## MEET PLANS BEING MADE IN SEATTLE

### Tentative Program to Be Presented to Leagues

Second generation leaders of Seattle are busy engaged in preparing for the coming convention of the Citizens' league in that city beginning the latter part of this month. Following is a summary of committee reports as reported by the Japanese American Courier of Seattle in its issue of August 2.

The detailed work concerned with the coming convention of the National Council is to be expedited when the local Citizens league comes together again. Saturday evening at the Japanese Chamber of Commerce from 8 p.m., to discuss the work of the respective committees, whose chairmen will be selected at this time.

At last Saturday's meeting the general draft of the conference agenda was submitted for the league's approval and it is to be sent down to the rest of the chapters for their sanction.

According to the agenda as roughly drafted, Mayor Edwards will be invited to open the convention on Friday morning, August 29, from 10 a.m., followed by addresses from J. J. Donovan and Clarence Aral, president of the National Council, who will act as the chairman.

In the afternoon round table discussions are to take place with Ashley E. Holden, local Japan Society before the social contacts gathering; Dean Martin, of the Political Science department of the University of Washington, taking the lead in the politics round table; Saburo Kido, one of the leading second generation lawyers on the coast, making the leading address in the legal discussions which will include the immigration question of Japanese.

On the following Saturday morning the general assembly is to take place at 9 a.m., with Ralph Horr, King County Republican chairman, addressing the group. From 10 a.m. to 12 m. S. Sakurachi, manager of the Yokohama Specie Bank, and S. Yamanaka, manager of the Mitsui company, will give talks before the big international relations round table. From the afternoon the round tables are to go into session again.

This agenda is tentative and is subject to the approval of the other chapters in the National Council, to whom it is to be submitted for their approval.

## Miss Kozono Will Give Dance Party in Sac'to Saturday

**[Special to The Japanese American News]**  
SACRAMENTO, Aug. 4.—The younger set of this city are looking forward enthusiastically to a mid-summer dance to be given by Miss Elizabeth Kozono on this coming Saturday night at the Center hall on M street. Miss Kozono has just returned to her home in Riverside from her stay in San Francisco for the past two years. She will enter the local Junior college for this fall.

## Mrs. Marie Ide Has Changed Her Address

The address of Mrs. Marie Ide, local dancing instructor, has been changed by city ordinance. Her new address is 2245 Pine street.

## Dance and Improve Your Health

TAP DANCING, FAN TANGO, SOCIAL DANCING latest steps including the POPULAR RIVER RUN. Private lessons given to ladies and gentlemen of all ages. MARIE IDE, 2245 Pine Street, WAlnut 2714.—Adv.

## NEW TREASURE SHIP

Louis L. Schwabe, collector of customs at Los Angeles (right) and Captain Toru Yamaguchi of the Kinal Maru opening the first bale of silk taken from the freighter upon her arrival in Los Angeles harbor. The Kinal Maru made the voyage from Japan to L. A. in the record time of 11 days. The others in the picture are officials of the Union Pacific railway which ran the special train to take the precious cargo to eastern silk mills.

## RARE ORIGINAL JAPANESE PRINTS IN U. C. EXHIBIT

### Los Angeles Flyer Reaches Paris in Eastward Flight

LOS ANGELES, Aug. 4.—In a cable received from Zensaku Azuma, Los Angeles aviator, who is making an eastward flight around the world to Japan, he is now in Paris.

Taking off from Crocyden airport in London on July 31, he reached the Le Bourget field near Paris on the same day. Azuma will have his plane checked at Le Bourget field before taking off for the next flight. Azuma reports that he is seriously thinking of changing his route across Europe and Asia to Japan. His plans are not definite as yet.

## S. F. GOLFER LOOMS BIG

### Experts Calling Sato a Possible 'Threat' in Florida

A. G. Sato, San Francisco Japanese amateur golf champion, is being counted on to be a hopeful contender for honors among the Jacksonville, Florida, golf circles in the national public links tournament, which starts in Jacksonville Tuesday.

The Japanese golf champ is representing the state of California in the Jacksonville tournament.

An expert golf observer in Jacksonville has the following to say: "A threat for Kauffmann's title this year is A. G. Sato, San Francisco Japanese entry, who blustered in a practice round on temporary greens two days ago with a 68. He fell short Sunday however, when he shot in the early 80's on two rounds."

