JUNIOR AND SENIOR CLUB

"Lo, everybody! All well and happy, family mine?—That's fine! Now come and gather around auntie and let's see who will do the chatting today." "Just on time! Here comes a special delivery letter from Helene Yamataka of Hollister, Calif. "My own dear auntie, my heart is so full of gratitude and love for you and for all my dear cousins that I am lost as to what and how it would be best to express my thanks. (Never mind, Helen, we understand.) "Dear members, I together with my parents, sisters, and brothers thank each and every one of you with all our hearts—Auntie and members, I feel so much and yet I cannot find a single word that is deep enough or full enough to reach every corner of my heart and bring out to you what I am feeling. (Again, never mind, dear. Sometimes silence is just as expressive, or more than a whole book full of hollow words.) "If sister Dorothy should only see the beautiful rose bush which brings with it the love and remembrance of 900 kind hearts! Father and mother also extend their heartfelt thanks. Mother showed her appreciation in the tears that coursed down her cheeks. (A rose bush was a silly thing to send to a person whose father raises seeds and flowers, Helene. And yet, to auntie's simple mind, a rosebush which contained the loving remembrance of 900 friends was a different rose from any which your father might raise in his gardens.)
