## BAY AREA CANT PLACE IN OLYMPIAD

### Shoguns Barred From Sacramento Track Carnival

When Shigezo Elmoto, Showa vice-president, was notified that Showa's entry in the northern California Olympiad at Sacramento which was held Sunday under the auspices of the Y.M.B.A. there was refused by the sponsors, he merely laughed.

The telegram sent to Victor Yamakawa, Showa board member, which he received on Saturday from the Sacramento Y.M.B.A. read as follows: "Very sorry but northern California Olympiad restricted to northern California clubs. We did not include bay region in district. It will be unfair to other clubs to accept your entry. If possible Wakaba will be glad to have a duel meet with Showa any convenient date."

The message was signed, "Sac to Y.M.B.A." It was a response to Yamakawa's wire sent on Friday declaring Showa's entry in the Olympiad which all clubs in northern California were supposedly invited.

Elmoto's only comment after reading the Sacramento refusal was, "I am sorry that our fellows can't go for they were all set to make the trip."

San Francisco is L. A. Suburb? Then, as a happy afterthought, Elmoto added, "I guess the people in Sacramento think that San Francisco is a suburb of Los Angeles and not a part of northern California."

George Morihata, Shogun track manager, was keenly disappointed when told of the Wakaba telegram. "We had made all the arrangements to go but now I guess it is all off," was his remark. Henry Minami, Showa's president, could not be reached for a statement.

## CALL OF THE OLYMPIO

From north to south, from east to west. The pride of each nation shall come to our shore, Each to offer the best that he has— And fight for glory forever more.

The ancients they fought for a simple crown. But the victors and glory were theirs to hold; All for the spirit of manhood and race. All for the joy and not for the gold.

Each they shall bring for the brotherhood of man. The nation's goodwill, the ambassador of peace. One in heart and spirit they'll run the race; O, may such fellowship steadily increase!

Glory and honor, the Olympic shall reign. While the veil of darkness shall fall from the eyes, And the hearts of the nation shall beat as one As steady as ever like the stars

### Commissioners Not Pledged Safety By Japan

TOKYO, Apr. 24—Ordering a boycott of the League of Nations Assembly's permanent Far-Eastern Committee of Nineteen, Japan today delivered the severest rebuke so far suffered by the League in its Shanghai venture.

The government action strengthened the belief that Japan is preparing to withdraw from the League. Tokyo Note. In a note to its Geneva delegation, Tokyo asserted that Japan has made all possible concessions to the League's demand for settlement of the Shanghai situation. Japan's delegates were instructed not to attend further meetings of the committee and not to recognize any resolutions it adopts.

Peace Move Blocked. Japan's new task developed out of the committee's recent resolution calling for appointment of a mixed commission to fix the time for Japanese troop withdrawals from Shanghai.

The maneuver leaves the League committee virtually impotent to make further contributions toward settlement of the Shanghai war.