## Miss Kambara of Sac'to Guest of Mrs. Izuno of S.F.

Miss Alice Kambara of Sacramento visited her sister Mrs. Mary Izuno on Sunday with her parents, Miss Elizabeth Kozono, formerly of this city, came with the Kambara party. They motored back to Sacramento in the evening.

## ENNIS MADE MANAGER OF GRAPE BODY

### Control Board Makes Selection in Fresno

Scott F. Ennis of San Francisco, president of the Pacific Fruit exchange, was tendered Saturday the general management of the new California Grape Control board. Ennis has taken the offer under advisement and will announce his decision as to acceptance early this week.

"I expect to confer with Mr. C. C. Teague, member of the Federal Farm board, in San Francisco probably on Monday," said Ennis. "I wish to discuss with him certain details of the plan."

"I am very much in sympathy with the Grape Control board and its task. I want to see it succeed and if I thought I could help it do so as its general manager I would accept providing I might be able to arrange my own private business affairs in such a way as would make the acceptance possible. I would like to do everything I can to help the board."

Ennis was selected unanimously by the executive committee of the Grape Control board at a special meeting held in Fresno. He is a director of the Western Pacific railroad, the California National Bank of Sacramento and many other institutions, secretary of Ennis, Brown company, wholesale produce, and owner of executive ranch lands in the Sacramento valley.

## KLEIN FOR MANAGER

At the same time it was learned that A. V. B. Klein, former manufacturing manager for Sunmaid Raisin Growers, had been selected as executive manager and assistant secretary of the San Joaquin Grower Shippers, of the fresh grape organization, in the new grape program. No date for assuming the post was announced by W. E. White, Fresno banker and president of the Grower Shippers.

C. E. Byrd, for fifteen years with Sunmaid, will also accept a position with the grape control board here, it was learned.

Wylie M. Giffen, grape campaign chairman and president of the California Raisin plant, also announced that the California grape control has leased for three years the building belonging to the Pacific Gas and Electric Company, which is moving today into the San Joaquin Light and Power building here. It will be used as Fresno headquarters for the control board, the main offices being in San Francisco.

## UNRELIABLE MATHEMATICS

**By GLENN FRANK**  
If the gods should tell me I must bring my son into the world with but one lesson thoroughly learned and that I might choose what that lesson should be, this would be my choice: I should want him to learn beyond the possibility of forgetting that 2 times 4 and 4 times 2 are not the same.

I say this because so much of our trouble and failure come from our arguing from analogy, from our lazy application of a stock pattern of thought to problems and to people that the pattern does not fit. W. J. Cooper, United States Commissioner of Education, tells this story:

A contractor agreed to install a hydraulic elevator in a new hotel. The specifications called for two four-thousand gallon tanks on the roof. Without consultation with the hotel owner, the contractor installed four two-thousand gallon tanks instead. The hotel owner refused payment on the ground that the specifications of the contractor had not been met.

The contractor sued and a young attorney entered the case as counsel for the hotel owner. The young attorney prepared and presented with

## Y.M.B.A. Delegates to Make Reports Upon Arrival August 6

The Y.M.B.A. delegates who attended the recent convention in Hawaii are returning on the morning of August 6. The delegates will report on their trip on the same evening at the local Buddhist church. The public is cordially invited. After the speeches tea will be served by the Y.W.B.A.

## U.S. TO SCRAP 3 WARSHIPS

### Navy's Decision Made as Economic Move Says Admiral

**[Special to The Japanese American News]**  
BERKELEY, Aug. 4.—Discussions of Japan and its relations with the United States and other countries of the Pacific area will be held during the coming session of the Institute of International Relations to be held August 8 to 15, at the University of California.

The sessions relative to international relations with Japan will be held daily from August 11 to 15, according to an announcement by Dr. H. I. Priestly, director of the Institute. Among the Japanese speakers listed are T. Shirao, manager of the Sumitomo bank; T. Nakaso, manager of the N.Y.K. line, and T. Sakuruchi, manager of the Yokohama Specie Bank.

