WE NEED HEADING

By A. M.

FAVORABLE Cable bill passed by both Houses at 11:55 this morning," wires Miss Sugi from Washington, D. C.—Simple words to the casual or uninterested observer, and yet, to the second generation girls it is and will be of prime importance when the inevitable question of their marriage comes up—For one reason or another, many of our girls will marry men born in Japan. Even at the present time in age and in numbers, the girls outnumber the second generation boys. According to reliable statistics set forth at the recent Citizens' League meeting, 52 per cent of the present number of second generation members are female compared to the male percentage of 46.—In the past, women marrying aliens automatically lost their citizenships only to be regained after termination of the marital status, and those marrying aliens ineligible to citizenship lost their citizenships forever.—Many second generation girls suffered triple hardships under the old system. They lost their ballot, their rights and privileges as citizens (often of extreme practical use), and their rights to regain their citizenship after they had divorced their Japanese husbands—AND NOW, THEY MAY KEEP ALL THOSE RIGHTS AND, ON TOP OF THAT, MARRY WHOM THEY PLEASE. Congratulations to the second generation girls!

ONE good news on top of another! Mahatma Gandhi is reported as saying, "I think we shall have peace."—Cause for special thanks, it seems. All the world seems to be groaning at the present time under the yoke of hard times, but India seems to be past the stage of mere groaning. It is grimly silent from suffering. And now, let us hope that its untold misery will begin to cease.

Someone or other in Texas is defending the fact that he is hunting deer with a bow and arrow. "Indians used to shoot them that way. Why not?" he asks.—No, we can't think of any reason why he shouldn't be able to bag deer with bows and arrows. Only—track our brains as we will, we can't think of any one we know who can even bag deer with a long range rifle, let alone bows and arrows. However, we wish the modern Hiawatha the best of luck.

FISHERMEN WIN RIGHTS

Japanese Illegally Entered May Fish off Mexico

LOS ANGELES, Mar. 3.—Once and for all, it is hoped, the re-entrance of a Japanese fisherman going into Mexican waters, even though his original entry might have been illegal, has been decided, when the Japanese fishermen of this district won a far-reaching decision in the United States Circuit Court of Appeals for the 9th circuit, in the case of Matsutaka vs. Carr, district director of the United States Immigration service at Los Angeles, February 24.

For a long time the immigration authorities at San Pedro held that a Japanese fisherman going to Mexico waters could not return to this country unless his original entry was a legal one, even though he had lived in the United States for more than five years. Many fishermen have been excluded and others sent back to Mexico on account of this holding.

This recent case, ending in favor of the Japanese, was supported by the decision rendered in the case of Nagata as far back as 1926 when it was decided that Japanese fishermen had the right of re-entry regardless of their status as aliens. Attorneys J. Edward Keating and Theodore Bowen filed briefs for the Matsutaka case at San Diego because of their past experiences on the question.

NYK HEAD TO COME TO S. F.

K. Kagami, President, to Arrive April on Asama

On the first lap of a world survey of shipping condition, Kankichi Kagami, president of the Nippon Yusen Kaisha line, is due to arrive in San Francisco on the company's flagship Asama Maru on April 29, according to advices received here yesterday by S. Nakase, San Francisco manager of the company.

Kagami was elected president of the N.Y.K. line in 1929 since which time he has been an international figure in shipping circles. Under his leadership the N.Y.K. line has recently completed a \$60,000,000 shipbuilding program which included the commissioning of nine motor ships in the California-Orient, Seattle-Orient, Japan-Europe and South American services.

As president of the largest shipping company in Japan and one of the world's foremost maritime organizations, Kagami controls a fleet of more than 150 vessels, totaling approximately 850,000 gross tons operating in the company's various world wide and other services.

This will be Kagami's first visit to America since 1926 when he came here as director of the company with N. Ohtani, managing director and other officials of the line. Plans for the United States survey of the visiting shipping official are not definite, but after a comprehensive tour of American shipping centers he will continue to European ports.

Busy Bee Sextette Defeats Placer by 36-11 Score Sun.

STOCKTON, Mar. 3.—The local Busy Bee basketball sextette added another mark to their string of victories when they whipped the strong Placer Shojō kai girls, 36-11, last Sunday afternoon in a game played at the Stockton Buddhist temple court.

Throughout the tussle the invaders were at the mercy of the local team, the score standing 28 to 4 when the whistle blew at the end of the first half.

