design has been chosen by the three judges.

The choice was unanimous.

The winning design is the one made by Alice Okamoto, 1571 Post street, San Francisco.

Because several other designs were especially excellent, special small prizes have been awarded to their makers. They are:

Tsuguo Okagaki, whose design was second choice; and Helen Inai, Tomi Yatabe, Kan Ueda, Maxine Y. Uno, Shige Tsumune, Haruko Takayama, and Mary Korenaga.

The makers of these designs receive honorable mention:

Ida Shimanouchi, Toshi Nagano, Mary Fujii, Helen Patsy Suzuki, Grace Chieko Ura, Shigeko Yonekawa, Toshiko Shiosaki, Tomoe Ata, Toshi Yano, Daniel Tamura, Berne Hikiji, Daniel Shimoda, Lily Asako Kameo, Ethel Y. Imagawa, Hisako Kubo, Tsuyuko Tukumitsu, Yukie Tukumitsu, Alice Yamogida, Betty Yamogida, Harry Ida, Mary Yamogida, Michi Mori, Rose Kubo, Carl Kondo, Martha M. Ida, Emma Kimoto, and Lois, whose last name was not on the drawing.

These names are not arranged in any particular order. All of the de-

signs were much appreciated. We are keeping them all to show to visitors.

We thank and congratulate every one of you who sent in a design. For they really were very interesting indeed and showed good thought and effort.

It will be some time before we can make any announcement about the badges themselves.

We particularly wish to thank Thomas Inusaki who was the first to suggest that we have badges.

It was John and William Hashimoto who suggested that girls have rings and the boys buttons.

The winning design is fan-shaped. It has across the top the words "Japanese American" and across the bottom "Club."

A map of the United States is on the right, and a map of Japan on the left. Connecting the two maps is a bridge—the bridge that our Club is making between the best from Japan and the best in the United States.

Many other fine ideas were in other designs. We wish that the badges could use them all. But it has to be too small for that.

Probably the Juniors will have one kind of metal and the Seniors another.

Best wishes to you all! Your loving OBASAN.

Special To the Japanese American News

TOYAMA, Jan. 22.—Three thousand persons attended the funeral services today for the six students and guides who had perished when they were hurtled into a canyon by a snowslide here while attempting to climb Mt. Kengadake some time ago. Among the victims was Hide-nao Tsuchiya, a student of Keio University and son of Viscount Chancellor Masano Tsuchiya of the Imperial Household.

Miss Toshi Takao, a member of

meeting.

The Japanese delegates included
