WAKABA AND FRESNO NINES PLAY 9 TO 9 TIE CONTEST IN SACRAMENTO TOURNNEY

RESULTS OF SACTO MEET
Saturday
Sac'to def. Ileton, 10-9. (7 innings.)
Fresno def. San Jose, 13-2.

GAME CARDED IN FUTURE TO DECIDE CHAMPIONSHIP

[Special to Japanese American News]
SACRAMENTO, June 1.—After playing an extra one inning and with the score standing at a 9-9 tie, the championship game staged between the Sacramento Wakaba nine and the Fresno squad as the final battle in the Northern California Japanese baseball championship tournament held here Sunday, was called off because of darkness.

At 3:30 p.m., the Wakabas, who trimmed the Alameda Talku nine, and the Fresnoans, who defeated San Jose, in the preliminaries, appeared before the thousands of spectators in the grandstand cheering and shouting for their respective teams.

FRESNO SCORES 3 RUNS
No runs were scored in the first and second innings, but in the third inning the Fresno team, hitting and stealing bases, the opponents scored three runs. One run in the fourth, and two runs in the fifth brought their total to six, while the local Wakaba men were trailing behind without any figures, except scores, on their side.

When the end of the fifth came around, a great thing happened for the local nine. Everybody was on his toes determined to knock the old apple all over the field. And they sure did it. The result: five hits, five runs.

WAKABA CONTINUES HITTING
Following up the good showing, the Wakaba men continuing their hitting orgy, cracked the ball here and there scoring another three runs by Nakatomi, Okano, and Matsuda, in the sixth inning. Matsuda captured his run when Zenimura made an error.

Fresno's one run in the beginning of the last inning broke the Wakaba lead and tied the score. During the 10th extra inning, Fresno scored a run, but in the close of the inning Wakaba returned and score its run, again tying the score, 9-9.

GAME IN FUTURE

It was 6:30 p.m. when the umpire called the game off, and meeting at the same time, that a contest to decide the champion of northern California, between Fresno and Sacramento, will be played in the near future. The cup trophy donated by the branch office of The

Japanese American News will be kept by Mr. B. Takeda until then, it was reported.

The score by innings follows:
R H
Fresno 003 121 001 1-9 13
Wakaba 000 003 000 1-9 14
Batteries: Fresno—Saito and Yoshikawa; Wakaba—Sasabuchi, F. Nakatomi, and Kihara.

SACTO BEATS ALAMEDA

In the morning game, the Sacramento Wakaba team trounced the Alameda Talku kai, by a 7 to 6 score. The summary follows:
R H
Sacramento 004 010 000 2-7 11
Alameda 023 000 000 1-6 13
Batteries: Wakaba—H. Nakatomi, G. Nakatomi and Kihara, c.; Alameda—B. Matsuda and Maruyama.

ALAMEDA LOSES AGAIN

Starting at 12:30 p.m. the losers in the preliminaries played a game in which the Alameda Talku boys again were defeated by the San Jose Asahi squad by a difference of one point, the score being 3 to 2. The summary follows:
R H
San Jose 030 000 000-3 10
Alameda 000 011 100-2 7
Batteries: San Jose—Ichishita and Sakamoto; Alameda—Rokutani and Iwahashi.

Fresno Bride-to-Be Surprised by Gay Fete in Her Honor

[Special to Japanese American News]
FRESNO, June 1.—Miss Tamii Goto, who recently announced her engagement to Mr. Kenneth Kenzaburo Mayeda of Cortez, was the guest of honor at a surprise party given by Miss Lillian Mochizuki at the Fresno Y.W.C.A. Blue Triangle court last Friday evening.

Besides the guest of honor and the hostess, 10 other girls were present to spend an informal evening playing card, games and dancing.

The room was decorated with western flower motifs, the color scheme of which was carried out in the refreshments served later in the evening.

Prizes were awarded the two guests who scored the highest in a "Bluebird" game and bridge, Misses Misao Matsuyama and Hana Sugimoto, respectively.

FAT MEN ARE HONEST

FUKUOKA, Japan, May 31.—(U.P.)—"Fat men are honest," Dr. Kinzo Sasa, sanitation expert of the local prison, proved in a thesis submitted to the Imperial university here. He was awarded an honorary degree for his research.

Saza's investigation covered the life careers of thousands of criminals. He found that:
Very few fat men ever commit criminal acts and those who do can be reformed easily.
Most criminals are slender and have been so all their lives.

Thieves, contrary to the popular superstition in Japan, have arms of only average length.

FINALS SET FOR JUNE 14

City Tennis Tourney Draws Crowd for Opening Sun.
Completing only three rounds, the annual Open City Tennis tournament sponsored by the Japanese Tennis club of San Francisco had to be terminated Sunday afternoon without having a chance of deciding the real champion for this year.