## JAPANESE IN COMING MEET

### Big Business Chiefs to Attend Parley in Berkeley

**[Special to The Japanese American News]**  
WASHINGTON, Aug. 4.—Rear Admiral Hughes, chief of naval operations, said Saturday that the battle ships Wyoming, Utah and Florida would be retired this fall in accordance with the terms of the London naval treaty.

Naval officials already have determined upon this procedure, although the treaty has not yet been ratified by Japan. The United States and Great Britain, the other signatory powers, already have ratified it and Japan is expected to follow suit in the near future.

**CUTS FLEET TO FIFTEEN**  
Admiral Hughes said the decision was reached at this time as an economical move. The gross saving to the United States is estimated at \$4,000,000 annually, but the net saving will be less since the personnel of the ships will be distributed among other vessels.

The Wyoming is the flagship of the fleet, Admiral Hughes said, and its place will be taken by the Arkansas. Retirement of the three vessels will reduce the number in the fleet to fifteen.

**TWO SHIPS ABOARD**  
Two of the three ships to be retired, Utah and the Florida, now are abroad, carrying the Annapolis and the Maryland, who have been touring Europe on their annual cruise.

The withdrawal of the ships in October will reduce the fleet to treaty proportions long before this becomes obligatory. Under the London agreement the first of the dreadnoughts has to be retired within a year or the treaty's effective date, while the other two may remain in service as long as eighteen months.

The jury decided that 2 times 4 and 4 times 2 are not always the same and handed in a verdict for the hotel owner.

This is not as far-fetched as it sounds. One of the great principles to learn is that every problem and every person is unique and must be considered freshly if we are to avoid the danger of leaving out vital factors and over-simplifying the issue at hand. Copyright McClure Newspaper Sys.

## Saito Gives Talk at Joint Devotional at Stark Ford Home

The last of the series of joint meetings, held for the past two months by three Christian young people's organizations of this city, was held on Sunday at the Ellen Stark Ford home on Pine street. The three organizations are the Epworth league, the Christian Endeavor society, and the Friendship circle. Shigeru Saito, new religious director of the First Reformed church, spoke on "Co-operation." The speaker laid special emphasis on the co-operative works of the Christian young people in this city. Miss Totsu, Takao of the Epworth league presided over the last gathering of the young people of three churches.

## 5 JAPANESE SHOW WELL IN BIG RACE

### Runners in Marathon Make Good Time on Dipsea Trail

Nobuo Tabata, a Showa distance runner is a happy youth today, although coming in 14th he failed to qualify for the coveted silver cup by two places in the 26th annual Dipsea cross country race held Sunday from Mill Valley to Willow Camp.

Tabata beat off the challenge of Ed Bonzo, a much more experienced runner to a heated sprint to the tape, and covered the course in 60 minutes 15 seconds, only five seconds more than that made by Frank Voss, fourth place winner in the recent Pre-Olympic marathon Pacific coast trail.

YAMAKAWA TAKES NAP  
Vic Yamakawa's retirement was no mere rumor, and his poor condition was even more felt than in the recent J.A.A.U. track meet.

He started strong, leading the field. But at half way mark he took a little nap like the turtle in the race. When he woke up he was near the tail end. His final effort was "game," as he passed many runners and finished twenty first in 61 minutes 15 seconds.

Kay Shiyama of Marin is credited with 61 minutes and 32 seconds, having finished in twenty third place, according to the official check up. Shiyama, however denied the fact today.

**JAMES TOBA IN 35TH**  
James Toba, another Showa ace, finished 35th in 65 minutes 58 seconds. He was expected by many to win the race if he had duplicated last year's time he could have come in 6th, and if he did what he made in practice last season, he would have been an easy winner. He will compete again next year.

James Hoshino of the Y.M.B.A. trailed Wilton Taylor, of Humboldt club, and was an easy winner over Richinas and Schickel of Dolphin club, well known athletes. He finished in 41st position in 75 minutes 52 seconds.

The runners and their friends were feted by the Olympic club at luncheon at Stinson Beach, and they were guests of Mr. and Mrs. Ando at dinner upon their return to Mill Valley.

**PARTY AT KANKI'S HOME**  
They were also guests at delightful party at the home of Mr. and Mrs. S. Kanki later in the evening. Besides the runners the guests included Frank Tokita, former president of S. F. Gakusei kai; J. Inouye of U. C. and Mill Valley young people.

