TAKAHASHI IS STAR FOR BEAR SQUAD

Hashiguchi, Kito Are Luminaries for Los Angeles Five

BERKELEY, Feb. 11—It was a tired Bruin five that took the floor Wednesday night at Oakland Tech against the U. C. Bears. Playing their third game in as many days, the southern invaders looked just about all in, losing 35-23.

The Bear second string started the game. Against such easy competition, the invaders looked good, running up a 13-4 lead at quarter time. Then the Dean's varsity took the court, cutting down the Bruin lead to 13-16 at half time.

During the final half, the Golden Bears started from where they left off, sending a barrage of field goals through the hoop. George Takahashi led the parade with 11 points.

Kito and Hashiguchi with six points each sparked the Bruin attack but their work was nullified by the brilliance of the Bear offensive which was working smoothly.

Losing two games out of three on their trip here, the pride of Southland's cagers did not look any too well. The visitors seemed to have speed, but lacked the team play of their northern rivals. Their chief weakness seemed to be their defense.

Basking in the week's cage fiesta offered at the Salvation army court Saturday evening as the headline will be the Nisseis-Y hoops game. To the winner of the tilt will go undisputed possession of first place of the J. A. A. U. "A" league.

The first game of the evening at the Salvation court will be the Showans fighting it out with the Merritts. The centers will take the ring for the tip off at 7 sharp.

The Showa babes will play the Y Juniors at 8. The Showans have yet to win a game in the city cage race, hence, they will be out with a victory in mind.

The big game of the evening will start at 9 between the Nisseis and the Y. The other A league tilt will be played Friday at Willard junior high court between U. C. and O. S. D.

Huge Japan Gold Cargo Due in S. F.

Heralded as signifying Tokyo's confidence that the United States will not be drawn into the Japanese China conflict, Japan is sending to San Francisco this week \$18,500,000 in gold to strengthen her credit.

Of this amount \$13,000,000 is expected here early Saturday, according to U. S. customs officials. Five million arrived Sunday.

The shipment reached Seattle last night by the freighter Cuba Maru and was immediately expressed to San Francisco mint under guard. It will be held here and placed to Nippon's credit.

These shipments bring the total Japanese cargoes of gold to San Francisco since the first of the year to approximately \$28,500,000.

Japanese officials denied and the Chinese officials insisted the gold was to be used for a Nipponese war chest here to finance Japan's military adventures in China.

"The gold has been sent here to bolster the exchange value of the yen," said the Japanese, "and to support the Japanese bonds which have been depressed by war rumors and to balance Japanese-American trade."

BIG CROWD PARADES IN JAPAN FETE

Patriotic Groups In Grand March on Kigenetsu

TOKYO, Feb. 11—Japan celebrated one of its most important holidays today with the patriotic demonstrations which reflected the martial events of recent weeks in Manchuria and Shanghai.

Kigenetsu is the day on which the empire celebrates the anniversary of its founding by Jimmu Tenno, a descendant of the sun goddess in 660 B. C. There were parades by several organizations in which 100,000 persons, mostly youth and school girls marched behind blaring bands and the national flag.

On the banners the armchairs carried were slogans such as: "Be loyal to the Emperor, Love Our Country, Don the Steel Helmet, and Protect the Fatherland."

Prospects Bright for Musashiyama, Huge Japan Wrestler Who Enters Prize Ring

Nitto Red Devils Lined up for Busy Week End on Court

TOKYO, Feb. 10—Will Musashiyama make his name a symbol of strength and conquest in the realm of pugilism as he did so successfully in the world of wrestling? This is the pertinent question of the hour now that this giant wrestler has announced his intention to enter the prize ring.

Unlike other sumo wrestlers who are as a rule fat, Musashiyama is muscular with the upper part of his body fully developed. His legs are slender, strong and fast of movement.

Musashiyama will be one of the heaviest leather-pushers in the world. He weighs somewhere around 260 pounds, whereas Max Schmeling of Germany only 195 pounds; Jack Sharkey, Boston pugilist, weighs about the same; the Italian giant, Primo de Camera weighs 278 pounds, and Dempsey tips the scales around the 200 mark.

Heavy Contender Even though hard training reduces his weight, Musashiyama will still be heavier than all of them except Carnera. The Japanese wrestler is six feet one inch tall, or about the same height as Schmeling of Germany.

Sharkey is an inch shorter and Carnera six inches taller, than the Japanese aspirant to the throne of heavyweight champion.

AZUMA OFF FOR NIPPON

Globe Flyer Says He Is Not Joining Air Force

Zensaku Azuma, variously known as the "Lindbergh of Japan," and the "Chop Suey aviator," called from San Francisco for Tokyo Thursday, a passenger on the N. Y. K. liner Chichibu Maru.

Azuma denied that he was returning to his native land for service in the Shanghai conflict, asserting that he was merely on a visit to relatives. He earned his title as the "Lindbergh of Japan" when he made a flight from Los Angeles to Tokyo by way of New York.