The semi-finals and finals rounds will be played on Sunday, June 14. The Nippon-Press-Hatae company trophy is still in the hands of Willie Shimizu, brilliant Japanese player and a member of the Daiichi Tenkyu club of this city. The defending champion is daily going through hard workouts, while his opponents like the Shimura brothers are also at their business aiming to dethrone Shimizu in the finals.

More than a score of persons enjoyed a dinner given by the sponsoring organization on Sunday after the tournament at the Sho Wa Low restaurant.

Friendship Circle to Give Graduates Banquet on June 6

[Special to Japanese American News]
The Friendship Circle of the local Church of Christ will hold a banquet in honor of the graduating members of the society on June 6, Saturday, at 6 p.m. in the social hall of the church.

Graduates to be honored are Wilbur Takiguchi, Polytechnic high school; Jiro Shimakawa, John Shimakawa, Roy Kaneko, and Dorothy Fujita, Galileo high school; Eupenia Fujita, Lowell high school; and Alice Okamoto, Commerce high school.

Election of officers will be held after the banquet.

Belated Memory

The absent minded man was winking along the promenade. When he reached the end, onlookers were amazed to see him fall off into the sea.

He seemed helpless in the water, and rescuers were just in time to bring him ashore.
"Thank you," he said. "That was a near shave." Then he hesitated. "But hang it all," he went on. "When I come to think of it, I've just remembered I'm a splendid swimmer!"

THE WEATHER

TUESDAY—Fair and mild.
Let us take the American born Japanese. We are American citizens but only in terms of the law. Take away our American training and we are pure Japanese, and take away our modern Japanese traits and we are sons and daughters of the Samurais.

Why do people talk about democracy? Why do people rave on about peace? Why, because Greece has given the best example of democracy and because Rome has maintained peace in the ancient world for such a long time.
We cannot be too hasty in condemning the past. We are part of the past and the past is the guiding influence of the present. The past is a potent influence.

SACTO TROOP 25 WINS SATURDAY TRACK MEET

S. F. Troop 12 Beaten by Narrow Margin
[Special to Japanese American News]
SACRAMENTO, June 1.—Making an unsuccessful attempt to beat the local Boy Scout Troop 25 in the 1st annual dual track and field meet, the San Francisco Boy Scouts Troop 12 returned home late Saturday evening to the Bay region.

The Sacramento boys defeated the invading opponents by a close score of 132 1-4 points to 121 5-6 points. Twenty six scouts came from San Francisco to see the fair city and to test their ability in a track and field meet. The contest started at 1:40 p.m. at the Sacramento high school oval. The teams were evenly matched, but the San Franciscans were a little at a disadvantage as they could not do their best with the sunbeams falling on them at full force, raising the temperature to 92 degrees.

EXCITING RELAY
The most exciting event of the day was the 95 lbs 440-yard relay. About 25 yards from the tape, Fukui of San Francisco was leading Ishimaru of Sacramento by few yards. Five yards to go and the two boys representing their respective troops, were running shoulder to shoulder. Just when the race was to be considered a tie, Ishimaru jumped, cutting the tape to victory, beating Fukui by only three inches.

The outstanding high point man of the day was Sugiyama of 125 lbs division of Troop 12 gathering six 1st places, totaling 30 points. After the meet, the hungry and tired boys of both troops enjoyed a reception banquet at a chop suey house. During the supper, speeches, yells, and awards were made.

The events and winners of the respective ranks are as follows:

FRIENDHADU FORM NEW JUNIOR CAMP FIRE CLUB

Two Galileo High School Students Win CSF Honors
Miss Dorothy Fujita, daughter of Dr. and Mrs. S. Fujita of this city, and Ichiro Ota, son of Mr. and Mrs. Eitaro Ota, both graduating from Galileo high school this month can boast of the C.S.F. stamp on their diplomas and a C.S.F. pin when they graduate. Announcement has just been made by the school authorities of the high honors won by the two Japanese students.

H. Nakahara Chosen Club Prexy for Fall Term
A social and installation service is being planned by the local Friendhadu Camp Fire Girls in honor of its new officers elected last Friday night.

The officers for the coming fall term are as follows: Haru Nakahara, president; Mary Hiroshima, vice-president and social chairman; Kaoru Kawaguchi, secretary; Setsuko Kadota, treasurer; Mary Yamamoto, athletic manager and yell leader; Marie Okasaki, scribe; Michio Teramoto, commissioner for the new Junior Camp Fire Girls. With the rapid increase in membership, the club decided that a new Junior Camp Fire club should be formed, composed of girls from the age of 11 to 14 years of age. Michio Teramoto will be commissioner of this newly formed club.

The Friendhadu Camp Fire club which was originally composed of junior girls will be composed of older girls from the age of 15 years and older. According to the club officers, the club welcomes any girls who wish to join any one of the groups.