Dave Yamakawa's recitations, and Miss Jean Kanki's piano solo furnished the evening's entertainment.

**Local Vacationists off for Yosemite**  
Two automobiles carrying four happy vacationists left here Monday evening for Yosemite. On one vehicle were Francis Hayashi and James Hirano, who will spend their glorious days amid the natural wonders of Yosemite valley for about four days. On another automobile were Ben Furuta and Hachiro Yuwasa of Oakland who will stay there for about a week.

## Japan Tennis Team Comes Out Leader in German Matches

**[Special to The Japanese American News]**  
BERLIN, Germany, Aug. 4.—The Japanese tennis team proved to be the best in the tournament of three nations held here on July 31. Japan won six games and lost five, while Australia won five and lost five, and Germany won four and lost six.

## FRESNO HAS BIG PARADE

### Japanese Growers Put on Jubilant Fete to Celebrate

**[Special to The Japanese American News]**  
FRESNO, Aug. 4.—Two thousand or more Japanese grape growers, their friends and families Friday night gave vent to their joy at the successful completion of the sign-up in the federal farm board plan to stabilize the grape industry.

Flickering lights of vari-colored Japanese lanterns, bands and various noise making devices were carried by the huge crowd in a long parade through the streets of Fresno's business sections.

While Wylie M. Giffen, C. C. Teague and others who led the drive to sign up more than 85 per cent of California's grape crop in the plan were being honored at a dinner at the Californian, the throng of celebrants serenaded those attending the banquet during a pause in their march.

Thousands of Fresnoans and visitors from the valley joined the parade or watched from the side walks as great banners in both Japanese and English declared the purpose of the parade.

Japanese boy scouts had a tinpan corps while a girl's group beat on drums. Others carried the flickering lanterns, rode in decorated automobiles or marched in the long procession.

The march began at the Fresno Buddhist temple, proceeded through the West Fresno business section and then took to other business streets of the city.

The parade was sponsored by the Fresno Japanese community and was participated in by hundreds of visitors from all part of the valley.

**Engagement of Lodi Youth to Utah Maid Recently Announced**

**[Special to The Japanese American News]**  
LODI, Aug. 4.—Mr. and Mrs. Kawamura of Burdette, Utah, recently announced the engagement of their daughter Sumie to Mr. Eddie Ichiro Yamate of Lodi.

Miss Kawamura came to Utah from Japan after completing her girls' high school education about a year ago.

Mr. Yamate is the son of Mr. and Mrs. K. Yamate of Lodi. He is a popular member of Lodi Y.M.A. being a star athlete on the football and wrestling squad.

The wedding will take place in Lodi sometime this month, and the couple will make their home in this city.

**WILL ENTER U.C.**  
Fred M. Ouye, graduate of local

## JAPAN SENDS FLOTILLA TO CHINA PORT

### Kiangsi People Flee as Communists Approach

TOKYO, Aug. 4.—(UP)—The 24th Japanese destroyer flotilla at the Sasebo naval base was ordered today to proceed to Hankow because of the serious situation existing along the Yangtze river.

The warships were expected to depart tomorrow. The flotilla had been held in readiness for immediate departure for several days pending developments along the Yangtze, where Chinese "communist" forces have been threatening the large cities.

Orders for departure of the ships was considered an indignation that Japanese authorities believed the situation was becoming more serious in the Hankow region where many great foreign interests have been threatened by the communist advance.

United States, British and other Japanese fighting ships already are in the region prepared to evacuate foreigners.

**NANCHANG BEING EVACUATED**  
SHANGHAI, Aug. 4.—(UP)—Nanchang, capital of Kiangsi province was being evacuated rapidly today as reports of the approach of southern Chinese brigands reached the city.

It was feared the city's fall was imminent and all available forces were lined up to resist the attack.

The tension that developed at Hankow, north of Nanchang and Changsha, when reports reached there that bandits were advancing northwards, was lessened with the arrival of a national government division to strengthen the city's defense.

The Kuo Min news agency, official government service, reported today that the national government's foreign ministry had ordered Li Fong, special deputy for Hunan and Hupoh provinces, to proceed immediately to Changsha and conduct a detailed investigation of losses to foreign property there during the communists' looting and burning of the city.