Rosie Hagio and "Patty" Matsumoto of the Bees were the stars of the day, scoring 20 and 14 points respectively. The stellar guarding of Captain Annie Kuniti, June Fujishige, and Ann Ohshima was much in evidence throughout the game. For the Placerettes, Beasie Tayama and A. Masuda played exceedingly well. The game was refereed by Fred Ito of the Tenshindo quintet.

After the game, most of the members of the victorious sextette motored to the new home of Miss June Fujishige where dinner was served. The girls later spent the evening around card tables.

Harvey Suzuki Named Chairman of Next Conference

SAN JOSE, Mar. 3.—With close to 100 delegates from Palo Alto, Mt. View, Irvington, San Jose and vicinity, attending, Santa Clara County Sectional Young People's Christian conference was carried out successfully under the general chairmanship of Lester Suzuki.

What the Church Needs and What It Should Do" proved to be a lively topic for the gathering which was divided into three groups. The junior high school group was led by Miss Sumiko Morishita and Henry Kiyomura, the sophomore and junior group by Dr. Frank H. Smith, and the seniors and college group by Frederic Shipp, dean of boys at the San Jose high school.

Among some of the things suggested by the young people in the discussions were building facilities, better parent children co-operation and closer everyday contact with Sunday school children. Co-operation with Buddhist and other non-Christian friends through athletics and parties was especially stressed.

Closer work with the pastors, and the preparation of interesting gatherings was also mentioned.

A lively open forum led by Dr. Smith and Mr. Shipp was followed by an entertainment hour at the First Presbyterian church. Excellent stunts were given by San Jose, Mt. View, and Palo Alto.

The next conference will be held in Mt. View, it was decided in the afternoon's business meeting. The following were elected to head the Santa Clara County Y.P.C. for the coming year: Harvey Suzuki, chairman; Frances Funahiki, vice-chairman; Lester Suzuki, secretary; Morris Saito, treasurer; Fuji Okamoto, corresponding secretary; Tsuyugo Okagaki, reporter.

DR. DE VOSS SPEAKS Watching the sign posts of life as we would watch the sign posts of highways was stressed by Dr. De Voss of the San Jose State college in his talk on the topic of "Jesus' Way All the Way" at the evening banquet prepared by the mother of the Ladies' Aid society. The music was provided by Min Tawara who gave a violin solo accompanied by Kiyō Sato.

Later in the evening three one act plays were presented by the Epworth league and conference delegates and friends enjoyed the masterful presentations of "The Ghost Hunters," "His! She's a Man," and "And the Villain Shall Pursued Her."

FAVORABLE CABLE BILL PASSES BOTH HOUSES; AWAITS PRESIDENT OK

Miss Suma Sugi Sent by Los Angeles Citizens' League Telegrams Triumph for Women

LOS ANGELES, March 3.—A bill allowing women citizens to marry men ineligible to citizenship without losing their own citizenship was passed this morning, March 3, by both Houses of Congress and is now ready for the President's signature. Such is the gist of the telegram received by the Los Angeles Citizens' League today from its representative, Miss Suma Sugi, who was sent by the southern league to represent the interests of second generation women citizens in Washington.

The telegram reads as follows: "Favorable Cable bill passed both Houses at 11:55 o'clock this morning, March 3, and now ready for President's signature. I called on Mr. Cable, Senator Shortridge and Johnson. They understood and helped us. Mr. Shortridge wrote a letter to White House secretary so I visited White House. I went to every meeting of Houses and am sending this telegram from the telegraph office of the House. My hotel is only 5 blocks from White House. One of Washington's political magazines asked me to write article and newspapers wrote about us and took my photograph."

The telegram which was sent by Miss Sugi at noon Eastern Time was sent to Los Angeles and relayed to the local office of The Japanese American News at 11:10 a.m. Pacific coast time.

The "Favorable Cable bill passed by both Houses" referred to in Miss Sugi's telegram is bill number 16978 introduced by Mr. Cable on February 9, 1931. The text reads as follows:

"Be it enacted by the Senate and House of Representatives of the U.S. of America Congress assembled: "That section 3 of the Act entitled 'An act relative to the naturalization and citizenship of married women, approved Sept. 22, 1922 as amended, is amended to read as follows:

"SEC. 3. That a woman citizen of the United States shall not cease to be a citizen of the United States by reason of her marriage after this section, as amended, takes effect, unless she makes formal renunciation of her citizenship before a court having jurisdiction over naturalization of aliens. Any woman who has heretofore suffered an actual or presumptive loss of her United States citizenship by residence abroad after marriage to an alien or any woman who has heretofore ceased to be a citizen of the United States by marriage to an alien ineligible to citizenship may resume her United States citizenship in the manner prescribed in Section 4 of such Act of Sept. 22, 1922, as amended, for the resumption of citizenship should not apply to any woman whose United States citizenship originated solely by reason of her marriage to a citizen of the United States."

