RUSS OKEHS PRES. PU YI'S R. R. ENVOYS

Tokyo Thinks Action Prelude to Actual Recognition

By THE UNITED PRESS
TOKYO, Mar. 15—News from Manchuria today led Japanese officials to express the belief that Soviet Russia will soon recognize officially the new Manchurian state under the dictatorship of Henry Pu Yi, former Chinese boy emperor.

A dispatch to the Rengo News Agency from Changchun, capital of the new state, said Russia informally indicated it would accept Dictator Pu Yi's nominees for directors of the Chinese Eastern railway, instead of directors appointed by the Chinese National government at Nanking.

This, Pu Yi's followers were reported as saying would be equivalent to a de facto recognition of the new regime. The Chinese Eastern railway is jointly operated by Russia and China.

Manchuria Seeks U. S. Recognition

WASHINGTON, Mar. 15—A bid for the recognition of the State of Manchuria has been made to the state department by Shieh Chieh Shih, in a telegram in which he signs himself as foreign minister of the new state.

State department officials declined to make public the text of the message, saying unofficially its publication would give the status of an official document to the message.

The communication was lengthy and outlined the text of the message and urged the establishment of diplomatic relations between the United States and Manchuria.

Beat Rangy American Five at Tech Gym By 46 to 37

(Special to Japanese American News)
OAKLAND, Mar. 15—In as wild and as woolly a game that has ever been seen in the Tech gym here, the local Japanese M. E. quint led by Domoto staged a sensational rally to come from behind to turn in a brilliant 46-37 victory over the West street garage five Friday eve.

The rangy American team ran up the score 10-2, at the end of the first quarter. Then, the dust began to fly off the basket with both sides peppering them in. The Japanese forged ahead, 21-15 by half time.

The garage men came back to wrestle the lead away from the Japanese, going into the final quarter with a five point margin, 33-28, but the Oaks came through with a whirlwind finish, bagging 18 points, to pull up an easy winner.

CLUES HELD IN KILLING OF Y. NAKAE

\$500 Reward Will Be Given For Arrest Of Culprit

(Special to Japanese American News)
PENNSYLVANIA, Mar. 15—Convincing clues that may ensnare and carry to the gallows the villainous culprit who murdered the prominent Japanese grower, Yoshihika Nakae, near his home in Newcastle about midnight Mar. 6, were unearthed by Mr. Iwasaki, an interpreter and a close friend of the murdered man, during a special investigation conducted Sunday.

With \$500 reward posted for the capture of the felon, and with a private detective of much ability engaged to work in cooperation with the police here to hound out every additional clue, both by the authorities and Iwasaki expressed complete confidence that the arrest will be made shortly.

Contrary to the belief held by the police, Interpreter Iwasaki, who is now the central figure in the search for the murderer, declares the crime to be the work of a white person, not a Japanese.

The late Nakae was killed by a blow struck with the butt end of a shot gun or some other blunt weapon while on his way home in the dark of the night. Evidently he left his automobile to look at an obstructing wire that crossed his path, when suddenly he was struck from behind, crushing his skull. The crime was evidently carefully planned and premeditated.

Taiiku Nine Loses To Merchants, 5-3

(Special to Japanese American News)
ALAMEDA, Mar. 15—The local Taiiku nine put up an uphill battle to go down finally in defeat 5-3, before the Tenscal merchants here Sunday afternoon.

Customer's last stand looked like a cheap winning picture compared to the fight that the Alamedans put up. Coming to bat in the final frame, 5-2, Nakayama drove a line single over the keystone sack to make the fans sit up and take notice.

The next man went out, then, Teshima got life on an error. Hanamura pumped out a single, filling the sacks, with one away. L. Nakano came through with a long outfield archer, scoring Nakayama.

But Alameda like Custer, was doomed. With the tying counters on the pathways, Towata's sure hit, was grabbed by the enemy for a circus catch, ending it all.

Teshima and L. Nakano circled while Hanamura coughed.

FROM THE NEWS PRESS BOX

By FRANKLYN SUGIYAMA
A great deal of praise for their quiet hard work. Their excellent handling of the present basket ball league's multi-gamed schedule deserves credit. Nobu Tabata, proxy, Tom Murata, vice proxy, Tom Yamamoto, scribe, Richard Kimura, keeper of the greenbacks and small coins, are officers of the J. A. A. U.

MAY RENT KEZAR
OB U. S. F. OVAL
Already Tommy Yamamoto reports that the first or second Sunday in May will be the day of the track meet. He states that negotiations are being made with Kezar and U. S. F. officials for the rental of their oval for the meet.

But the point is, gentlemen, why stop at a half way station? Baseball and football should be taken under the J. A. A. U.'s fatherly guidance and turned to the same point of perfection that has been attained in track and basket ball.

ALL STAR BASKET BALL OBSERVERS
Miss Toshie Koba, forward, Y. Mr. Kaneko, fullback of Bay, Roy and Mitsuo, forward, Y. George "Gigi" Yamamoto, center, Showa
Susumu "Pop" Yamakawa, guard.

Kenny Takahashi, guard, Independent.
The above all stars were selected on the basis of their regularity, their pep, and loyalty to their teams. Takahashi seems to have sympathies for the Showa club but since his brother, George, is one of the U. S. C. Bears' mainstays, Kenny asked to be listed on an independent platform rather than either Showa or U. C. in order to keep peace in the family. Since the Y. M. C. A. is leading the circuit, it is only fair that their rooters should be shown the preference.
