G.HAGIWARA FOOLS CLUB WITH UNION

But The Groom Will
Have To Pay
And Pay

Members of the Showa club board of directors will be more careful in the future to promise anything, for every word they carelessly utter means digging into their pockets for the mighty dollar.

All happened when Dave Yamakawa, eldest bachelor of them all, hinted of giving dance party for the first Showa member to get hitched, of course believing himself to be the beneficiary.

The idea received unanimous support no sooner than it was uttered, by this group of eligible bachelors, all having notions of beating their fellow members, to the alters.

Well George Hagiwara, fooled them all right, and committee headed by Oski Tanioka, and Nobuo Tabata are working hard for a successful dance to be given in the near future.

On the committee will be Ken Takahashi, Be Ueda, George Yama, Shing Saito, Vic Yamakawa, Ham Sato, and Henry Minami. They have to share the burden, just a minute, these clever Showans are pretty foxy, they also included in their clause that the lucky boy has to fork over with the dough. The dance will be held at Yamato hotel according to the report by the committee.

The engagement of Mr. George Hagiwara to Miss Aiko Kataoka of Los Angeles was recently announced, the marriage, taking place in the early Autumn.