"Sec. 2. Section 5 of such act of September 22, 1922 is repealed." Organized femininity, estimated at over 600,000, have been working for the passage of a bill which would do justice to women in giving them equal citizenship rights in marriage and it is thought that the various national women's political organizations are largely responsible for the passage of the bill.

NITTO WILL HOLD PICNIC

March 14 Selected by San Jose Club for Big Outing

SAN JOSE, March 3.—The Nitto club of this city will hold its annual picnic this year on Saturday March 14, it was decided at a recent special meeting of the club. In the past the picnic has been held jointly with other clubs in the community. This year, however, the outing will be sponsored solely by the Nitto club and personal invitations will be sent out by the organization, it was announced by officials.

The following committees have been chosen to plan for the coming picnic. Yoshio Kimura, Harry Ushida, George Yoshioka and Fred Inouye, chairman, will look for a suitable picnic ground. "Chicky" Hinaga was named to send out invitations. Henry Dobashi will look after transportation while Calvin Hashimoto and Jim Ueyamura are co-chairman in taking care of the games and entertainment at the picnic.

ONLY ELEVEN MORE DAYS! IS YOUR CLUB IN NENKAN?

With almost 200 young people's clubs listed for the Young People's "Nenkan" now being compiled by the English section of The Japanese American News, the directory is well on its way towards becoming a reality. However, the editors feel certain that there must be many more organizations still left to be filed. Therefore, club forms are being inserted until March 15 at which time the directory will go to print.

A pamphlet form is being planned for the first issue. The English section hopes that with accumulating years the directory will become not only a detailed and complete club "Nenkan" but a complete directory of each and every second generation residing in America.

With this as an objective, we urge all clubs to send in their filled forms as quickly as possible. Kindly print in pencil or typewriter.

MT. VIEW, March 2.—Crushing the threatening lead taken by the invaders in the early part of the game, the local Kyowa quintet managed to defeat the Watsonville T.M.T. cagers last Saturday night at the local court, 31 to 23.

With his sterling performance at the pivot post, H. Suzuki of the Kyowa team took the high-point honor of the night with 14 points to his credit. Kawamoto of the local squad and Mayeda of the Apple City team, scoring 8 points apiece, and H. Kiyomura of the local quintet, who was largely responsible of the victory, are considered the outstanding floormen of the evening.

The Kyowa lightweights, led by Ben Kamada, who scored 8 points, triumphed over the Watsonville lightweights by a score of 16 to 10 in the preliminary contest.

JUNIOR AND SENIOR SECTION

Hello, everybody! Auntie is so lazy today that she would rather have you all do the talking. So today let's have a little of this and a little of that from many members. Here is a letter from Florence Miyake of 2008 4th street, Sacramento, Calif. She writes, "I am sick in bed with a cold but don't worry about it because I'm not very sick. Auntie, my name wasn't on the New Year list and I am so sorry. (Auntie is so sorry, too, Florence. Auntie is sorry to hear that you are ill and she is sorry to hear that your name was not on the list. She finds that your name is not on the club list so she is putting it there immediately.—We hope that you will get well real soon, Florence.) And now we will hear a little from Utah. Remember Alice Iwamoto of P. O. Box 167, Latuda, Utah? She says, "Well, here I am again! Guess I bother you too much, don't I? (Never, Alice, we are always glad to hear from you.) "For the love of Mike, why don't you members write to me? Hope I'm not forgotten entirely. Please, Seniors, write to me and by hook or crook I will be sure to answer. So far, Helen Baba is the only cousin that has written to me. My, she writes beautifully and so interestingly, too. (My, what a challenge, everybody. Let's all write until Alice begs us to let off writing.) Here is a postal card from Mary and Keyme Takemoto of P. O. Box 257, Ione, Colorado. They say, "Dearest auntie, we are just dropping in for a few words to tell you how we have enjoyed the friendship of your nieces and nephews and how we have enjoyed reading

the section everyday. (That was nice of you, Mary and Keyme. Do drop in often.) "Auntie, the girls who are writing to us are so nice. They are so very prompt about answering our uninteresting letters. "We are glad that Fumiko Mitamura-san and Ruby Enomoto have joined. They are both my friends. (So are we glad, Mary and Keyme.—So long, pieces mine. Come again.) Here is a letter from Shizue Mae Kado of Rt. 2, Box 199, Hollister, Calif.
