WE NEED HEADING

Dear Readers:—K. K. H. M. I. and A. M. flatter themselves into believing that you have all been following our wanderings in our columns. We purposely state "wanderings" with no specifications as to its kind, leaving its determination to our readers.

And now, dear readers, we've come to the conclusion that the trouble with our column is that it hasn't the proper kind of decoration at the top of the column. Perhaps that accounts for our "wanderings."

Artist readers everywhere, if you don't like our column send in a design to make it more bearable, at least to the eyes. If you already like our comments, help to make them better.

The drawings may be in any size but must be of such proportion that it can be reduced to one and one eighth inches by one and three quarter inches.

K. K. H. M. I. and A. M. will take great pleasure in presenting the prize of \$5 to the person submitting the best comments heading design.

OLIVERS WIN GRID LAUREL

L. A. Japanese Eleven Down Chinese Men 13-7 Sunday

(Special to Japanese American News) LOS ANGELES, Feb. 26.—Playing a spectacular post-season grid game, the Los Angeles Oliver club, a Japanese aggregation, walloped the Chinese All-Star team, 13-7, last Sunday afternoon and won the Oriental championship for the season in Southern California.

The Chinese team was led by Captain Joe Yuen, who played a brilliant game in the San Francisco Showa team last year. His drop kick in the last quarter added another point to the Chinese score.

The Olivers outplayed the Chinese during the entire first half. At no time during this half did the Chinese threaten. Featuring powerful line smashes and off-tackle bucks by Shoichi Miyamoto, skirting end runs by Walter Yamada, and perfect interference running by "Tib" Kamayayata, the Olivers crossed the goal line twice in the first half.

Roosevelt High Will Receive Japanese Garden Gift

(Special to Japanese American News) LOS ANGELES, Feb. 26.—A \$3000 Japanese Garden will be presented to the Roosevelt high school of this city by the Japanese students and alumni of that institution. Both the Alumni Association and the Japanese Students club are working in unison to raise this sum at the present time.

JUNIOR AND SENIOR SECTION

YOO! HOO! Are you there members? Come and gather, everybody. There are so many more members to welcome into our club that we must start our meeting today in a hurry. You old members won't mind if I am late because I have to edit the English daily paper. So will both welcome you into our family.

"I am a new member, unworthy of mingling with geniuses like Brownie, Big Brother, and others, but please admit me as your nephew. I wanted to join the club for a long time but somehow or other I kept putting it off. Tonight since the rest of my family went visiting, I am alone so I started writing a few lines that would admit me to the 'most wonderful club in the world.' (We are so glad that you did, Nut Cracker, and we are sure that you are going to be a very worthwhile member.)

"I have read the club section daily and have admired the poems, stories and essays written by future

literary geniuses of the world. I always hope that I can write such charming, thoughtful letters, stories and other things that come out in the club sections daily. As humble and unpleasing as I am, I will try to contribute jokes, stories and such things as I think are worthy of sending. (Do, please.)

"Well, I think I will start in introducing myself. I was born in a small old Spanish town of Santa Clara in 1915. The story bought me on the 25th day of April. We farm in the outskirts of this town. I have lived here for 15 long years. (Those years must have been beautiful years, Nut Cracker. Soon the Santa Clara valley will be one huge mass of blooming orchards, won't it?)

I went to the Santa Clara Public school and the Santa Clara Intermediate school. In the eighth grade, I served as vice-president of the student body. In the seventh grade I was treasurer. Now I am going to the Santa Clara high school. I am now a sophomore. I am on the 110 pound basketball team of the high school which won the Santa Clara valley league championship. I also play for the San Jose Y.M.B.A. lightweight team. I also play some baseball and tennis. (That's wonderful, Nut Cracker. Now indeed we know that you are a very worthwhile member.)

"It's getting late and my two head lamps are blinking so I will close pretty soon. Before I close I would like to ask all my cousins of both sexes to write to me. Tell me all about the surrounding country, about yourselves, and—oh, anything that strikes your mind. I am not much of a writer and letter

writing isn't my hobby but I will answer any and all letters gladly. That was fine, Nut Cracker. Come and talk with us again. Nut Cracker is 16, members. We enjoyed hearing him 'chat, didn't we? And now let's talk with Yukiko Hasegawa of Rt. 2, Box 601, Sanger, Calif. She says, 'May I join your lovely club? I'm thirteen and my birthday is on October 25. I read the section every time I get hold of it, and wish and wish that I could join it but always think that I am not good enough. I have many friends wishing to join and they are just like me, too bashful. I think I got my nerves together today and made up my mind to join. Have I succeeded, Aunt Mia? (You certainly have succeeded, Yukiko. You did it so well that you are a full fledged member now. Come and join in our fun often after this. You aren't bashful any more are you? Auntie is so glad that you overcame your bashfulness. Please tell your friends not to be bashful any more, Yukiko. Why should you be bashful? You see you are nothing but a big group of jolly boys and girls who get together everyday in the columns and chat, and chum and laugh and weep and feel at home with one another. Isn't that so, members? 'Course! Oh, dear! We only had room to welcome two members. And we have a dozen more! Patience, members. We'll try to do better tomorrow—Oh, dear! Oh, dear! We haven't counted our club roll, yet. And it's getting bigger and bigger!—Bye, everybody. We're going to count right now before it gets too big for us to count.

OTHER PROMINENT MEN Other prominent passengers on the Asama Maru were Hon. Yukichi Obata and Dr. Shin-ichi Matsumoto. The former is the newly appointed Japanese ambassador to Germany. He has been in diplomatic career for the last 30 years, having held important posts in China

and Turkey. However, this is the first time that he has ever come to the United States.

Dr. Matsumoto is a professor in the medical department of the Imperial university in Kyoto, and is an authority on syphilology. He is on his way to Europe via the United States.

HUSBAND, 60; WIFE, 19 An interesting personage on the boat was an American school teacher in the Philippine islands who is on his honeymoon trip with his pretty 19-year old Filipino wife. The bridegroom, Mr. McClelland, is 60 years old.

The trip, the sixth of its kind for Hunter, is sponsored by the Yomhuri Shimbun, leading newspaper in Tokyo, with which journal Hunter is now connected. Hunter has not definitely signed any players, but said that Hornsby, Gehrig, and Ruth have been approached, and that it is simply a matter of coming to terms with them.

"There will be four games in Tokyo, three in Osaka and one each in Yokohama, Nagoya, and Kyoto. Hunter left here Thursday night on the Lark for Hollywood to confer with motion picture people, who are anxious to secure picture rights of these games that a story may be woven around the incidents. From there he will proceed East to start the work of signing his players.

NOTED COACH RETURNS On board the same boat, returned Herbert H. Hunter, nationally known baseball coach. He announced that he has completed arrangements to leave this port on October 20 with 24 major league ball players and a major league umpire to play a series of 10 games in Japan.

With almost 200 young people's clubs listed for the Young People's "Nenken" now being compiled by the English section of The Japanese American News, the directory is well on its way towards becoming a reality. However, the editors feel certain that there must be many more organizations still left to be filed. Therefore, club forms are being inserted until March 15 at which time the directory will go to print.

A pamphlet form is being planned for the first issue. The English section hopes that with accumulating years the directory will become not only a detailed and complete club "Nenken" but a complete directory of each and every second generation residing in America.

With this as an objective, we urge all clubs to send in their filled forms as quickly as possible. Kindly print in pencil or typewriter.
