WATSONVILLE GLEANINGS PICKED UP FOR OUR READERS BY SMILES

YMBA Delegates
Fred Nitta, Bob Handa and Tom Mori were the delegates to the YMBA conference which was held at Stockton recently. They said they had a wonderful time besides the business side of the conference which they attended. Heavy thanks are extended the Stocktonians.

Foiled!
The YWBA's were rather disappointed when they appeared at the Y court Saturday night to see the basket ball game between San Francisco YMBA and the Mikados. Why? Well, the games were called off and the girls were not notified so they attended 100 per cent strong. Imagine their disappointment in not meeting the San Francisco YMBA boys.

Engaged
According to the big news, Miss Kazuko Iemura, daughter of K. Iemura, is engaged to Mr. J. Umal of Oakland. Miss Iemura is a student of the Watsonville high school and she will graduate in June. Although the wedding date is not definitely settled, it is expected to be held in the near future.

Home, Sweet Home
The new home of Mr. and Mrs. I. Mochi, secretary of the Japanese association, is nearly completed. The building is located next to the Japanese Presbyterian church. They are expected to move in sometime in May.

Picnic Enjoyed
The local fishermen's club held a fishing picnic at Palm Beach near Watsonville, Sunday. Since there is no Japanese community picnic to be held, many people were seen enjoying the sunny and bright beach outing.

Sport overs
Sunday is the tennis and swimming day for the local second generation sport lovers. Those frequently seen by Smiles playing or swimming are: Willie Emomoto, John Yamaguchi, Tom Shimizu, Charlie Iwami, Joe Morimoto, Bill Shirachi, Bee Hayashi, Joan Shirachi, Yoneko Kanemoto, Mas Emomoto, Bob Handa, Jim Fukuhara and Sam Mayeda.

Oakland Merritts Stage Ball Turnout

Special to Japanese American News
OAKLAND, Mar. 30—They came in all sizes and dimensions for the Merritts initial ball turnout, according to George Shingu, manager, who expressed no small satisfaction over the numerous prospects that aspired for jobs on the team.

Probably the most important finds were Tokomizu, 1st baseman and S. Takeda, outfielder, to fill the positions vacated by last year's veterans.

Due to the numerous outfielders, B. Hiratsuko may be transformed into a first baseman because of his hitting ability while E. Takeda may be called upon to pitch.

At present Kozo Kitamura is the only reliable finger, due to Ochi-kubo's illness, so two or three more hurklers will be valuable as an asset to the team.