JUNIOR AND SENIOR CLUB

Mo, everybody! A bright good morning to you all, neeps and neeps mine! Come and gather around auntie while we read the nicest story that Just Natty of Lo's band has sent to us. Here it is. Let's read it without delay.

"Good morning, dear aunty—"
"A story I tried to write—
THE LITTLE SHACK
By Just Natty

It was in the office of one of town's most successful business men. The man himself was seated at his large desk, while a lady was seated across from him.

"...and we would like very much to have you speak to the students," the lady was saying.

"The man seemed a little embarrassed.
"Well—er—er—I'm not accustomed to speaking before large assemblies and I..."

"I am sure that the students will enjoy your talk very much," the lady encouraged.

"I—I'll do it, but I—"
It was an odd, tumbled-down shack, and seemed to totter each time the wind blew. The man who was looking at it was in the same condition—just downright "out." He had seen better days, as had the shack.

By into his life had come two heavy blows—loss of his job and wife. They had crushed him, and he had refused to fight. He had decided that life was not worth living—not when two such misfortunes came to a man at once—and he had started to go down, down, down.

A little more than a week later, the man again chanced to pass the little shack. He started at it in amazement.

"What was that! Was he dream-

PUBLICITY BOOK WINS FIRST PRIZE

Mrs. J. Morcombe PTA Leader, Lauds Mrs. Yamamoto

Mrs. Tomo Yamamoto, chairman of the P. T. A. Publicity Record book of the San Francisco schools, again won first prize with her publicity book for District Two at the P. T. A. convention held recently in this city. Last year Mrs. Yamamoto's book won first prize in California and also won honorable mention at the national convention.

Mrs. Yamamoto, whose two boys graduated from Raphael Weill school, was the first Japanese woman to become president of a P. T. A. in California. According to Principal Klaus of the Raphael Weill School, Mrs. Yamamoto has been an enthusiastic and indispensable worker of the school's P. T. A. for many years.

SPENDS 225 HOURS READING
Much time and labor has been put in the making of the record book which contains 17,047 inches of clippings from newspaper articles and magazine articles concerning activities of the P. T. A. High school artistic cover designs and decorations also adorn the book. Mrs. Yamamoto estimates that she spent about 225 hours in just reading in order to make the clippings.

Concerning Mrs. Yamamoto's achievement, Mrs. Joseph E. Morcombe, publicity chairman of the California P. T. A., has the following to say:

"The exhibit of Parent Teacher work at the Thirty-second Annual Convention of the California Congress of Parents and Teachers held in the Civic auditorium, May 26 to 30, attracted a great deal of attention. No part of the same was more popular than the 'Publicity Record Book,' the work of the publicity chairman of the local unit, the council, and the districts. Among the District books, all agreed that the Second District Publicity Record book, was the outstanding one and a constant stream of people was anxious to see the same.

FOREIGN PAPER CLIPPINGS
"FOR the amount of matter contained, the fortunate location of Second District, and the generosity of not only the 4 well-known daily papers, but the foreign language dailies, the sectional papers, and weeklies of the city, it is to be thanked.

THANKS MRS. YAMAMOTO
"But for the assembling of this matter for record, for the artistic manner in which this was accomplished, for plan and arrangement, thanks are due to only one person, Mrs. Tomo Yamamoto, Publicity Record Book Chairman of the Second District C. P. T. The book represents hours of labor, unrequited artistic ability, and painstaking care, all given freely and lovingly to make this record of the work of the year of 1930-1931 of the Second District C. P. T., a permanent one."

Willie: "Why teacher, all he could fly was a kite."

what a grand sight the new clubhouse of the "Scorpions" was! (For that was what it had become) and how happy the shack was! and oh, how proud!

"If a little bracing up and a can of paint can do this much for me, it said, surveying itself again, 'I'll start good for something, and I'll show the world!'"

"The boys were so delighted at the transformation they had wrought in the shack, that they kept on improving it and improving it, and the shack began to look better and better.

"From then on, whenever it saw a man who seemed to be downhearted, the little shack would beckon to him and say, 'Don't be like that—cheer up—brace up—put on a new coat of paint (it meant you're alive—and you'll find yourself looking like me!'"

"That is the end of my story—the story of my success.

"With this, the speaker concluded. "I beg your pardon dear Aunty, I forgot to warn you that the story was—Just Natty."

It was NOT nutty, dear it contained the truth and life in the nicest story that auntie has ever heard and she is deeply touched by your tale. That story, nephew mine, can cheer up many a discouraged and sad traveler in life.—And—members, let us, too, 'cheer up—brace up—put on a new coat of paint' by putting on a new outlook on life"—and be glad that we, you and I, are alive.—Right? Come along, dears. And thank you for showing us the way, Just Natty. Let's travel together.

Bye, family mine, till we meet again tomorrow. Aunt Mia.