**CHANGSHA BOMBARDED**  
PEIPING, Aug. 4.—(UP)—The city of Changsha, which was captured by a pillaging horde of bandits and communist groups last week, was shelled by a Chinese gunboat today.

Several casualties were suffered by the native civilian population, but their extent was not revealed in advices here.

The outlaw bands remained in possession of the city, although many members were spreading into the country, looting and burning villages.

The American gunboat, Palos, remained in the Siang river near Changsha in the status of an observer.

high school this year, will leave the later part of next week for University of California to enroll as a first year student in College of Pharmacy.

## JUNIOR AND SENIOR CLUB

Morning, everybody! Or is it evening? Now that you have seen what a big fat old bear your Aunt Mia is, she hopes that you will all love her just the same.

Now will the meeting come to order, please? Kay Yasui moved yesterday that we should have election of officers and Aunt Mia, the chairman, was asking if there was any second to the motion. Now go ahead, everybody.

Also, everybody must be very busy writing things for our contest. Remember don't make it too long, and avoid too much "icing on the cake," as Brownie Yamashita says. And remember to send it in to Aunt Mia by the last day of August.

Only one person has a birthday on August 6 in our club. He is John Hoshiyama, 1638 Sutter street, San Francisco, California. Greetings, John!

You all know Wuta Terazawa of P. O. Box 54, Sugar City, Idaho don't you? Well, here she is.

"What! What hot days! What are you doing? (Nothing.) Aunt Mia is sitting at the window at her typewriter looking out into the white fog of a San Francisco morning and thinking of you all. What're you doing? Me? I'm doing most everything imaginable. Saturday and Sunday I went fishing.

"I guess the fish don't like me. I didn't even catch a sneaker,—let alone a trout. But anyway, they told me that I brought luck because this is the second time oth-

er people have ever caught fish at this place. One of them caught a five pound trout. (That was a lot of consolation, wasn't it? I mean to have everybody else catch but you. Aunt Mia thinks that fish are like people. You have to get to know each other pretty well before they will come near.)

"Saturday night we went out to Ashton Dam. In the morning about five we went fishing in the row boat. Fun? I should say! It was the first time I had ridden on one. It was certainly beautiful. I mean the scenery. The sun was rising and everything looked just grand! We went between the mountains and for beauty it couldn't be expressed in words. Birds were everywhere singing and flying about and above us. The sun was shining on the mountain tops making everything look so bright and cheerful!

"I rowed all over the river. I had lots of fun even though Monday I awoke stiff and tired. I surely did enjoy the week end even though I had to cut Sunday school.

"Do you swim, Aunt Mia? (Yes, after a fashion, Wuta.) I do, and have gone in three times this season. I guess I won't go in for a while cause I got a cold. I would get a cold just when swimming is at its best. (Things always happen that way it seems.)

"Oh, say! I think the Monday section's just keen. Oh, Aunt Mia please congratulate Miss Mae Su-

mids on 'Life' for me. Also congratulations to everyone else who writes stories, poems, and the good riddles and jokes. Oh, I think this club is just GRAND, don't you? I think everyone makes it so interesting. (Yes, everyone is certainly making it interesting. It is getting so lively that Aunt Mia is getting rather dizzy.)

"I wish you great success in your Japanese language study, Aunt Mia. I'm not a bit good at it. Can't read an inch and can barely talk. (What do you say? Maybe we could race to see which one learns it faster? You can read kana, can't you. So can Aunt Mia. Let's start from there.) Come and talk with us again, Wuta. We enjoyed your visit.

Well, well, well! What do you think? Some one has sent us riddles again, and anonymously, too. Here they are.

(1) What is the difference between a school master and an engine driver? Ans. One minds the train and the other trains the mind.

(2) Why is C like a schoolmaster? Ans. Because it forms lines into classes.

(3) Why are cats like unskillful surgeons? Ans. Because they mew till late (mutilate) and destroy patience (patients).  
Somebody, those were good. Thank you. Write again.  
—Junior—  
Look where we are already! Sa-yonara, everybody. See you all tomorrow.  
Aunt Mia.

Non-Inflammable—Safe Economical Insecticide That Controls Insects—Non-Poisonous

Containing

PYRETHRUM ESSENCE

Non-injurious to plant life, sprouts, buds, open flowers, roots or foliage. Stalkless: Does not spot flowers, leaves or fruit.
