Rikkios to Reach Seattle April 19

Rikkio's ball nine, Japan college champs, will arrive in Seattle on Apr. 19, according to reliable information received here.

The Japanese have scheduled a three game series with the University of Washington in the northern city but from the looks of things they may not play a game with either the Tayo or Nippons, Seattle's strongest Japanese teams.

The members of both Seattle teams will be working on week days but have Sunday off. The Japan champs, representing an Episcopal mission school, St. Lukes, will not play Sunday ball.

Playing on week days has another drawback, the fans cannot make it. Hence the situation in the north is very much in the air.

JUNIOR AND SENIOR CLUB

Conducted by AUNT FEGGY

HELLO, DEAR MEMBERS!

We have two new members today. One wishes to join us under the nom de plume of Krazy Kat from Salem. Will this person please write to Auntie again and tell her his real name, address and birthday? The other is Frank Yamada of Elk Grove, a bright freshman student of the Elk Grove high school. Welcome, Frank! Would you tell us more about yourself.

"I am just 12, my birthday being April 1st—no April fool either. "We have just moved into a country home that cost \$2000. "I like girls, and believe me, they sure like me. I am a good sort of fellow, and good looking, mind you. They say that I am short but sweet. "I love animals and like best the donkey. (I like donkeys too, Frank. They are so gentle and so cute.)

KAWA STAR, KYOWA TAKE BUSSEI FIVE

Bussei Defense Is Weakened When Star Hurt

Playing in ragged form, the local Bussei sailors, better known as the Ramblers, failed to ramble against the Mt. View Kyowa's cage team Saturday night at the Salvation Army court, bowing 44-25.

The Bussei were going along smoothly until the second quarter when Mas Shimizu, their defensive ace, was sent to the showers due to a sprained ankle, then the Kyowa offense started to function.

Kawamoto, Kyowa's college man, had a happy night tossing in 18 points to almost reduce the Ramblers' morale to a slow amble by himself. Tanaka, followed close behind with 15 tallies.

Lefty Nishimura was the only Bussei man who was not, caging 14 counters to keep his team threatening. A number of Nishimura's archers found their mark from difficult angles well out from the side of the court.

Kiyo Nogami, Tanaka Star for Alameda Hi In Athletic Contests

ALAMEDA, Apr. 3—Kiyo Nogami, local athlete, has added new laurels to his achievements. He is a regular on the high school baseball team here, playing second base. The young man had a big day Friday when his school met the University of St. Francisco.

In addition to playing a stellar defensive game, Nogami whacked out two blows of the six made to lead the assault on the enemy, although his team was defeated.

Another Japanese youth, George Tanaka, showed well in his appearance Friday afternoon on the local high school tennis squad when he romped over his Willis college of Oakland rival in straight sets, 6-2, 6-0, to win in his single match.

When he teamed up with another Alamedan, he was the bright star of the doubles team that again won for the Island City school.

George Tanaka's team won an easy victory over the Willis squad triumphing nine matches to nothing.

No More Stalling Is New Ruling In Coaches' Meeting

[Special to Japanese American News]
CHICAGO, Apr. 3—Stalling in basket ball was stilled today.

The National association of Basketball coaches, after three days of discussion of ways and means of speeding up the game, adopted a drastic rule whereby any team in possession of the ball in the back court must cross the center of the playing floor toward its target within ten seconds.

The penalty for violating the rule is loss of the ball at the nearest sideline. The referee would call the violation, assisted by the timekeeper.

JAPAN TREES FOR VASHON

Island High School Campus Has 100 Cherry Trees

SEATTLE, Apr. 3—One hundred Japanese cherry saplings were planted in the campus of the Vashon high school Thursday afternoon as a gesture of friendship between the Japanese students and American students who attend the institution.

The trees were donated by the Vashon Japanese association. In the presence of the student body, Mr. Nishiyori made the presentation speech and Principal Robertson thanked him for the donation.

Vashon is a small island located in the Puget sound about 5 miles away from here which boasts of a Japanese community of considerable numbers.

A combined farewell and welcome banquet was held Friday eve at the Showa Low, by the Japanese students of the College of Pharmacy.

Just before the close of the business meeting the semi-annual election was held with Robert Yamagata presiding.

The results of the election are as follows:
President: Elbert Izumi; vice p. Fred Ouye; sec. Mr. Dekusaku; treasurer, Satoru Tanaka; soc. chair, Haruko Tanaka.

Each of the board of trustees made a short, interesting and useful talk.

They were as follows: Dr. Kiyasu, Dr. Haraka, and Mr. Nakabayashi. A short talk was given by Oaki Tanigaki.

A token of remembrance was presented to the lower class by Ichiro Imamura in behalf of the graduating class. A few words in response were given by Ernest Takaki.

Members Welcomed
George Iwasaki said a few words to the seniors and the welcomed members in behalf of the lower class.

The banquet was a most successful one. Everyone enjoyed the songs and stunts. The credit for the evening's success goes to George Iwasaki and the toastmaster of the banquet, Fred Ouye.

The students attend the University of California.
