COMMENTS

By A. M.

A. G. SATO, San Francisco Japanese golfer, has won the city championship in amateur golfing.

A wealthy Lieutenant Commander commits suicide rather than yield to an insane impulse to kill "two or more people."

According to figures, the per capita wealth of California is or should be, \$3093.—That means that we have, or should have, \$3093 around us somewhere.

"U. C. surrender ends revolt of dental pupils," runs a news headline.—News indeed and a source of much satisfaction to any and every person who has had to stand professorial or faculty tyranny at any time in its past.

Spring is here! Did you see it Sunday? All the highways, all the beauty spots, all the beaches of California were crowded to their full capacity.

Embajera G.R.'s of L.A. (Special to Japanese American News) LOS ANGELES, Mar. 23.—At their regular meeting held at the Japanese Y.W.C.A. dormitory recently, the Embajera Girls Reserves planned for the future.

Woman Strangles 8 Month Old Baby, Commits Suicide

(Special to Japanese American News) SALINAS, Mar. 23.—Apparently dependent over her ill health, Mrs. Shimaya Yamayoshi, 38, of San Juan road, yesterday afternoon strangled to death her 8-month old baby, Mitsuye, and took a dose of strychnine herself afterwards and committed suicide.

The Japanese woman scribbled tragic words before her death on three sheets of notebook paper in pencil. They are now in the hands of the local sheriffs, who are making investigations as to the real cause of her death.

Mrs. Yamayoshi had been suffering from poor health since her child-birth last summer, and it is said here that her ill health may have led her to end her life.