He was called the "chop suey aviator" because he financed the flight with profits from a large chop suey restaurant. Azuma was corporal in the American air service during the World war, and later studied aviation under Colonel Arthur Goebel.

Olivers Lose But Declared Victors in Hawaiian Game

LOS ANGELES, Feb. 11—Oliver juniors lost 6-0 to Hawaii in one of the A league football games, but was listed as having not been defeated because Hawaii used an ineligible player, Yamaguchi.

Hawaii lost all games in which Yamaguchi played. So, although the heavy, powerful squad tied Gardena and defeated Epworth and Olivers, they rest in the cellar with no games won. San Pedro defeated Hollywood 26-6. Epworth forfeited to Gardena. The games were played Sunday.

GRID PLAYER GETS ROBBED BY TACKLING

Los Angeles Youth Uses Football Methods

LOS ANGELES, Feb. 11—Walter Yamada, Oliver team's quarterback, pursued Edward Costello near Alameda street and putting into practice his gridiron skill, downed his quarry with a flying tackle.

To the aid of the small youth came Frank Kumamoto and Elmer Suski. The three boys held the Mexican until an officer arrived.

It seems that Saturday the Mexican and a confederate planned the robbery of Mrs. Kusayanagi as she was entering a restaurant. They snatched her purse containing approximately \$400, and took to their heels.

The "Frank Merrillwell" finish followed. The money was recovered.

JUNIOR AND SENIOR CLUB

Conducted by AUNT PEGGY

HELLO EVERYBODY! Do you thing Auntie has been partial? How many of you thing so? Well, Alice Nozawa of Suisun thinks Auntie is partial because she believes Auntie always backs the nom de plumers. In what way Alice? But you must remember that Auntie is one of the nom de plumers. Here is Alice's complaint.

"The words 'nom de plumers do not suit you at all, anyones. You are the cowards and potroons, the unqualified persons, who will not become independent to challenge us. But Auntie calls them the 'knights'. What an inconsistent word! I'm sorry, Aunt, please forgive me. But they are sure puffed up by your help. They are not the fellows who can stand in the front of the battle line as knights! (Oh my, oh my! Alice, please cool down a little!)"

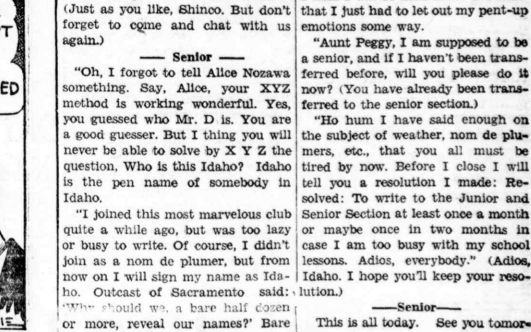

They lined their empty words which were dressed and decorated as plausible! Oh, what pitiful persons you are, anyones! Only you can twist the arms of babies, and you are as proud of yourselves as if you were strong, but you can't do anything more than that. Get angry! Get angry! Fortunately, if you still have the heart to get angry, stand with dignity and impartiality. Don't act like a bat in the dark. Face us after you have ablation, you the anyones! (Now what are you going to do, nom de plumers? Remember the Dangerous Warning from Bernice Hikiji, too.)

—Senior—
Here is Shinoo Maekawa, P. O. Box 525, Dunsuir, Calif. Hello Shinoo! "Hi, Auntie, and cousins mine! How are you during all these days? (We're just fine.) Hope you are all happy and well in this little corner of ours. Do you want to go coasting or skiing? Just take a train and stop at Dunsuir. You will see plenty of snow and brrrr---you are liable to freeze. If any of you come, I advise you it's just a bit too early for bathing suits. Yesterday morning as I was going to school everyone was saying: "It's the coldest day we ever had, 8 degrees above!" "Aunt Peggy, can any American girls or boys join this club? (Certainly they can, Shinoo. We have quite a few American members. Geo. Ortiz of Glendale, and Callista Pimental of Goconda, Nevada, joined our club not long ago. My sister has a friend who was talking about joining not long ago. (Your American friends are welcome to join, Shinoo. Please tell them so, won't you?) "The fight is on about the nom de plumers, but not wanting to get into a scrap, I will be an onlooker. (Just as you like, Shinoo. But don't forget to ogme and chat with us again.)

—Senior—
"Oh, I forgot to tell Alice Nozawa something. Say, Alice, your XYZ method is working wonderful. Yes, you guessed who Mr. D is. You are a good guesser. But I thing you will never be able to solve by X Y Z the question. Who is this Idaho? Idaho is the pen name of somebody in Idaho. "I joined this most marvelous club quite a while ago, but was too lazy or busy to write. Of course, I didn't join as a nom de plumer, but from now on I will sign my name as Idaho. Outcast of Sacramento said: "Why should we, a bare half dozen or more, reveal our names? Bare half dozen, me eye! After this sad
